EXHIBIT "A" SCOPE OF WORK

[IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES MAY BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

This contractor will work in partnership with the Title 1-funded morning summer school program in order to provide an additional three hours of afternoon enrichment, including STEM learning, physical activity, arts learning, and other summer learning opportunities for students. Program activities will be based on youth development best practices, and will be modeled after successful after school enrichment services provided by the contractor. Participating students will be able to experience a full day, 6 hour summer learning opportunity as a result of the partnership between the contractor and the morning summer school program. The contractor will abide by all 21st Century grant requirements detailed in the standard after school Lead Agency MOU. Specific summer program activities are outlined in the attached Summer Program Plan.

2. **Specific Outcomes:** What are the expected outcomes from the services of this Contract? Be specific. Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

Summer learning programs are critical in countering summer learning loss in students. Students will greatly benefit from the opportunity to participate in a full 6-hour summer learning program offered in partnership with the school and community organization. The summer learning program will provide students with a safe and supportive place to spend their summer. Students' physical and social-emotional health and well-being will be supported through the summer program's academic, enrichment, and support services. As a result of the summer learning program, students will return to school in the fall feeling more engaged in learning, more connected to the school community, and less affected by summer learning loss. As a result, students will be more prepared to engage in a new school year of learning and more ready to attend school on a daily basis.

SECTION 2: Lead Agency Assurances

Please review and initial each item and sign below.

mv I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office, detailing my program's efforts to raise attendance numbers for the remainder of the summer.

mv I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

mv I understand that I am required to input my actual attendance numbers into the Cityspan attendance system **daily** during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

mv I understand that I am required to submit single-sided hard copies of my summer attendance records (including copies of daily student sign in/out sheets and the OUSD summer internal audit log) to the OUSD Expanded Learning Office by the last day of my summer program. mn I confirm that my summer budget plan reflects my actual planned expenditures for my program. I will submit a required summer-end expenditure report to the OUSD Expanded Learning Office reporting on my agency's actual expenditures aligned to this budget plan. I understand that any discrepancy of over 10% between any line item in my budget plan and actual summer expenditures for that line item must be justified in my final expenditure report.

mn I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. - b) Please attach a copy of your daily schedule detailing your full 6 hour program. (Note: sites that are using the A+B model must include the morning academic program in the daily schedule you submit). Attached is an example.
 - Please note that all programs under the A+B model will be expected to provide daily hands-on academics (ie. STEM), enrichment, physical activity, community building activities, and daily afternoon snack (provided by OUSD), between the hours of 12:15 – 3:15.
 - Please include staff prep and meeting times, and clean up/debrief times on your daily schedule.

SECTION 4: Summer Curriculum

Attach your summer program curriculum scope and sequence, outlining your curriculum objectives and planned program activities.

Please note that all programs under the A+B model should plan to provide daily hands-on academics (ie. STEM), enrichment, physical activity, and community building activities.

SECTION 5: Summer Program Recruitment and Retention Strategies and Timeline

Briefly describe your anticipated summer program student recruitment and retention activities and timeline.

- a) Describe how you will work with school leaders and after school providers at your summer hub and feeder schools to recruit students for summer programming. Please note that summer programs are required to hit at least 85% of their attendance target. Programs should appropriately over-enroll to ensure that the target average daily attendance number is reached.

- b) What strategies will you use to retain students over the summer to ensure that your attendance numbers stay high. Please note that we highly recommend that programs maintain a waitlist so that students who do not show up after the first week of program can be immediately replaced.

a) LLS will meet with the summer principals from EOP and Markham Elementary in order to define roles and responsibilities related to summer programming. School sites will provide a list of students that are targeted for enrollment. LLS will reach out to those families and invite them to a mandatory parent orientation. Families will be required to RSVP for a specific parent orientation. LLS will host two parent orientations for selected families in May. If needed, LLS will select additional students from current after school program participants.

b) Families who participate in summer program will be notified that full participation of all four weeks is mandatory for enrollment. Families will be encouraged to plan vacations and other events after summer program has ended. Students with perfect attendance will be able to participate in field trips and other special events.

SECTION 6: Summer Line Staff Information (if known at this time)

To promote continuity between OUSD after school and summer programs, and to provide year-round work opportunities for talented youth development professionals in Oakland, we are particularly interested in seeing current, highly qualified Oakland after school workers become the summer program staff at our OUSD Summer Hubs. Please list the name(s) of line staff whom you intend to hire as part of your summer program staff. (Add additional rows as needed.) Please note that the summer program must have a maximum 1:20 adult to student ratio.

Summer staff must meet the minimum staff qualifications according to the 21st Century grant requirements:

- Must pass fingerprint background clearance by DOJ and FBI
- Must have TB clearance
- Must have at least 2 years of college (48 semester units), or pass the Instructional Aide exam administered by the Alameda County Office of Ed

Important Note: Summer program staff in A+B programs will be expected to attend 15 – 18 hours of OUSD summer line staff trainings. The Summer Site Coordinator and summer program staff should be hired **no later than May 8**.
