922/Community Schools and Student Services Department (site/department)

Action Requested

Approval of a Memorandum of Agreement between the Oakland Unified School District and Reading Partners, Oakland, CA, to be primarily provided via the Community Schools and Student Services Department for the period of October 1, 2014 through June 30, 2015.

Background

*A one paragraph
explanation of why
the consultant's
services are needed.*

The Full Service Community Schools Task Force recommended that OUSD create a Community Partnerships Workgroup. This Workgroup was charged with developing systems to more effectively and transparently manage district-partner and site-partner relationships. The Workgroup, composed of representatives from community-based organizations and OUSD staff, has been meeting since October of 2012. The group initially focused its efforts on developing systems and tools to make partnerships more intentional, and to better set site and partner(s) up for success. That work is now in the early stages of being piloted at a number of school sites. The Workgroup then went through a process to determine which additional topics it wanted to take on. Data and data sharing consistently rose to the top as an issue that affects virtually all partners and school sites as currently, there is no process in place to share OUSD's student-level data with partners, nor is there a way for the district or school to access partners' data about the students they serve. Without a two-way data sharing process in place, it is difficult to understand the impact partners' programming has on students. This MOU details the steps and procedures to open up student-level data sharing between OUSD and community partners by collecting parental consent to release a copy of the Comprehensive Student Data Roster to partners stripped of the information of students who don't have consent or those who don't participate in partner programs. OUSD will only share confidential information where a student's parent or guardian has provided prior written consent for OUSD to share confidential information to Reading Partners.

Discussion

*One paragraph
summary of the
scope of work.*

4. Reading Partners will grant access only to staff members who need access in order to further the purpose of this agreement.
5. Reading Partners shall (a) instruct all staff with access to confidential information about the requirements for handling confidential information and (b) notify staff of the sanctions against unauthorized disclosure or use of confidential and private information.
6. Reading Partners shall not assign this Agreement or any portion thereof to a third party without the prior written consent of OUSD, and any attempted assignment without such prior written consent in violation of this Section shall automatically terminate this Agreement.
7. Reading Partners will not use or further disclose the information accessed or received other than as permitted by this Data Use Agreement or as otherwise required by law.
8. Reading Partners will report only aggregate data and will not report any individual data, nor will data be reported in a manner that permits indirect identification of any individual. This paragraph will survive the termination of this Agreement.

9. Reading Partners agrees to obtain written approval from OUSD prior to engaging any subcontractors to perform any services requiring access to any individually identifiable information.
10. Reading Partners shall not re-disclose any individual-level data with or without identifying information to any other requesting individuals, agencies, or organizations.
11. Reading Partners shall use the data only for the purpose stated above. These data shall not be used for personal gain or profit.
12. Reading Partners shall only access the data furnished by OUSD in the secure location maintained by OUSD and shall take reasonable steps to prevent unauthorized access to it. 2. Upon ninety (90) days written notice from OUSD, Reading Partners shall delete all confidential and/or sensitive information promptly so that it is no longer accessible for analysis or use. In the absence of such notice, Reading Partners may continue to use such data for research, education or related purposes.

G. GENERAL UNDERSTANDING

1. This Agreement contains the entire understanding of the parties and may only be amended in writing signed by the parties.
2. This Agreement shall be governed by and construed under the laws of the State of California.
