Background:
(A one paragraph explanation of why the consultant's services are needed.)

The OUSD After School Programs Office will utilize the grantwriting services of HTA in order to try to secure five years of 21st Century Community Learning Center ASSETS after school grant funding for OUSD high schools who would otherwise be unfunded beginning in the 2016-17 academic year. HTA has a proven track record of successfully securing 21st Century grant funding on behalf of OUSD schools. The 21st Century grant application process is a highly competitive one and only a small fraction of applicants get funded. In light of the immense need to have comprehensive after school academic and enrichment programming at all OUSD high schools, contracting for grantwriting services is a necessary investment that should help ensure OUSD's success in securing 21st Century ASSETS grant funding for these four high schools.
