ENVIRONMENTAL TOBACCO SMOKE ACT

As required by the Pro-Children Act of 1994, (also known as Environmental Tobacco Smoke), and implemented at Public Law 103-277, Part C requires that:

The applicant certifies that smoking is not permitted in any portion of any indoor facility owned or leased or contracted and used routinely or regularly for the provision of health care services, day care, and education to children under the age of 18. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day. (The law does not apply to children's services provided in private residence, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for in-patient drug and alcohol treatment.)

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.
