Was this contract competitively bid? Yes ☐ No ☒

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

Memorandum of Understanding 2016-2017
Between Oakland Unified School District and
Alternatives in Action

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Alternatives in Action ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 351/McClymonds High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for Alternatives in Action is \$231,511.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2016-2017**).
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$231,511.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.
- 4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.
5. **Scope of Work.** AGENCY will serve as lead agency at 351/McClymonds High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family

Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2016-2017. This shall include the following required activities:

The Parent Coordinator, employed by Alternatives in Action, will work to increase family and student engagement by providing educational workshops and family activities. <p>SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule In order to remain in compliance and meet minimum funding requirements, high school programs are required to operate a minimum of 15 hours per week. This can consist of before and after school programming, as well as weekend, intercession, and summer programming.</p> <p><i>* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. <p>Minimum Days Minimum days can have a significant impact on the after school staffing and budget if programs provide increased hours of service due to early dismissal times. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.</p>	
Projected Number of Minimum Days for School Year 2016-2017	48 (includes all normally scheduled Wednesday minimum days + other non-Wednesday minimum days)

2. Submit a copy of the school bell schedule for the 2016-17 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Please make sure program schedule clearly shows when the following program requirements will take place:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th – 12th grade students taking credit recovery

For Alternative Ed high schools:

- College and career readiness activities

SECTION 6: Transitions Support

Schools have students transitioning in and out over the course of the school year. This includes incoming 9th graders, students who are transitioning mid-year from other schools or the juvenile justice system; as well as graduating students.

How will your program collaborate with the school day to support students who are transitioning into the school?

Alternatives In Action staff will provide a brief orientation through their Executive Team (E-Team) of youth leaders to help ensure proper transition. Additionally, our Academic Coordinator would meet for a brief one-on-one to assess their academic skills. Finally, our Community Programs Manager will assess student interests through enrollment packet, and arrange for enrollment in courses that meet

the needs of the student. These services will collaborate with the school orientation by student leadership. Our Academic Liaison also pushes into the school day to offer support services to students in need.

SECTION 7: Academics

Your site should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 8: CAREER-RELATED ACADEMIC ENRICHMENT, College Preparation and WORK-BASED LEARNING Career-related enrichment activities and physical activity/recreation are required components of the ASES and 21 st Century grants. Enrichment activities should provide students with the opportunity to learn and practice technical skills, employability skills and career planning skills. Technical skills are job related and technical skills and knowledge related to anticipate labor market conditions. Employability skills are behaviors, attitudes and habits of the mind that have been referred to as 'soft skills'. Career planning skills are skills and competencies that can be used for lifelong learning, career management, and negotiating transitions throughout a working lifetime. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life.

SECTION 9: ENRICHMENT: Leadership, Social and Emotional Learning, Financial Literacy, Technology, Arts, and Health, Wellness and Fitness. After school programs should provide structured opportunities for youth to engage in enrichment activities that may not be included in the school day such as leadership, social and emotional learning, financial literacy, Technology/Computer Science, Arts, and Health and Wellness. These opportunities not only engage students but provide skills to support them to become "community ready". This includes preparing students with the skills they need in order to actively participate in a civil society in the digital age.

SECTION 10: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21st Century Family Literacy budget plan.*

Type of Activity and Frequency	SPSA goal(s) or school need supported by activity	Describe how this activity is connected to student achievement	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Workshops (2-4 times per month)	Family Engagement Literacy Pathways	Educational workshops improve parent understanding and involvement (A-G req's, IEP's, College Admissions, Parenting Classes, etc.)	Parent participation Resource tracker Parent evaluation	All

Parent and Family Events	Family Engagement	Parent focus groups and family events/giveaways	Parent participation Resource tracker Parent evaluation	Family Engagement
Exercise Activities	Family Engagement	Line dancing and fitness classes	Parent participation Parent evaluation	Family Engagement
FAMILY LIAISON: <i>Describe the anticipated duties of the Family Liaison in your program. Also identify what supports your school site will provide the Family Liaison, including training and materials.</i>				

The anticipated duties of the Family Liaison are to conduct workshops and trainings specific to the needs of the parents, and in alignment with the school day. They will also provide resources to families based upon need. Health and Wellness focus groups will be held and supported by a mental health clinician. Parent and family events (i.e., Parent night, movie night, student performances, exercise sessions, community giveaways, etc.) will be hosted by the parent coordinator as well.

SECTION 11: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key QUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance		Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.		COST Referrals
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.		Phone calls and home visits to curb attendance problems and home visits
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.		Phone calls and parent meetings (SST's, Attendance contract, etc.)

d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Provide incentive programs and phone calls to parents to reiterate importance of good attendance
SECTION 12: Transforming School Culture and Climate After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, safe, and supportive places for all students to stay engaged, be successful, and thrive.	
a) The following are strategies that OUSD schools are taking to change discipline and transform school culture and climate. Which of the following school strategies will your after school program work to intentionally align with, in order to support positive school culture and climate?	
<input checked="" type="checkbox"/> PBIS (Positive Behavioral Interventions and Support) <input checked="" type="checkbox"/> Restorative Justice <input checked="" type="checkbox"/> Social and Emotional Learning <input checked="" type="checkbox"/> Bullying Prevention: including online safety and creating climate of safety for all youth including foster youth, homeless, LGBTQ, disabilities, etc Other: (please specify) _____	
b) How will the school and lead agency partner work together to ensure that the after school program is aligned with these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.) By pushing into the school day to offer support and gain information about key students; shared professional development; Participation on the instructional leadership team; COST facilitation; Close connection with VP and Culture and Climate Committee.	
c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.): Gender specific enrichment programming (Re: mentorship program) and partnerships with black male organizations and professionals.	
d) Please mark other strategies your after school program and school site are using to support all students and address disproportionality:	

<p> <input type="checkbox"/> Using Restorative practice to address disproportionality related to discipline <input checked="" type="checkbox"/> Trauma informed practices <input checked="" type="checkbox"/> Using PBIS to address discipline </p>	<p>SECTION 13: Social and Emotional Learning (SEL) Developing SEL skills in students and in the adults who work in the Oakland school system is a key priority for OUSD. 2016-17 After School Enrollment Policy for

School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Freshman and Sophomore Students	Academic achievement is directly related to involvement in supportive academic and cultural enrichment programs	Mandatory
Junior and Senior Students	Additional support, including tutoring and credit recovery assist in academic achievement	Optional
Parents and Families	When parents and families are involved in school activities, there is an increase in student achievement	Mandatory and Optional

Which grade levels will you serve in this program? Freshman and Sophomores

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept any student that desires program services.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.

- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2016.

Addendum for 21st Century Community Learning Center Grantees Only

Equitable Access: (must be completed by all programs that receive 21st Century Equitable Access funding)

Some 21st Century programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21st Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. Your plans must align with your Equitable Access budget.

Because over 90% of McClymonds student population is African American, we plan to focus our efforts to ensure equitable access to our program on this population of students and families.

Our parent liaison, community schools manager, and project group coaches will collaborate to employ targeted outreach strategies with these families in order to ensure they remain informed, included, and involved in all aspects of after school programming at McClymonds. The program coordinator will ensure recruitment and retention of these students in both academic and enrichment classes in the after school program.

Additionally, the community school manager, project group coaches, and after school coordinator will plan and implement a targeted intervention designed to offer additional academic supports and small group tutoring to struggling students who are predominantly students of color. While these students' families would normally have to pay for private tutoring in order to receive such services, we will offer these services for free at the school site so these students are allowed equitable access to the benefits of increased exposure to academic content in a supportive and more individualized setting

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.
