The Parties' expectations are that if the Claim is made by a third party (e.g., a contractor), that the third party will be a participant in that Mediation. The Parties agree that any statute of limitations applicable to any Claim shall be tolled for the period from the date a Party requests Mediation through the tenth (10<sup>th</sup>) day after termination of the Mediation, unless otherwise agreed to by the Parties.
- 7.2. - 7.7. This mandatory mediation process shall only apply to Claims pursuant to the Architect Indemnity provision herein and shall not apply to any disputes to be resolved pursuant

to the Alternative Dispute Resolution provisions herein.

#### **Article 17. Alternative Dispute Resolution**

- 17.1.1. If the District disapproves of any portion or amount(s) of the Architect's invoices, the District shall within thirty (30) days of receipt by the District of any of the Architect's invoices, communicate to the Architect in writing, with reasonable detail, what portion or amount of the Architect's invoices that are disapproved for payment, what portion or amount of the Architect's invoices that are approved for payment, and the basis for the District's disapproval of the disputed portion(s) or amount(s) of the Architect's invoices ("Disputed Architect Invoice Detail").
- 17.1.2. If the Architect disagrees with the Disputed Architect Invoice Detail, the Architect shall communicate to the District in writing, and request to meet and confer in good faith with respect to any such disapproved portion or amount of the Architect invoices and the Disputed Architect Invoice Detail to determine if the dispute can be resolved. Such meet and confer communications shall include, but are not limited to, face-to-face meetings within thirty (30) days of the Architect's notice to the District with the appropriate District and Architect personnel as appropriate and necessary.
- 17.1.3. If the Parties cannot resolve the matter during this meet and confer process, the Parties shall handle the matter as a dispute as indicated herein.
- 17.2. Disputes between the parties arising out of this Agreement shall be resolved by the following processes:
  - 17.2.1. **Negotiation.** The parties shall first attempt in good faith to resolve any controversy or dispute arising out of or relating to this Agreement by negotiation. The Parties' meet and confer process for any Disputed Architect Invoice Detail shall satisfy this negotiation requirement.

17.2.3. **Litigation.** Disputes arising from this Agreement that cannot be settled through negotiation or mediation (after those processes have been exhausted) shall be litigated in the California Superior Court in the county in which the Project that is the subject of this Agreement is located.

17.3. Architect shall neither rescind nor stop the progress of its work pending the outcome of any dispute under this Agreement.

#### **Article 18. Severability**

If any term, covenant, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

#### **Article 19. Employment Status**

19.1. Architect shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which the Architect performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by Architect shall be provided in a manner consistent with all applicable standards and regulations governing such Services.

19.2. Architect understands and agrees that the Architect's personnel are not and will not be eligible for membership in or any benefits from any District group plan for hospital, surgical, or medical insurance or for membership in any District retirement program or for paid vacation, paid sick leave, or other leave, with or without pay, or for other benefits which accrue to a District employee.

19.3. Should District, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Department, or both, determine that Architect is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Architect which can be applied against this liability). District shall then forward those amounts to the relevant taxing authority.

19.4. Should a relevant taxing authority determine a liability for past services performed by Architect for District, upon notification of such fact by District, Architect shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Architect under this Agreement (again, offsetting any amounts already paid by Architect which can be applied as a credit against such liability).

19.5. A determination of employment status pursuant to the preceding paragraphs of this

Article shall be solely for the purposes of the particular tax in question and, for all other purposes of this Agreement, Architect shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Architect is an employee for any other purpose, then Architect agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Architect was not an employee.

- 19.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

#### **Article 20. Warranty and Certification of Architect**

- 20.1. Architect warrants and certifies that the Architect is properly certified and licensed under the laws and regulations of the State of California to provide the professional Services that it has herein agreed to perform.
- 20.2. Architect warrants and certifies that it is aware of the provisions of the California Labor Code that require every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that it will comply with those provisions before commencing the performance of the Services of this Agreement.
- 20.3. Architect warrants and certifies that it is aware of the provisions of the California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects ("Prevailing Wage Laws"). Since the Architect is performing Services as part of an applicable "public works" or "maintenance" project, and since the total compensation may be One Thousand Dollars (\$1,000) or more, the Architect agrees to fully comply with and to require its Consultant(s) to fully comply with all applicable Prevailing Wage Laws.

#### **Article 21. Cost Disclosure - Documents And Written Reports**

- 24.6. Architect shall comply with these provisions within fifteen (15) days of the District's written request to review and audit any or all of Architect's Project-related records and information.

**Article 25. Local, Small Local and Small Local Resident Business Enterprise Program (L/SL/SLRBE).** Architect shall comply with the requirements of the District's L/SL/SLRBE Program, as applicable, which may require a fifty percent (50%) mandatory minimum local participation requirement in the performance of this Agreement. ## **Article 26. Other Provisions**

- 26.1. Neither the District's review of, approval of, nor payment for any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Architect shall remain liable to the District in accordance with this Agreement for all damages to the District caused by Architect's failure to perform any of the Services furnished under this Agreement to the standard of care of the Architect for its Services, which shall be, at a minimum, the standard of care of architects performing similar work for California school districts in or around the same geographic area of the District.
