GEOTECHNICAL ENVIRONMENTAL WATER RESOURCES CONSTRUCTION SERVICES

Project No. 10095.000.000

August 24, 2015 Revised September 11, 2015

Ms. Mary Ledezma Project Manager Oakland Unified School District 955 High Street Oakland, CA 94601

Subject:

Sankofa Expansion Project #13125 (At Washington Campus)

581 61st Street Oakland, California

PROPOSAL FOR GEOTECHNICAL EXPLORATION REPORT AND SUPPLEMENTAL ENVIRONMENTAL TESTING SERVICES

Dear Ms. Ledezma:

We are pleased to present this proposal to provide a geotechnical report update and supplemental environmental testing services for the proposed improvements to the New Middle School at Sankofa Academy at 581 61st Street in Oakland, California. This proposal was prepared based on our correspondence with you and a review of sheet SK-A1.4 of the "Sankofa Academy Expansion" figure provided by the Oakland Unified School District (OUSD).

SITE DESCRIPTION

Sankofa Academy is located at 581 61st Street in Oakland, California (Figure 1). The latitude and longitude of the site are 37.8471° and -122.2634°, respectively. The school site borders Shattuck Avenue on the west, 61st Street on the north, a residential apartment building to the east and baseball fields to the south.

The school grounds include a two-story, rectangular-shaped concrete building with a paved play yard on the southern side of the building, a parking lot west of the building, and five portable buildings and an L-shaped building west of the parking lot. The focus of the geotechnical and supplemental environmental services will be in the area of the parking lot, portable buildings, and the L-shaped building.

PROJECT DESCRIPTION

Based on our conversation with you and a review of a figure provided by the OUSD, we understand that the proposed improvements for the Sankofa Academy include the addition of nine classrooms, two restrooms, an administration building, a paved student plaza, a basketball court, and a shade structure.

SCOPE OF SERVICES

Our scope of services will include two tasks:

Task 1. Geotechnical Exploration Report

The geotechnical exploration will include a geologic hazards assessment, field exploration, and preparation of a combined geotechnical and a geological hazards report in general conformance with the requirements of the Division of State Architects Office (DSA) and California Geologic Survey (CGS) as indicated in IR-A4, CGS note 48. In 2013, ENGEO conducted a geotechnical exploration for improvements at the adjacent site. The field investigation included cone penetration testing (CPT) extending to 50 feet in depth. In addition, three exploratory borings extending up to 50 feet in depth were drilled at the site and soil samples were collected for logging and laboratory testing. Testing for soil index values and soil strength were conducted at the ENGEO laboratory.

One boring and one CPT of the 2013 exploration are within the footprint of the proposed buildings, as such, we propose to drill 4 additional borings extending to depths of 20 to 50 feet. We propose to collect soil samples from the four new borings, and conduct laboratory testing for soil strength and soil index parameters. Following completions of the laboratory testing we propose to prepare a geotechnical exploration report in general conformance with the requirements of the Division of State Architects Office (DSA) and California Geologic Survey (CGS) as indicated in CGS Note 48 (revised October 2013).

The report will present discussions, conclusions, and recommendations regarding the following:

- Soil, bedrock and groundwater conditions at the site.
- Site seismicity, geologic and seismic hazards, including an assessment of the potential for liquefaction and recommendations for mitigation that meet the current DSA requirements, if necessary.
- Settlement and/or heave at the site and recommendations for remedial measures necessary to mitigate the settlement and/or heave.
- Foundation design criteria for the recommended foundation type for the new building. It is
 our understanding that the preferred foundation system fo the modular buildings is grade
 beams and footings. We will discuss foundation alternatives with your structural engineer
 and provide recommendations for the selected foundation types. We will also provide
 recommendations for foundation subgrade improvements, as needed.
- Grading recommendations, as needed.
- Subsurface drainage requirements, if any.
- Lateral earth pressures for retaining walls, including active, passive, at-rest and seismic values, as necessary and footing allowable bearing pressures.

- Subgrade preparation for foundations, exterior concrete flatwork, and pavement areas.
- 2013 California Building Code soil profile type and near-source factors.
 - 1. Maximum Considered Earthquake (MCE) Site Spectral Response Accelerations, SS and S1.
 - 2. Site classification designation.
 - 3. Site Coefficients Fa and Fv.
 - 4. Maximum Considered Earthquake (MCE) spectral response acceleration parameters at short periods, SMS and at one-second period, SM1.
- Geologic hazard statement that meets the current DSA requirements as indicated in IR-A4 and California Geologic Survey Note 48.

