Dear Claudio,

As you know, WestEd is a research, development, and service agency that works with education and other communities to promote excellence, achieve equity, and improve learning for children, youth, and adults. WestEd works in a variety of domains, one of which is Science, Technology, Engineering and Mathematics (STEM). Within the STEM unit, the K-12 Alliance serves as a statewide professional development organization to improve science teaching and learning, K-12.

The California MSP addresses the K-12 Alliance mandate to 1) provide standards-based professional development that is comprehensive and impacts school-and-district-wide change; 2) support the translation of the CA NGSS vision into local practice and promote regional professional development programs that address teacher science content knowledge, pedagogical skills (includes the use of technology and integration of literacy skills to enhance student learning), and leadership abilities; 3) assess program effectiveness and student achievement; and, 4) to engage stakeholders as an integral part of the ongoing improvement of schools and student success.

The K-12 Alliance and its original programs have been recognized nationally as exemplary professional development programs by the National Staff Development Council (now Learning Forward) in *Results Based Professional Development Programs for Middle Grades*, by the Eisenhower Clearing House in *Ideas that Work: Science Professional Development* (Eisenhower Clearing House), and in *Designing Professional development for Teachers of Science and Mathematics* (Loucks Horsley, et al. 2003). The K-12 Alliance has been a partner in 20 California Math and Science Partnerships and 7 California Post Secondary Education Commission Grants. Evaluation data from these projects indicates increased teacher content knowledge and pedagogical skills, resulting in increases in student achievement on the 5th and 8th grade CSTs in science.

We look forward to our work with Oakland's MSP.

Sincerely

A handwritten signature in black ink, appearing to read "Kathy DiRanna".
