I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

I will submit a required summer-end expenditure report to the OUSD Expanded Learning Office reporting on my agency's actual expenditures aligned to this budget plan. I understand that any discrepancy of over 10% between any line item in my budget plan and actual summer expenditures for that line item must be justified in my final expenditure report.

I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. All students must be øff-site by 3:30pm and staff must be off site by 3:40 as the building will be promptly locked at 4pm daily.

a) Describe how you will work with school leaders and after school providers at your summer hub and feeder schools to recruit students for summer programming. Please note that summer programs are required to hit at least 85% of their attendance target. Programs should appropriately over-

enroll to ensure that the target average daily attendance number is reached.

- b) What strategies will you use to retain students over the summer to ensure that your attendance numbers stay high. Please note that we highly recommend that programs maintain a waitlist so that students who do not show up after the first week of program can be immediately replaced.
- A) OFS has an active recruitment process that seeks out potential applicants from within the communities being served and feeder schools. Efforts to attract such prospective scholars are a result of leadership collaborative strategies with school leaders, educators, and mental health professionals, agencies, and organizations, as well as parents and community members.

B) By providing high quality academic literacy enrichment programming; parent and family involvement through weekly parent chat and chews workshops, civic engagement and social action; intergenerational leadership development, nutrition, and physical and mental health services; we will reweave the fabric of the community we serve. Thus, scholar retention is a byproduct of creating and cultivating a supportive and nurturing learning environment that assets high expectations for all scholars and young adults, strengths their sense of self worth, and affirms that they are loved and valued by and can make a difference!

Summer 2015 Lead Agency Curriculum Outline

Oakland Freedom Schools (OFS) Integrated Reading Curriculum (IRC)

OFS inspires a love of reading while strengthening the scholar's self-esteem and sense of community through an Integrated Reading Curriculum (IRC) which supports academic learning outcomes and meets California educational literacy standards. In order to deliver the IRC to students, college age staff receives 80 hours of training as Servant Leader Interns. In the classrooms, scholars read books which celebrate a wide variety of cultures and experiences reflecting on their own images and focusing on the theme *"I Can Make a Difference."* Servant Leader Interns (SLIs) use the IRC to teach scholars conflict resolution, critical thinking skills and engagement in community service and social action projects. They also encourage scholars to participate in art and athletic activities and develop a program finale in which every students is given the chance to have their voice heard; living their truth.

The book list consists of approximately 80 titles that are culturally relevant and appropriate for children ages 5-18. There are six weeks of lesson plans for approximately half of the books to help the SLI and scholar reflect on the weekly themes of "I Can Make a Difference in My Self; Family; Community; Country; World; and with Hope, Education, and Action." The IRC is an activity-oriented curriculum. It is designed to excite, motivate, stimulate, arouse, expose, inspire, delight, enchant, and rejuvenate! It is also an excellent vehicle for leading children to higher levels of thinking and expression.

Weekly Sub-Theme	5
I Can Make a Differ	ence:
Week 1	in My Self
Week 2	in My Family
Week 3	in My Community
Week 4	in My Country
Week 5	in My World
Week 6	with Hope, Education and Action.

The Oakland Freedom Schools program is designed to address cultural issues that negatively impact successful navigation through the educational system. The lesson plans of the Integrated Reading Curriculum are written based on the following levels:

Level	Grade Level	Books per week
I	K-2	3-5
II	3-5	2-3
III	6-8	1

Major Components of the Integrated Reading Curriculum

The following guide is for the morning lesson delivered between 9:00 and 11:45 a. m., including a 15-minute break. The morning lesson is executed from a daily plan for each book used at all levels of OFS program delivery. An effective and successful Servant Leader Intern follows the outlined lessons in the IRC creatively and with competence.

Opening Activity (15 minutes)

This component serves as an introduction to the lesson. Its purpose is to motivate the students and stimulate their interest in the book under study.

Main Activity

The purpose of the main activity is to engage scholars in reading and discussing the book under study.

Level I & II (30 minutes) Level III (45 minutes)

Cooperative Group Activities

Cooperative Group Activities allow students to work together in groups at work stations on activities related to the book and/or the theme.

Levels I & II (1 hour and 15 minutes) Level III (1 hour)

Conflict Resolution/Social Action Activity (20 minutes)

The IRC guide outlines which lessons have a specific focus on conflict resolution and/or social action. The conflict resolution and social action activities allow students to apply decision-making strategies to practical situations and may extend into the afternoon or next day.

Closing Activity (10 minutes)
 This offers closure to the day's lesson.

ABOUT LINCOLN CHILD CENTER

ince our founding in 1883 as the first racially integrated orphanage in Northern California, Lincoln Child Center has impacted the lives of tens of thousands. While our programs and services have grown and changed, our mission remains rooted in the belief that ending the cycle of poverty depends upon providing accessible early and progressive intervention in the lives of children and youth, and supports to build engaged and effective families.

EDUCATION Is the key to climbing out of poverty is education, yet many Lincoln children and youth face huge challenges that derail their progress and keep them from reaching their potential. Although the issues are complex, Lincoln's approach is simple: provide an early and progressive continuum of programs addressing the individual needs of each child, while delivering comprehensive services where children and youth are, helping them build skills for success at home, at school and in the community.

FAMILY At Lincoln, we have always believed in helping children by helping their families and the community around them. From providing counseling support for kin caregivers to linking families to employment and housing resources, we have long worked to defuse stresses and keep families informed, enthusiastic and engaged in the education of their children. Lincoln's dedicated experienced professionals tailor services to each unique family and are essential to our successes in disrupting generational poverty.

WELL BEING Uniting everything that Lincoln does is a love of the children, youth and families we serve and a deep dedication to their well-being. We host community literacy events at our summer Oakland Freedom Schools, and hold Youth Mental Health First Aid trainings teaching teens how to help people developing a mental illness or in a crisis. As important to us as ensuring school success is our commitment to the long-term well-being of our kids, families, and communities.