The fee to prepare the geotechnical exploration report will be \$16,000.

Task 2 - Saturated Subgrade Conditions Assessment

At your request, we are including a separate task for to evaluate potential saturated subgrade conditions at the site. We propose to conduct laboratory moisture content testing on shallow bulk soil samples collected during our drilling exploration. In the geotechnical report, we will include an assessment of wet subgrade conditions, and the compatibility of the native soils. We will provide recommendations for wet subgrade mitigation. The estimated fee for this task \$500.

Task 3 - Supplemental Environmental Services

We will collect soil samples to submit to an analytical laboratory for testing to help classify the soil for offsite disposal. We propose to collect four soil samples from various locations at depths extending up 5 feet below the ground surface across the approximately one-half acre site. We assume that the environmental samples will be collected at the time of the boring exploration, Task 1. A qualified environmental professional will collect the soil samples from the exploratory backhoe test pits in accordance with DTSC guidelines and deliver them to a laboratory for analytical testing.

We propose to conduct the following analytical testing on one 4-point composite sample:

- Organochlorine pesticides (OCPs) by EPA Method 8081A
- Title 17 metals by EPA Method 6010B and 7471A
- SVOCs by EPA Method 8270
- TPH gasoline, by EPA 8260
- VOCs by EPA 8260
- PCBs by EPA 8082
- TPH Diesel and motor oil, by EPA 8015 with silica gel clean up
- Naturally Occurring Asbestos Content

This suite of laboratory tests was selected to provide your office with soil information that can be provided to the contractor if offsite disposal of the soil becomes necessary. The fee to collect the soil samples with the laboratory testing and preparation of a final report will be \$3,000. It should be understood that the contractor and/or the offsite landfill may require additional laboratory testing based on the landfill's particular screening criteria prior to accepting the soil.

Additional laboratory testing of the soil may be required based on the quantity of soil generated for off haul or as required by the receiving landfill. We will work with your office to negotiate these fees on an as-needed basis.

SCHEDULE

Depending upon the weather, backhoe equipment availability and permit requirements, the exploratory boring exploration could commence approximately two weeks following your authorization. We estimate that the time required to complete the field exploration will be one day. We will work with the school district when performing the environmental field work to minimize impact to the school site. Our report should be available in three weeks following the completion of our field exploration. If this schedule does not meet your needs, please notify us and we can attempt to modify the schedule duration.

ESTIMATED FEE

We propose to perform the services outlined above on a time-and-expense basis in accordance with the attached Fee Schedule. On this basis, we estimate our fee for the proposed services outlined above will be as follows:

Task 1: Geotechnical Exploration Report:	\$16,0	000
Task 2: Saturated Subgrade Conditions Assessment	\$ 5	00
Task 2: Supplemental Environmental Services		
Sampling, Testing, and Report	<u>\$ 3,0</u>	000

Total 319,500

SITE ACCESS

OUNER Continuous \$ 3000 M.

Necessary removal of fences, unlocking of gates, removal of parked venicles, permission to enter the site from the current owner or leaseholder, and/or required use permits need to be secured by the client prior to our field activities. If site access or weather conditions restrict our field operations, a revision to our estimate may be necessary.

Prior to initiating our subsurface exploration, all site utilities and utility easements must be accurately located in the field. This information must be made available to ENGEO at least 2 days prior to our field exploration. ENGEO will accept no responsibility for damage to existing utilities not accurately located in the manner described above.

The scope of services described above does not include the assessment of possible environmental impacts from exposed hazardous or toxic substances. In the event potentially hazardous materials are identified visually or by odor within the exploratory test pits, we will notify you as soon as possible of such an occurrence in order to decide mutually whether to continue, suspend, modify, or cease the remainder of the field exploration program. All costs incurred as a result of encountering suspected hazardous materials would be charged on a time-and-expense basis.

AUTHORIZATION

If you are in agreement with the scope of services and fees outlined above, please issue your Standard Services Agreement for signature and as our authorization to proceed. Work will not commence without prior receipt of an executed agreement.

We look forward to working with you on this project. If you have any questions regarding this proposal, please do not hesitate to contact us.

