## **Oakland USD Central Commissary**

EXHIBIT A

### **Project Understanding**

We understand that the project will consist of the construction of a new 43,245 Square Foot one-story Central Commissary Building including a central kitchen, administration offices and education center. New site work will include a 1-acre instructional urban farm with agricultural support buildings, 42 stall staff parking lot, 31,000 square foot truck loading apron and perimeter landscaping. The site has extensive development on it consisting of an existing 2-story school building complex as well as existing Asphalt Play yard and grass play yard. In addition, there are extensive existing utilities across the site. It is our understanding that environmental remediation of the site will also be performed as there is existing contamination on site that is being cleaned up.

### **Geotechnical Constraints**

Based on our review of the existing geotechnical report, we understand that the site has the following geotechnical issues:

- Due to the extensive existing improvements, loose fills will be generated during the demolition activities. These fills will need to be monitored and mitigated during the regrading process.
- The previous geotechnical consultant identified highly expansive clay soils on the site recommended mitigation through the use of non-expansive fill to a depth of 4-feet below the footings, but only in the footing area. We suggest that further evaluation of this recommendation is warranted due to constructability and cost issues as well as unmitigated soils being present under the lightly loaded floor slabs.

The structure will be founded on spread footings bearing in native soils or engineered fill.

### **Scope of Work**

#### **GEOTECHNICAL ENGINEERING AND TESTING SERVICES**

We have reviewed the project plans and specifications as well as the DSA form 103 for this project. Based on our understanding, we anticipate significant grading and earthwork will occur for this project. In addition, significant foundation construction will occur in connection with the planned building structure. We are proposing to take over as the Geotechnical Engineer of Record in accordance with DSA guidelines and requirements. Our services during construction will be provided by a combination of technicians, staff engineers and senior engineers. The laboratory services will be provided out of our local Oakland based lab.

#### **Earthwork Observation and Testing**

Field density testing will be performed by an engineering technician certified in the use of a nuclear gauge. The tests will be presented in accordance with ASTM D6938 and ASTM D1557. Our field testing will include performing of the following:

- Wet Density of soil/aggregate
- Moisture content of soil/aggregate
- Dry Density of soil/aggregate
- Percent Compaction as referenced to appropriate lab reference maximum density compaction test

General observations regarding the type of compaction equipment or earthwork observation will be contained in our field reports, however this is intended for informational purposes only and they do not constitute final engineering opinions. The summary documents as well as any supplemental letters reviewed and signed by our registered engineer

#### **FOUNDATION OBSERVATION SERVICES**

Foundation observation is expected to consist of geotechnical observations of footing excavations of the new elevator structures and site retaining walls only to assess whether the actual foundation supporting materials are consistent with the materials encountered in the geotechnical field investigation, and as such are capable of providing the supporting pressures assumed for the building design.

#### **GEOTECHNICAL ENGINEER OF RECORD**

Our estimate is based on CEL assuming the role of project Geotechnical Engineer of Record (GEOR). As part of this process, we will review the project plans as well as the original geotechnical investigation and provide the needed DSA transfer documentation (form DSA-109), pending agreement with previous geotechnical recommendations.

As GEOR, engineering tasks to be performed include field report quality control and regular submittals of Daily Field Reports (DFRs) per DSA regulations. CEL will also provide applicable submittal reviews, responses to RFIs, geotechnical field and office consultations, and as-needed supplemental geotechnical engineering typically provided by the GEOR. A final grading letter report, as well as DSA Closeout Form DSA-293 will be prepared and submitted to the client at the completion of construction.

## THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

### Commercial General Liability Coverage Part

The following changes apply to this Coverage Part. However, endorsements attached to this Coverage Part will supersede any provisions to the contrary in this General Liability Supplemental Coverage Endorsement.

#### A. Broadened Named Insured

1. The following is added to Section II – **Who Is An Insured**:

Any organization of yours, other than a partnership or joint venture, which is not shown in the Declarations, and over which you maintain an ownership interest of more than 50% of such organization as of the effective date of this Coverage Part, will qualify as a Named Insured. However, such organization will not qualify as a Named Insured under this provision if it:

- a. Is newly acquired or formed during the policy period;
- b. Is also an insured under another policy, other than a policy written to apply specifically in excess of this Coverage Part; or
- c. Would be an insured under another policy but for its termination or the exhaustion of its limits of insurance.

Each such organization remains qualified as a Named Insured only while you maintain an ownership interest of more than 50% in the organization during the policy period.

