Background:
(A one paragraph explanation of why the consultant's services are needed.)

Manzanita SEED has been experiencing an increasing exodus of African American families over the last few years and we have put together a Black Family Engagement (BFE) Group to help examine the reasoning behind this. While undertaking this process, more incidents of racial slurs and racially motivated insults have been surfacing for African American students as well as other racial and ethnic minority groups at the school.

The National Equity Project (NEP) has a history of working with schools toward Promoting Racial Equity in Family Engagement through community initiatives, coaching and technical assistance. According to their Collective Action for Equity document they; "Build effective and mutually respectful relationships across role, power and identity; Apply principals of healthy adaptive systems and adaptive leadership resulting in shared ownership and implementation; Surface and address issues of institutional and structural racism; Construct a racial equity change theory that moves teams from intention to action; and Align community and institutional contributions for sustainable change. Manzanita SEED is proposing to work with NEP to use their Guiding Principles for Promoting Racial Equality in Family Engagement to apply a Racial Equity Lens to the Peace March, which will be taking place at SEED on May 5, 2016. In addition to this event, Manzanita SEED would like to have NEP facilitate a school-wide engagement event with parents. We see these as a Tier 1 strategy, which will, in addition to other efforts, help build a positive school climate. This event would help us begin to deal with some of the issues that have been arising at the campus with racial slurs and other racially motivated insults that teachers, staff and parents have been reporting.

EXHIBIT "A" SCOPE OF WORK

[IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES MAY BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

- 1. Description of Services to be Provided:** Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

The National Equity Project (NEP) has a history of working with schools toward Promoting Racial Equity in Family Engagement through community initiatives, coaching and technical assistance. According to their Collective Action for Equity document they; "Build effective and mutually respectful relationships across role, power and identity; Apply principals of healthy adaptive systems and adaptive leadership resulting in shared ownership and implementation; Surface and address issues of institutional and structural racism; Construct a racial equity change theory that moves teams from intention to action; and Align community and institutional contributions for sustainable change. Manzanita SEED is proposing to work with NEP to use their Guiding Principles for Promoting Racial Equality in Family Engagement to apply a Racial Equity Lens to the Peace March, which will be taking place at SEED on May 5, 2016. In addition to this event, Manzanita SEED would like to have NEP facilitate a school-wide engagement event with parents. We see these as a Tier 1 strategy, which will, in addition to other efforts, help build a positive school climate. This event would help us begin to deal with some of the issues that have been arising at the campus with racial slurs and other racially motivated insults that teachers, staff and parents have been reporting.

- 2. Specific Outcomes:** What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

The main outcome for working with NEP is to continue to target the priorities from the SEED Strategic plan. This work will serve to enhance Priority area 2, Culture, Character & Service Learning, by helping to build a positive school culture and climate. We will be focusing on character development around empathy and cultural engagement. Additionally, we will focus on Priority Area 3, Culturally Responsive Parent Engagement, by holding a Family Engagement Event that will begin a structured dialogue on race and equity at Manzanita SEED. This practice is named in the strategic plan under the African American Student, Targeted LCAP Student Group. This will also ensure that parents are aware of efforts at the school to improve school culture and climate as well as having a voice in what and how this happens at the school. In this way, SEED continues to increase our partnership with families in their children's educational achievement both academically and in their social Emotional Learning. We want help in examining how issues of race are affecting school climate and culture and ultimately affecting kids' ability to learn. NEP's work with SEED will help us to develop the safe learning environment that is conducive to learning for all students.
