# Memorandum of Understanding 2015-2016 Between Oakland Unified School District and

San Francisco Bay Area, Learning for Life

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with San Francisco Bay Area, Learning for Life ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 117/Fruitvale School under the following grants:

- After School Education and Safety Program ("ASESP")
- California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
- Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
- Private grants

2. **Term of MOU.** The term of this MOU shall be July 1, 2015 to August 19, 2016 and may be extended by written agreement of both parties.

3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

4. **Compensation.** The ASEP and 21<sup>st</sup> CCLC grant award amount for San Francisco Bay Area, Learning for Life is \$94391. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.

- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21<sup>st</sup> CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21<sup>st</sup> CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2015-2016")

- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21<sup>ST</sup> CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

**4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

**4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

**4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.

**4.5. Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2015-2016 and will not exceed \$94391 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2015-2016").

**4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**4.7. Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at Fruitvale School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2015-2016. This shall include the following required activities:

**ASES and 21<sup>st</sup> CCLC After School Program Plan**  
**Elementary & Middle Schools**  
**2015 – 2016**

**SECTION 1: School Site Information**

School Site: Fruitvale Elementary	Lead Agency: SFBAC, Learning For Life
Principal Signature: Patricia Ceja 	Lead Agency Signature: Sharon Rhone 
After School Site Coordinator Name (if known at this time): Maria D. Obledo	Date: 4.16.15

**SECTION 2: Alignment with Site Plan (SPSA), Major Improvement Priorities**

In collaboration with school leadership, identify the school's Major Improvement Priorities where this after school program is identified for its high leverage practices.

Students will be given plenty of opportunities to talk with each other about grade level text and to apply what they have learned to specific tasks across curriculum. One way to address this would be to spend 30 min of the academic hour on a task in which students are led to work in pairs or small groups to answer a focus problem solving question in Math, Science or Language Arts. The focus question will address different skills and different levels. It would be ideal if the ASP instructors had some exposure to the pedagogy of Text, Task, Talk and Time.

**LCAP Strategic Priorities**

In collaboration with school leadership, identify the specific LCAP goal(s) that this afterschool program will intentionally support.

- ☒ College & Career Readiness (LCAP Goal 1)  
☒ Literacy (Proficiency on Standards, Grade Level Reading, English Learners Reading Fluency—LCAP Goals 2, 3, 4)  
☐ Mathematics/STEM Proficiency (Proficiency on State Standards—LCAP Goal 2)

- ☒ Student Engagement (LCAP Goal 5)  
☒ Parent/Family Engagement (LCAP Goal 6)  
☒ Safe, Healthy & Supportive Schools (LCAP Goal 7)

State 3 – 4 primary goals of the After School Program and intended impacts for participating students. Describe how these after school goals align with the school's Major Improvement Goals and Strategies identified in its SPSA plan.

1. For students to understand what it takes to be an Avid Scholar and achieve their goals.
2. For students to become great communicators or enhance their communication skills.
3. We would like to encourage students to be independent thinkers while being cooperative workers.
4. For students to advocate for social equality and community change.

### **Description and Rationale for Selection of Lead Agency**

*Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.*

Learning for Life has successfully partnered with Fruitvale Elementary to provide afterschool program services for over 5 years. Because of the lead agency and Fruitvale Elementary's commonality of educational goals, this partnership is strong and both have a mutual respect for the other. Because of this mutual respect, alignment of the school day and ASP has been successful for the students. Learning for Life is currently operating stable and effective ASP at several elementary school that provide academic and youth development results. Learning for Life programs provide schools with quality staff and ongoing supports and have consistently met program quality and grant reporting requirements. Because of this consistency, Learning for Life is able to provide excellent services to the school.

### **SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule**

*In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483)*

*High school programs are required to operate a minimum of 15 hours per week.*

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

Required # of Program Days your program will operate during School Year 2015-2016 (programs are required to operate between 177 – 180 days of the school year)	180 days
Projected Daily Attendance during School Year 2015-2016	85

Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.	TBA
<b>Minimum Days</b> Elementary and middle school after school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.	
Projected Number of Minimum Days for School Year 2015-2016	50
Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:	
<b>Program Schedule</b> <ol style="list-style-type: none"> <li>1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.</li> <li>2. Submit a copy of the school bell schedule for the 2015-16 school year.</li> </ol> <p><b>Important Notes:</b> The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)</p> <p>Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)</p>	

## SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

**Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students. (Curriculum and PD will be provided by OUSD After School Literacy Learning Community.) Programs are highly encouraged to provide after school math and science instruction. There will be learning communities to provide math and science curriculum and PD.

## SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

**Recommended Middle School Program Components:** Middle schools are highly encouraged to provide after school STEM instruction and youth leadership programming for students. (These program components are required for 21<sup>st</sup> Century middle school programs.) STEM and Building Intentional Communities youth leadership curriculum and PD will be provided by OUSD after school learning communities.

### SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.***

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources

Parent Information/Orientation	Increase parent awareness and involvement	All parents are required to attend a mandatory orientation to participate in the ASP. This orientation outlines the expectations for the program and provides information on how the parents can become more involved in their students' education. These orientations will be held prior to their student attending the ASP.	Every parent/guardian will attend Parent Orientation	This event will mirror the school day orientation and back to school night events.
Winter/Spring Showcase Events	Increase parent awareness and involvement	Parents are required to attend at least 1 showcase event. These showcase events exhibit students' hard work from their various enrichment classes.	Every parent/guardian will attend at least one showcase event.	Showcase events will be planned and performed in collaboration with the school day staff and administration.
Parents Volunteer Hours	Increase parent involvement	All parents are required to complete 2 hours per month in the ASP, either in service or in kind.	At least one parent will consistently volunteer in our program 2 hours per month.	If after school hours are not convenient for parents, they will be allowed to complete hours during the school day. Parents will be directed to the ASP parent liaison.
Family Literacy Night, Family Science/Math Night	Increase parent awareness and involvement	Parents and students will be attending Family Reading Night, Science Exhibits, and Math Games	At least 75% of the school community will attend Family Literacy Night,	This event will be planned with school day staff and administration.

### SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	-Request copy of chronic absentee list from SART person or office staff. Target those students for early registration and orientation.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Targeted parents/students orientation of chronic or at risk for absenteeism with a focus on the attendance policy. Have a signed document that acknowledges the

	policy so parents and participants will adhere. Continue to stress monthly parent reminders.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Assistant Coordinator or Site Coordinator to do bi-monthly calls to check in on students who have low attendance to ensure their status in program, and to remind parents about the need for attendance at school and in ASP.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Quarterly incentives for perfect attendance (attendance parties, movie days, prizes, and attendance awards)

### SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- ☒ PBIS (Positive Behavioral Interventions and Support)  
☒ Restorative Justice  
☒ Social and Emotional Learning  
☒ Bullying Prevention  
☐ Other: (please specify) \_\_\_\_\_

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

The first four weeks of program will be dedicated to community building and laying down foundations of expectations of program participants. Staff will model and support students in facilitating the process of creating community agreements, and conflict resolution strategies. These strategies will be used throughout the school year.

Staff, parents, and students surveys will be used to help determine if the school culture is being affected.

Regular Site Coordinator and principal collaboration on school policy will also be practiced throughout the school year to encourage ongoing school day/ASP alignment.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

We will provide Leadership Groups for our African American students (male and females). Boy Scouts Of America will continue to teach our students core values

Site Coordinator will continue to attend COST meetings to stay connected with issues with African American students who are at risk. Continued collaboration with school day principal and other parents to create plans for success in academics and social emotional learning.

### **SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- ☒ COST team (Coordination of Services Team)
- ☒ SST (Student Study Team)

### 2015-16 After School Enrollment Policy for Fruitvale Elementary School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
All students at risk, those who score BB, FBB, and B on state/district testing.	Testing scores, School day teachers	N/A
Students with chronic absences	SART Coordinator-absence report	N/A
Families with multiple students	School records	N/A
SpEd students	Students referred from SpEd Teachers	N/A

**Which grade levels will you serve in this program?** Kinder through 5th grade

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.

- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2015. Indicate how families will be notified of 2015-16 enrollment before the last day of school, June 11, 2015.)

- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2015.
- All programs must maintain wait lists after program slots are filled.

**School Support for Program Recruitment**

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. Trainings are structured to provide experienced staff with the opportunity to collaborate with new staff, share best practices and receive differentiated professional development. Learning For Life's site coordinators participate in District sponsored trainings and ongoing monthly site trainings.

Throughout the school year the Site Coordinator and the ASP Quality Support Coach review students data and share ASP staff to ensure that students participate in the program are receiving deliberate tutoring in target areas. The site Coordinator and ASP Quality Support Coach also conduct classroom observation several times per year, while offering specific coaching to support the staff in a classroom setting.

Data from site visits and internal observations will be used by the Site Coordinator and the ASP Quality Support Coach to determine group professional developments that may be needed throughout the school year. Monthly staff meetings will be utilized to address professional development for ASP staff.

b) What professional development opportunities will be provided by the school site?

#### WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