2. The last paragraph of Section II – **Who Is An Insured** does not apply to this provision to the extent that such paragraph would conflict with this provision.

#### B. Newly Acquired or Formed Organizations as Named Insureds

1. Paragraph 3. of Section II – **Who Is An Insured** is replaced by the following:

3. Any organization you newly acquire or form during the policy period, other than a partnership or joint venture, and over which you maintain an ownership interest of more than 50% of such organization, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

- a. Coverage under this provision is afforded only until the 180<sup>th</sup> day after you acquire or form the organization or the end of the policy period, whichever is earlier;
- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

An additional premium will apply in accordance with our rules and rates in effect on the date you acquired or formed the organization.

2. The last paragraph of Section II – Who Is An Insured does not apply to this provision to the extent that such paragraph would conflict with this provision.

**C. Insured Status – Employees**

Paragraph 2.a.(1) of Section II – **Who Is An Insured** is replaced by the following:

2. Each of the following is also an insured:

- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1)(a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services.

However:

Paragraphs (1)(a) and (1)(d) do not apply to your "employees" or "volunteer workers", who are not employed by you or volunteering for you as health care professionals, for "bodily injury" arising out of "Good Samaritan Acts" while the "employee" or "volunteer worker" is performing duties related to the conduct of your business.

"Good Samaritan Acts" mean any assistance of a medical nature rendered or provided in an emergency situation for which no remuneration is demanded or received.

Paragraphs (1)(a), (b) and (c) do not apply to any "employee" designated as a supervisor or higher in rank, with respect to "bodily injury" to co-"employees". As used in this provision, "employees" designated as a supervisor or higher in rank means only "employees" who are authorized by you to exercise direct or indirect supervision or control over "employees" or "volunteer workers" and the manner in which work is performed.

**D. Additional Insureds – Lessees of Premises**

1. Section II – **Who Is An Insured** is amended to include as an additional insured any person(s) or organization(s) who leases or rents a part of the premises you own or manage who you are required to add as an additional insured on this policy under a written contract or written agreement, but only with respect to liability arising out of your ownership, maintenance or repair of that part of the premises which is not reserved for the exclusive use or occupancy of such person or organization or any other tenant or lessee.

This provision does not apply after the person or organization ceases to lease or rent premises from you.

However, the insurance afforded to such additional insured:

- a. Only applies to the extent permitted by law; and
  - b. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.
2. With respect to the insurance afforded to the additional insureds under this endorsement, the following is added to Section III – **Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

- a. Required by the written contract or written agreement referenced in Subparagraph D.1. above (of this endorsement); or
- b. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This Paragraph D. shall not increase the applicable Limits of Insurance shown in the Declarations.

#### **E. Additional Insured – Vendors**

Section II – **Who Is An Insured** is amended to include as an additional insured any person or organization (referred to throughout this Paragraph E. as vendor) who you have agreed in a written contract or written agreement, prior to loss, to name as an additional insured, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business:

However, the insurance afforded to such vendor:

2. With respect to the insurance afforded to these vendors, the following additional exclusions apply:
    - a. The insurance afforded the vendor does not apply to:

      - (3) Any physical or chemical change in the product made intentionally by the vendor;
      - (4) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

      - (6) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;
      - (7) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
      - (8) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
        - (a) The exceptions contained in Subparagraphs (4) or (6); or
        - (b) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.
    - b. This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

However, the insurance afforded to such additional insured:

- a. Only applies to the extent permitted by law; and
- b. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured.

2. This provision does not apply:

- a. Unless the written contract or written agreement has been executed, or the permit has been issued, prior to the "bodily injury", "property damage" or offense that caused "personal and advertising injury";
- b. To any person or organization included as an insured under Paragraph 3. of Section II – Who Is An Insured;

- (1) The additional insured is a Named Insured under such other insurance; and
- (2) You are required by written contract or written agreement that this insurance be primary and not seek contribution from any other insurance available to the additional insured.

Other insurance includes any type of self insurance or other mechanism by which an insured arranges for funding of its legal liabilities.

At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.
- b. If the insured waives its right to recover payments for injury or damage from another person or organization in a written contract executed prior to a loss, we waive any right of recovery we may have against such person or organization because of any payment we have made under this Coverage Part. The written contract will be considered executed when the insured's performance begins, or when it is signed, whichever happens first. This waiver of rights shall not be construed to be a waiver with respect to any other operations in which the insured has no contractual interest.

If a covered "auto" is stolen and recovered, we will pay the cost of transport to return the "auto" to you. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.