Sincerely,

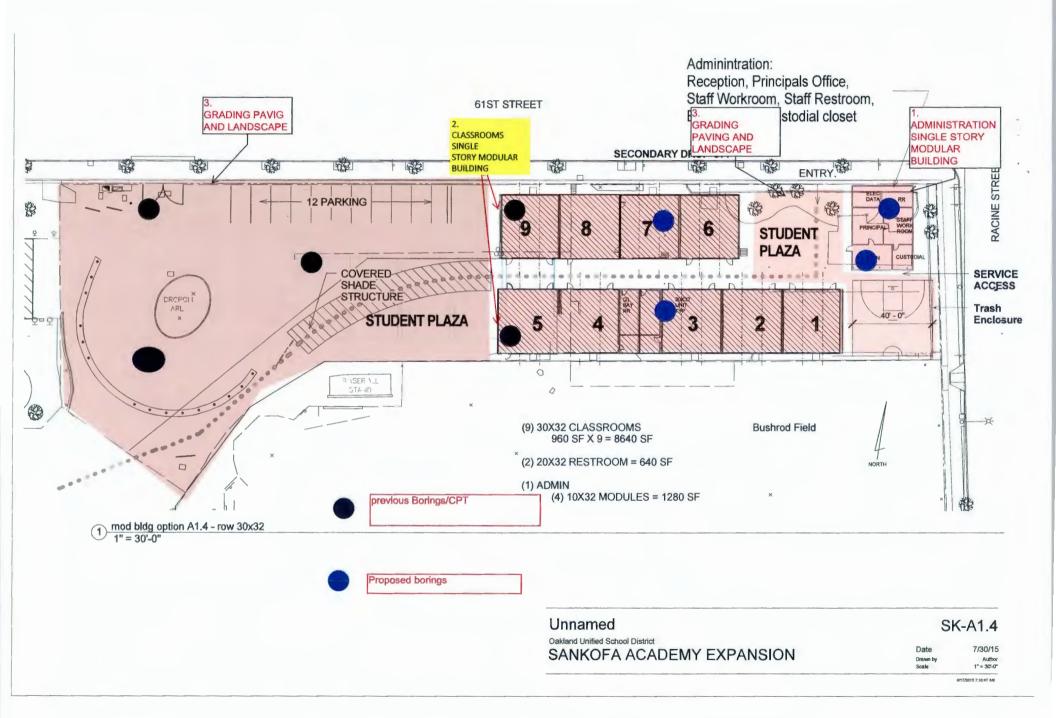

ENGEO Incorporated

EXCLUSION – ALL PROJECTS SUBJECT TO A WRAP-UP INSURANCE PROGRAM WITH LIMITED EXCEPTIONS FOR CERTAIN ONGOING OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

 The following exclusion is added to Paragraph 2., Exclusions, of SECTION I – COVERAGES – COVERAGE A BODILY INJURY AND PROP-ERTY DAMAGE LIABILITY:

Wrap-up Insurance Programs

"Bodily injury" or "property damage" arising out of any project that is or was subject to a "wrap-up insurance program".

This exclusion does not apply to "bodily injury" or "property damage" arising out of your ongoing operations that:

- (1) Are being performed at any location owned by, or rented to, you that is outside the project site for that project and is not covered by the "wrap-up insurance program" for that project; or
- (2) Are punch list or warranty work, if coverage was available to the insured under the "wrapup insurance program" for "bodily injury" and "property damage" arising out of your ongoing operations and the "bodily injury" or "property damage" occurs after the expiration of all such coverage.

The exceptions in this exclusion do not apply to "bodily injury" or "property damage" included in the "products-completed operations hazard" even if you are required to provide such coverage for an additional insured by a written contract or agreement.

The following is added to the **DEFINITIONS** Section:

"Wrap-up insurance program" means any agreement or arrangement, including any contractorcontrolled, owner-controlled or similar insurance program, under which:

- a. Some or all of the contractors working on a specific project, or specific projects, are required to enroll in a program to obtain insurance that:
 - (1) Includes the same or similar insurance as that provided by this Coverage Part; and
 - (2) Is issued specifically for injury or damage arising out of such project or projects; and
- b. You are or were enrolled or allowed to enroll.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – WRITTEN CONTRACTS (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

- c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III Limits Of Insurance.
- d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured ap-

plies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SEC-TION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and noncontributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

The following is added to SECTION IV – COM-MERCIAL GENERAL LIABILITY CONDITIONS: Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

COMMERCIAL GENERAL LIABILITY

- How, when and where the "occurrence" or offense took place;
- ii. The names and addresses of any injured persons and witnesses; and
- iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to

any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.

4. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- After the signing and execution of the contract or agreement by you;
- While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

OTHER INSURANCE - ADDITIONAL INSUREDS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), Paragraph 4. (Other Insurance), is amended as follows:

 The following is added to Paragraph a. Primary Insurance:

However, if you specifically agree in a written contract or written agreement that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with that other insurance, provided that:

 The "bodily injury" or "property damage" for which coverage is sought occurs; and b. The "personal injury" or "advertising injury" for which coverage is sought arises out of an offense committed

subsequent to the signing and execution of that contract or agreement by you.

- The first Subparagraph (2) of Paragraph b. Excess Insurance regarding any other primary insurance available to you is deleted.
- The following is added to Paragraph b. Excess Insurance, as an additional subparagraph under Subparagraph (1):

That is available to the insured when the insured is added as an additional insured under any other policy, including any umbrella or excess policy.

(2) The total of all deductible and self-insured amounts under that "other insurance".

We will share the remaining loss, if any, with any "other insurance" that is not described in this Excess Insurance provision.

c. Method Of Sharing

If all of the "other insurance" permits contribution by equal shares, we will follow this method also. Under this approach each provider of insurance contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the "other insurance" does not permit contribution by equal shares, we will contribute by limits. Under this method, the share of each provider of insurance is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all providers of insurance.

The following definition is added to SECTION V – DEFINITIONS:

"Other insurance":

- a. Means insurance, or the funding of losses, that is provided by, through or on behalf of:
 - (1) Another insurance company;
 - (2) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit section of Paragraph 5. of LIMITS OF INSURANCE (Section III) or the Non cumulation of Personal and Advertising Injury limit sections of Paragraph 4. of LIMITS OF INSURANCE (Section III) applies;
 - (3) Any risk retention group;
 - (4) Any self-insurance method or program, other than any funded by you and over which this Coverage Part applies; or
 - (5) Any similar risk transfer or risk management method.
- Does not include umbrella insurance, or excess insurance, that you bought specifically to apply in excess of the Limits of

Insurance shown on the Declarations of this Coverage Part.

R. UNINTENTIONAL OMISSION

The following is added to Paragraph 6. Representations of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy shall not prejudice your rights under this insurance.

 This Provision R. does not affect our right to collect additional premium or to exercise our right of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

S. WAIVER OF TRANSFER OF RIGHTS OF RE-COVERY AGAINST OTHERS TO US WHEN REQUIRED BY CONTRACT

The following is added to Paragraph 8. Transfer of Rights of Recovery Against Others to Us of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS:

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of:

- Premises owned by you, temporarily occupied by you with permission of the owner, or leased or rented to you;
- Ongoing operations performed by you, or on your behalf, under a contract or agreement with that person or organization;
- 3. "Your work"; or
- 4. "Your products".

We waive these rights only where you have agreed to do so as part of a "written contract requiring insurance" entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense or "advertising injury" offense is committed.

T. AMENDED BODILY INJURY DEFINITION

The following replaces the definition of "bodily injury" in the **DEFINITIONS** Section:

"Bodily injury" means bodily injury, mental anguish, mental injury, shock, fright, disability, humiliation, sickness or disease sustained by a per-

DESIGNATED PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

SCHEDULE

Designated Project(s):

EACH "PROJECT" FOR WHICH YOU HAVE AGREED, IN A WRITTEN CONTRACT WHICH IS IN EFFECT DURING THIS POLICY PERIOD, TO PROVIDE A SEPARATE GENERAL AGGREGATE LIMIT, PROVIDED THAT THE CONTRACT IS SIGNED AND EXECUTED BY YOU BEFORE THE "BODILY INJURY" OR "PROPERTY DAMAGE" OCCURS.

