Memo

To: Board of Education

From: GARY YEE, EdD, ACTING SUPERINTENDENT; By: MARIA SANTOS, Deputy Superintendent

Board Meeting Date: 06/25/2014

Subject: Professional Service Contract

Contractor: Community Initiatives of San Francisco, CA

Services for: 922-FAMILY, SCHOOL AND COMMUNITY PARTNERSHIPS

Board Action Requested and Recommendation: Ratification by the Board of Education of a Professional Services Contract between the District and Community Initiatives, San Francisco, CA, for the latter to provide: production services and completion of two videos --one 5-8 minute video highlighting our overall approach to middle school education, differentiates OUSD in a positive manner from other districts; one 8-10 minute documentary video on history of KDOL TV discussing the station's history, the different education programs, alumni success stories and new studio and education program for the period of 05/01/2014 through 06/30/2014 in an amount not to exceed \$20,000.00.

Background:
(A one paragraph explanation of why the consultant's services are needed.)

Since the turn of the century OUSDs enrollment has fallen by roughly one-third, from 55,000 to its present level of 37,040 students. This has impacted OUSDs ability to keep schools open and to provide human and financial resources at the desired level to improve student outcomes. Equally concerning is the fact that the highest attrition rate occurs during the transition from elementary to middle school. OUSD loses its greatest number of students at this point and roughly half of all those students scoring as proficient or advanced on the California Standards Test, hence the video is being made and distributed to help decrease attrition rates and thereby increase attendance.

Discussion:

Organization

Community Initiative's fiscally sponsored project, Media Enterprise Alliance (MEA), provides underserved high school students in Oakland the opportunity to study media, particularly video, graphic design, and website production with the goals of staying engaged in school, acquiring art and technical skills, and developing criteria for college admission and job placement.

History

MEA was established as a fiscally sponsored project of **Community Initiatives** in 2009, through the joint efforts of Jeff Key, Executive Director, Mario Capitelli, Manager KDOL-TV, Oakland Unified School District (OUSD) staff and administration, and an alliance of community partners.

The Program

MEA delivers a highly structured, yearlong media arts program in its state-of-the-art Educational-Access Television Station, KDOL, where students form close **relationships with successful mentors in employable fields**.

While working with media arts professionals to produce informational films for non-profits advocating social justice, and features for television news magazines, **students are exposed first-hand to community problems and become an active part of the solutions**.

Through a project-based media curriculum and job training program developed and led by mentors from UC Berkeley's Graduate Schools of Journalism and Business, **60+ youth will complete the program this year** and pass a basic course completion proficiency exam that qualifies students for OUSD academic credit, satisfies the UC "I" Fine Arts requirement, and articulates with Laney College for Community College credit.

Population Served

MEA serves OUSD high school students that reflect the racial/ethnic population of Oakland and our OUSD partners. Students currently enrolled in the MEA Video Production classes come to the program from ten high schools representing almost every neighborhood throughout the city of Oakland. Schools sites are selected based on low-income and at-risk students. 95% of MEA's schools serve this population and are designated Title 1.

Community Partners

East Bay alliance partners providing mentorship to MEA students include the Center for Young Entrepreneurs at Haas (YEAH) School of Business-UC Berkeley, the UC Berkeley Graduate School of Journalism, the California College of the Arts Center for Art and Public Life, Children's Hospital-Oakland's CHAMPS program, the Public Health Institute's FACES for the Future program, and Pandora Internet Radio.

Awards

MEA student-produced films have won distinguished awards from the Adobe Foundation/PBS, Project Youth View, The Northern California Chapter of The National Academy of Television Arts and Sciences-2012 and 2013 Regional Student Television Awards for Excellence, KQED Science Award for Excellence; and from the PBS Student Reporting Labs for Best Science Video.
