How will this grant contribute to sustained student achievement or academic standards?	The After School to Teacher Pipeline project will work to address the teacher shortage that Oakland Unified has experienced for many years. By working with our after school partners to create a career ladder for after school staff, we will increase the number of locally qualified teachers, leading to reduced turnover and increased teaching quality for Oakland youth.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.46% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	Evaluation will focus on the number of new teachers entering the teaching profession from the after school community. We will identify which strategies and practices worked best to increase staff readiness to enter the teaching profession.
Does the grant require any resources from the school(s) or district? If so, describe.	District staff time to support coordination and implementation of the grant.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 5.46% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	No. Indirect is not included in the grant application.
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	N/A
Who is the contact managing and assuring grant compliance? (Include contact's name, address, phone number, email address.) While minor changes in plan are expected, if your organization wishes to modify these fundamental intentions of the project, you must seek prior written approval of the Walter and Elise Haas Fund.

Purpose: Oakland After School to Teacher Pipeline

Steps you will take to achieve your results:

- Recruit 10 participants and pilot the model in Spring and Summer 2016
- Evaluate the effectiveness of the model and revise for future replication

What will change as a result of your project:

1. **Use of Funds.** Grantee shall use the grant funds only for the purposes of the specific project described in the attached award letter. Grantee shall repay to the Fund any portion of the grant funds which is not spent or committed for these purposes. Any significant changes in the purposes for which grant funds are spent must be approved in writing by the Fund before the funds are spent. Prior permission from the Fund is required for budget revisions of 10% or more for line items over \$1,000.

Reports are due to the Fund at the conclusion of the grant period. The Fund may also request additional reports at its discretion.
3. **Financial Recordkeeping.** Grantee shall maintain books to show or track the grant funds separately. All expenditures made in furtherance of the purposes of the grant shall be charged off against the grant and shall appear on Grantee's books. Grantee shall keep adequate records to substantiate its expenditures of grant funds. Grantee shall make these books and records available to the Fund at reasonable times for review and audit, and shall comply with all reasonable requests of the Fund for information and interviews regarding use of grant funds. Grantee shall keep copies of all relevant books and records and all reports to the Fund for at least four years after completion of the use of the grant funds.
4. **Sub-grantees.** Grantee shall retain full discretion and control over the selection of any sub-grantees to carry out the purposes of this grant and shall act completely independently of the Fund. The Fund and grantee acknowledge that there is no agreement, written or oral, by which the Fund may cause grantee to choose any particular sub-grantee.  - b. To influence the outcome of any specific election for candidates to public office, or to carry on, directly or indirectly, a voter registration drive within the meaning of IRC Section 4945(d)(2), as interpreted by its accompanying regulations;

¹ A number of organizations provide excellent advice and guidance on eligibility of non-profit advocacy efforts and other issues related to non-profit tax-exempt status. One of these, the Center for Lobbying in the Public Interest (www.clpi.org) has recently gotten important clarification from the IRS on lobbying and related activities; the IRS letter is posted on CLPI's web site.

- c. To undertake an activity for any purpose other than a religious, charitable, scientific, literary, educational, or other purpose specified in IRC Section 170(c)(2)(b); or
 - d. To induce or encourage violations of law or public policy, to cause any private inurement or improper private benefit to occur, or to take any other action inconsistent with IRC Section 501(c)(3).
6. **Representation and Warranty Regarding Tax Status.** By entering into this Agreement, grantee represents and warrants that grantee is exempt from federal income tax under IRC Section 501(c)(3) and that it is not a private foundation as defined in IRC Section 509(a). Such representation and warranty shall continue through the completion date of this grant.
 7. **Notice.** Grantee shall give the Fund immediate written notice of any change in Grantee's tax-exempt or public charity status. Grantee shall also give the Fund immediate written notice of any change in Grantee's executive staff, key staff responsible for achieving the grant purposes, or members of its governing body.
 8. **Publications; License.** Any information contained in publications, studies, or research funded by this grant shall be made available to the public following such reasonable requirements or procedures as the Fund may establish from time to time. Grantee gives to the Fund an irrevocable, nonexclusive license to publish any publications, studies, or research funded by this grant at its sole discretion.
 9. **No Agency.** Grantee is solely responsible for all activities supported by the grant funds, the content of any product created with the grant funds, and the manner in which any such product may be disseminated. The grant award letter shall not create any agency relationship, partnership, or joint venture between the parties, and grantee shall make no such representation to anyone.
 10. **Further Assurances.** Grantee acknowledges that it understands its obligations imposed by this grant award letter, including but not limited to those obligations imposed by reference to the IRC. Grantee agrees that if grantee has any doubts about its obligations under this contract, including those incorporated by reference to the IRC, grantee will promptly contact the Fund or legal counsel.
 11. **No Pledge.** Neither this contract nor any other statement, oral or written, nor the making of any combination or grant to Grantee, shall be interpreted to create any pledge or any commitment by Fund or by any related person or entity to make any other grant or contribution to Grantee or any other entity for this or any other project. The Grant contemplated by this agreement shall be a separate and independent transaction from any other transaction between the Fund and Grantee or any other entity.
 12. **Indemnification.** Grantee irrevocably and unconditionally agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Fund, its officers, directors, employees, and agents, from and against any and all claims, liabilities, losses, and expenses (including reasonable attorneys' fees) directly, indirectly, wholly, or partially arising from or in connection with any act or omission of Grantee, its employees, or agents, in applying for or accepting the Grant, in expending or applying the grant funds or in carrying out any

project or program to be supported by the Grant, except to the extent that such claims, liabilities, losses, or expenses arise from or in connection with any act or omission of the Fund, its officers, directors, employees or agents.

13. **Remedies.** If the Fund determines, in its sole discretion, that grantee has substantially violated or failed to carry out any provision of this contract, including but not limited to failure to submit reports when due, the Fund may, in addition to any other legal remedies it may have, refuse to make any further grant payments to grantee under this or any other grant agreement, and the Fund may demand the return of all or part of the unexpended grant funds, which grantee shall immediately repay to the Fund. The Fund may also avail itself of any other remedies available by law.
14. **Entire Agreement.** The award letter and accompanying documents supersede any prior or contemporaneous oral or written understandings or communications between the parties and constitutes the entire agreement of the parties with respect to its subject matter. This agreement may not be amended or modified, except in writing signed by both parties.
15. **Governing Law.** This Agreement shall be governed by the laws of the State of California applicable to contracts to be performed entirely within the State.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