Designated Project General Aggregate(s): \$2,000,000

(SECTION I), and for all medical expenses caused by accidents under COVERAGE C (SECTION I), which can be attributed only to operations at a single designated "project" shown in the Schedule above:
 - A separate Designated Project General Aggregate Limit applies to each designated "project", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations, unless separate Designated Project General Aggregate(s) are scheduled above.
 - 2. The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under COVERAGE A., except damages because of "bodily injury" or "property damage" included in the "productscompleted operations hazard", and for medical expenses under COVERAGE C, regardless of the number of:

 - a. Damages under Coverage B; and
 - b. Damages from "occurrences" under COVERAGE A (SECTION I) and for all medical expenses caused by accidents under COVERAGE C (SECTION I) which cannot be attributed only to operations at a single designated "project" shown in the SCHEDULE above.
- D. When coverage for liability arising out of the "products-completed operations hazard" is pro-

- vided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.
- E. For the purposes of this endorsement the **Definitions Section** is amended by the addition of the following definition:
 - "Project" means an area away from premises owned by or rented to you at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad shall be considered a single "project".
- F. The provisions of SECTION III LIMITS OF INSURANCE not otherwise modified by this endorsement shall continue to apply as stipulated.

 The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COV-ERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

- The following replaces Paragraph b. in B.5., Other Insurance, of SECTION IV – BUSI-NESS AUTO CONDITIONS:
 - b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
 - (1) Any covered "auto" you lease, hire, rent or borrow; and
 - (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your

permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

 - (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COV-ERAGE – INDEMNITY BASIS

The following replaces Subparagraph (5) in Paragraph B.7., Policy Period, Coverage Territory, of SECTION IV – BUSINESS AUTO CONDITIONS:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

- (a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

 - (ii) Neither you nor any other involved "insured" will make any settlement without our consent.
 - (iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".
 - (iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph C., Limits Of Insurance, of SECTION II COVERED AUTOS LIABILITY COVERAGE.
 - (v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph C., Limits Of Insurance, of SECTION II COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.
- (b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.
- (c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

EXCLUSION – ALL PROJECTS SUBJECT TO A WRAP-UP INSURANCE PROGRAM WITH LIMITED EXCEPTIONS FOR CERTAIN ONGOING OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

 The following exclusion is added to Paragraph 2., Exclusions, of SECTION I – COVERAGES – COVERAGE A BODILY INJURY AND PROP-ERTY DAMAGE LIABILITY:

Wrap-up Insurance Programs

"Bodily injury" or "property damage" arising out of any project that is or was subject to a "wrap-up insurance program".

This exclusion does not apply to "bodily injury" or "property damage" arising out of your ongoing operations that:

- (1) Are being performed at any location owned by, or rented to, you that is outside the project site for that project and is not covered by the "wrap-up insurance program" for that project; or
- (2) Are punch list or warranty work, if coverage was available to the insured under the "wrapup insurance program" for "bodily injury" and "property damage" arising out of your ongoing operations and the "bodily injury" or "property damage" occurs after the expiration of all such coverage.

The exceptions in this exclusion do not apply to "bodily injury" or "property damage" included in the "products-completed operations hazard" even if you are required to provide such coverage for an additional insured by a written contract or agreement.

The following is added to the **DEFINITIONS** Section:

"Wrap-up insurance program" means any agreement or arrangement, including any contractorcontrolled, owner-controlled or similar insurance program, under which:

- a. Some or all of the contractors working on a specific project, or specific projects, are required to enroll in a program to obtain insurance that:
 - Includes the same or similar insurance as that provided by this Coverage Part; and
 - (2) Is issued specifically for injury or damage arising out of such project or projects; and
- b. You are or were enrolled or allowed to enroll.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – WRITTEN CONTRACTS (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

- Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

- c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section III Limits Of Insurance.
- d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.
- e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "productscompleted operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured ap-

plies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

The following is added to Paragraph 4.a. of SEC-TION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and noncontributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

The following is added to SECTION IV – COM-MERCIAL GENERAL LIABILITY CONDITIONS:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

COMMERCIAL GENERAL LIABILITY

- How, when and where the "occurrence" or offense took place;
- The names and addresses of any injured persons and witnesses; and
- iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - Immediately record the specifics of the claim or "suit" and the date received; and
 - ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to

any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.

4. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- After the signing and execution of the contract or agreement by you;
- **b.** While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

OTHER INSURANCE - ADDITIONAL INSUREDS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV), Paragraph 4. (Other Insurance), is amended as follows:

 The following is added to Paragraph a. Primary Insurance:

However, if you specifically agree in a written contract or written agreement that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with that other insurance, provided that:

 The "bodily injury" or "property damage" for which coverage is sought occurs; and b. The "personal injury" or "advertising injury" for which coverage is sought arises out of an offense committed

subsequent to the signing and execution of that contract or agreement by you.

