District and Saba Ghebreyesus Services to

for the period of August 1, 2014 through June 30, 2015

Background

A one paragraph explanation of why the consultant's services are needed. In response to the investigation by the US Office of Civil Rights and subsequent OUSD Voluntary Resolution Plan (VRP), OUSD has identified the need for schools to implement restorative justice (RJ) practices to build community, repair harm, and re-integrate students into the classroom after incarceration or involuntary transfer. The OUSD RJ program supports the District's goal of reducing racially disproportionate discipline (DMC) by building community and resolving conflicts between students which may otherwise result in fights and subsequent suspensions. Restorative Justice has efficacy as an alternative to suspension and is a key component of the District's comprehensive violence prevention plan. Specific activities include hiring RJ Coordinators to support teachers in using restorative practices in the classroom, coach students to use communication and problem-solving skills to assist their peers in managing and resolving interpersonal conflict, and to work with site administrators to use restorative discipline.

Discussion One paragraph summary of the scope of work.

Ratification by the Board of Education of a Professional Services Contract between the District and Saba Ghebreyesus, Emeryville, CA, for the latter to provide 833 hours of service as a Restorative Justice Coordinator. at Volunteer Resolution Plan (VRP) cohort site under the direction of the Program Manager and in coordination with the site administrators; in coordination with the Behavioral Health Initiatives Department, will support implementation and expansion of a multi-tiered framework of restorative practices in at least 25 VRP schools; professional development and coaching are essential to ensure that restorative practices are high quality, integrated with instruction, and culturally responsive; consultant will also provide on-site support and technical assistance, and link RJ implementation at their site with the larger district effort for the period of August 1, 2014 through June 30, 2015, in an amount not to exceed \$24,990.00.
