Aim High's Recruitment and Retention Strategy 2017

Aim High works in close partnership with schools (teachers, staff, principals, Community School Mangers, etc.) to identify student applicants. We work with those partners to support the families through our application process. We focus our recruiting on schools and community-based organizations in Oakland's high-need neighborhoods.

Our recruitment staff makes presentations at local schools during classes, assemblies, advisories and special events. We present to students as well as to their families. Youth and their families can receive an Aim High application—in Chinese, Spanish or English—after these presentations from us or later from teachers and school counselors as well as from our website. Our application is also available entirely online. School-day staff will often assist students who need support completing our application (e.g., ELL students).

Our application process is open and non-discriminatory.

Applications are due this year on Friday April 7th. We will mail out acceptance and denial letters the first week of May.

As for retention, it is our hope that every eligible student returns from last summer for another 5 weeks of Aim High in 2017. We mail a "renewal letter" to each student from last summer who is currently in 6th, 7th, or 8th grade. This letter invites them to return to Aim High for another summer and requests some required paperwork be returned to us (some of the renewal process can be done online as well). We call each family who does not submit their paperwork by their due date (in mid-March) to personally encourage those students to return to Aim High.