- The first Subparagraph (2) of Paragraph b. Excess Insurance regarding any other primary insurance available to you is deleted.
- The following is added to Paragraph b. Excess Insurance, as an additional subparagraph under Subparagraph (1):

That is available to the insured when the insured is added as an additional insured under any other policy, including any umbrella or excess policy.

(2) The total of all deductible and self-insured amounts under that "other insurance".

We will share the remaining loss, if any, with any "other insurance" that is not described in this Excess Insurance provision.

c. Method Of Sharing

If all of the "other insurance" permits contribution by equal shares, we will follow this method also. Under this approach each provider of insurance contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the "other insurance" does not permit contribution by equal shares, we will contribute by limits. Under this method, the share of each provider of insurance is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all providers of insurance.

The following definition is added to SECTION V – DEFINITIONS:

"Other insurance":

- a. Means insurance, or the funding of losses, that is provided by, through or on behalf of:
 - (1) Another insurance company;
 - (2) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit section of Paragraph 5. of LIMITS OF INSURANCE (Section III) or the Non cumulation of Personal and Advertising Injury limit sections of Paragraph 4. of LIMITS OF INSURANCE (Section III) applies;
 - (3) Any risk retention group;
 - (4) Any self-insurance method or program, other than any funded by you and over which this Coverage Part applies; or
 - (5) Any similar risk transfer or risk management method.
- Does not include umbrella insurance, or excess insurance, that you bought specifically to apply in excess of the Limits of

Insurance shown on the Declarations of this Coverage Part.

R. UNINTENTIONAL OMISSION

The following is added to Paragraph 6. Representations of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy shall not prejudice your rights under this insurance.

This Provision R. does not affect our right to collect additional premium or to exercise our right of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

S. WAIVER OF TRANSFER OF RIGHTS OF RE-COVERY AGAINST OTHERS TO US WHEN REQUIRED BY CONTRACT

The following is added to Paragraph 8. Transfer of Rights of Recovery Against Others to Us of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS:

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of:

- Premises owned by you, temporarily occupied by you with permission of the owner, or leased or rented to you;
- Ongoing operations performed by you, or on your behalf, under a contract or agreement with that person or organization;
- 3. "Your work"; or
- 4. "Your products".

We waive these rights only where you have agreed to do so as part of a "written contract requiring insurance" entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense or "advertising injury" offense is committed.

T. AMENDED BODILY INJURY DEFINITION

The following replaces the definition of "bodily injury" in the **DEFINITIONS** Section:

"Bodily injury" means bodily injury, mental anguish, mental injury, shock, fright, disability, humiliation, sickness or disease sustained by a per-

The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under COVERAGE A., except damages because of "bodily injury" or "property damage" included in the "productscompleted operations hazard", and for medical expenses under COVERAGE C, regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".

- 3. Any payments made under COVERAGE A. for damages or under COVERAGE C. for medical expenses shall reduce the Designated Project General Aggregate Limit for that designated "project". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Project General Aggregate Limit for any other designated "project" shown in the Schedule above.
- 4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Project General Aggregate Limit.
- B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under COVERAGE A. (SECTION I), and for all medical expenses caused by accidents under COVERAGE C. (SECTION I), which cannot be attributed only to operations at a single designated "project" shown in the Schedule above:

- Any payments made under COVERAGE A. for damages or under COVERAGE C. for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
- Such payments shall not reduce any Designated Project General Aggregate Limit.
- C. Part 2. of SECTION III LIMITS OF INSURANCE is deleted and replaced by the following:
 - 2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Damages under Coverage B; and
 - b. Damages from "occurrences" under COVERAGE A (SECTION I) and for all medical expenses caused by accidents under COVERAGE C (SECTION I) which cannot be attributed only to operations at a single designated "project" shown in the SCHEDULE above.
- D. When coverage for liability arising out of the "products-completed operations hazard" is pro-

- vided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.
- E. For the purposes of this endorsement the **Definitions Section** is amended by the addition of the following definition:
 - "Project" means an area away from premises owned by or rented to you at which you are performing operations pursuant to a contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad shall be considered a single "project".
- F. The provisions of SECTION III LIMITS OF INSURANCE not otherwise modified by this endorsement shall continue to apply as stipulated.
