### To: Board or Education

From: Gary Yee

Subj: Board and LCAP Priorities

The Local Control and Accountability Plan (LCAP) provides details for OUSD's action and expenditures to support pupil outcomes and overall system performance. The OUSD goals, strategies and specific actions and services to achieve those goals for all pupils and each subgroup, for each state priority and locally identified priorities are attached.

The state has adopted its overarching LCAP priorities, listed in three categories:

A. Conditions of Learning; B. Pupil Outcomes; C. Engagement

### The State LCAP Priorities that we must attend to are:

P1 (A) **Basic** (appropriate assignment and credentialing of teachers) access to standards-aligned instructional materials, and facilities are maintained in good repair.

P2 (A) Implementation of State Standards (academic content and performance standards for all, including EL)

P3 (C) **Parent Involvement** (see parent input in decision-making, parent participation in programs for unduplicated pupils and special needs subgroups)

P4 (B) Pupil **Achievement** (standardized tests, API, college and career ready, English proficiency, English reclassification, Advanced Placement EAP)

P5 (C) Pupil **Engagement** (school attendance rates; chronic absenteeism rates, middle school and high school dropout rates; high school graduation rates)

P6 (C) **School Climate** (suspension and expulsion rates, parent, teacher and pupil surveys of safety and connectedness)

P7 (A) Course Access (broad course of study)

P8 (B) Other Pupil Outcomes

### The overarching OUSD Mission is to graduate all students college, career, community ready (Community

**Schools, Thriving Students).** Through a multiple review of data and research, stakeholder engagement, we concluded that in order to accelerate student outcomes for all students, we must invest in high quality instruction by effective educators, nested within schools with a culture of continuous improvement, and tiered intervention at the classroom level as well as at the district system level. OUSD staff has proposed 6 **OUSD LCAP Goals** that use base, supplemental, and concentration LCFF funds and other district unrestricted and categorical funds to reflect the State Priorities. They are described in detail in LCAP section 2 (the state priorities- SP- are referenced)
