Please fill out the information below for schoolwide carryover.

2015-2016 Measure N Allocation	\$ 50,000
2015-2016 Measure N Dollars spent	\$ TBD
Carryover Amount	\$ TBD

Please provide the reasoning as to why the full Measure N allocation was not spent.

According to Joel Julien Measure N allocation was not spent due to Superintendent denying approval for all spending, and repeatedly denying use of funds. AIPHS focused primarily on the WASC in the fall, which pushed back the timeframe for planning and spending into Spring. Joel Julien's departure halted the planning of any additional spending.

Please provide a detailed explanation as to how the carryover amount will be used to help you achieve your theory of action, address your root cause analysis, and supports and aligns to specific parts of your SPSA to support students and pathway development.

The carryover amount will enable staff to pull new research and surveys that creates a pathway in a more organic manner.

Important Information:

15% of the total carry over amount of each school site will be set aside for planning and reflective tactics that support deeper learning at the school site which could include but is not limited to site visits, conference attendance, staff retreats, etc..

Please provide a detailed explanation as to how this carryover amount will be used to support the Deeper Learning for your site and how that will help you achieve your theory of action, address your root cause analysis, and supports and aligns to specific parts of your SPSA to support students and pathway development.

This carry over amount will enable staff to seek greater stakeholder involvement and education for staff in order to develop a pathway.
