**From** Vernon Hal, Senior Business Officer

**Board Meeting Date** June 8, 2016

**Subject** **Amendment-II to Agreement For Construction Management with Seville Group Db a SGI Construction Management**

**Action Requested** **Approval of Amendment-II to Agreement For Construction Management with SGI Construction Management**

**Background and Discussion**

By Enactment Number 13-1569 approved on August 13, 2013, the Board approved the agreement for professional services with SGI to provide program management services for Measure B and J capital projects. The term of the Agreement was August 14, 2013 through December 31, 2015. By Enactment 15-1809 on November 18, 2015, the Board amended the Agreement to extend the term from January 1, 2016 to December 31, 2016, noting that the "District shall issue an RFP for construction management services no later than December 18, 2015, with an award of contract no later than March 1, 2016. If necessary, the District and SGI will jointly develop a Transition Plan to be implemented between March 1, 2016 and November 1, 2016."

To avoid delays in the preparing for 2016 summer projects and ongoing capital projects (e.g., Central Kitchen, Glenview, Fremont, Whittier, Madison Park, new Administration Center and Dewey), based on the funds draw down history, the existing contract must be amended to add an additional \$2.1 million dollars to fund the contract through December 31, 2016. In the event the funds are not needed, no purchase orders will be issued.

**Recommendation** **Approval of Amendment-II to Agreement For Construction Management with SGI Construction Management**

**Fiscal Impact** \$2.1 Million – Measure J

Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning.
