### Background

*A one paragraph explanation of why the consultant's services are needed.*

The After School Education and Safety (ASES) Program is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 through 8484.6. The general purpose of the 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) Section 8421 further defines the purpose of the 21<sup>st</sup> CCLC High School ASSETs program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

**Is Vendor a local Oakland business?** Yes ☒ No ☐

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes ☐ No ☒

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Bay Area Community Resources ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 191/Sankofa under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation.** The ASEP and 21<sup>st</sup> CCLC grant award amount for Bay Area Community Resources is \$220,702. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$220,702 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 191/Sankofa, will be responsible for operations and management of the ASEP, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2017-2018. This shall include the following required activities:

<b>Minimum Days</b> When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.	
Projected Number of Minimum Days for School Year 2017-2018 <i>*School should provide lead agency with a calendar of minimum days before the 1st day of school.</i>	59
Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any).	We do not have any additional funding sources. We will divide program funding accordingly to ensure that we are able to fund program operations everyday of the school year next year, including minimum days.
Please note that the ASES grant from CDE does not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?	N/A
<b>SECTION 3: Program Model and Lead Agency Selection</b>	
For 2017-2018, my site will operate the following program model:	
<input checked="" type="checkbox"/> <b>Traditional After School:</b> <i>voluntary program open to all students, with enrollment priorities targeting certain students</i>	
<input type="checkbox"/> <b>Extended Day Program:</b> <i>additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must <b>not</b> appear on the school bell schedule)</i>	
<input type="checkbox"/> <b>Blended/Hybrid:</b> <i>combination of some extended day and some traditional after school programming</i>	
<b>Description and Rationale for Selection of Lead Agency</b> Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.	

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our partners, and we believe it is our responsibility to understand and meet their needs. This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality programming while expanding our services.

#### SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Please list any additional enrichment activities your program will offer, that are not already listed in Sections 4, 5, and 6 above.

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities can provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, STEM, arts learning, and student engagement.

**SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.*

#### SECTION 9: PROGRAM SCHEDULE

- a) Submit your program schedule as an attachment, using the standard [program schedule template](#). The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.
- b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.
- c) Make sure program schedule clearly shows when the following elementary program requirements will take place:
  - One hour/week of literacy instruction for students in grades K-5
  - One hour/week of math instruction for students in grades K-5
- d) Submit a copy of the school bell schedule for the 2017-18 school year.

**Important Notes:** The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

#### **SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN**

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the “grey zone” between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Talk with students and families about the importance of regular attendance. Host an awards ceremony celebrating attendance.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Discuss the importance of attendance at family events, orientations, and family meetings. Refer parents to appropriate resources if needed.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Work with Principal and attendance clerk to develop guidelines around school and program attendance.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward	Hold an award ceremony or acknowledge

students for attending our program.

students at showcases and school-wide events.

#### SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)
- Social and Emotional Learning (SEL)

After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.

a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting **at least one strategy** that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may including any of the following action steps for alignment:

- Participate in site-level professional development (PD) together with school day staff
- Participate in district-sponsored PD, including PD offered by the Expanded Learning Office
- Participate in relevant school committees (ie. Culture and Climate Committee, COST, ILT, etc.)
- Align with school day curriculum and practices
- Align with school day routines and structures
- Observe school day classrooms to align expectations and practices
- Other ways to align (please specify)

Select at least 1 strategy:	Strategy	What will the after school program do to align with school day efforts in this area?
X	Positive Behavioral Intervention and Supports (PBIS)	ASP staff will utilize PBIS frameworks when working with students.
	Restorative Justice/Restorative Practices (RJ)	

X	Social and Emotional Learning (SEL)	ASP will focus on community building utilizing Building Intentional Communities curriculum.
<p>b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).</p>		
<p>Sankofa Academy continues to be committed to reducing the disproportionate suspension rates of African American students. When there are challenges with student behavior both Day and Extended Day staff work to redirect students, differentiate discipline, and identify holistic approaches to shifting student's behavior. We work as a community to help students understand the importance of non-violent approaches to conflict resolution and strive for every student to experience success.</p>		
<p><b>SECTION 12: Coordination with Other Service Providers</b></p>		
<p>In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</p>		
<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p> <input checked="" type="checkbox"/> COST team (Coordination of Services Team)  <input type="checkbox"/> SST (Student Study Team)  <input checked="" type="checkbox"/> SSC (School Site Council)  <input type="checkbox"/> ILT (Instructional Leadership Team)  <input type="checkbox"/> PTA  <input checked="" type="checkbox"/> Attendance Team/Workgroup  <input type="checkbox"/> SPSA Site Planning team  <input checked="" type="checkbox"/> School Culture/Climate Committee  <input type="checkbox"/> School Safety Committee  <input type="checkbox"/> Other (specify)         </p>

List all subcontractors who will be paid to deliver after school services.	UC Build
Identify other service providers and support personnel at your school (ie. school psychologist, School Based Health Center staff, counselor, mental health therapist, school nurse, parent liaison, etc.) whom you will actively collaborate with to accomplish the goals of your program.	School Counseling Team, District Nurse, Family Liaison, Program for Exceptional Children, Principal Brinson, School Administrative Assistant, School Attendance Clerk, Academic Liaison, Intervention Specialist, Teachers, ASP Instructors.

### Section 13: 2017-18 After School Enrollment Policy for Sankofa Academy School

OUSD has established [district-wide guidelines for Target Population and Enrollment](#) in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

#### **Priority Enrollment and Transitions Support for High Need Populations of Students**

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: *The law states that program fees cannot be charged to homeless and foster youth participating in the program.*

#### **Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified

above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

**13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:**

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

**Which grade levels will you serve in this program?** Kindergarten - 5th Grades

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth	Family feedback via Application Questionnaire	N/A as many of the families we serve are transitional and our community is small enough to accommodate a majority of our families.
Foster youth	Family feedback via Application Questionnaire	N/A as many of the families we serve are transitional and our community is small enough to accommodate a majority of our families.
English language learners and/or Newcomers	Family feedback via Application Questionnaire	N/A as many of the families we serve are transitional and our community is small enough to accommodate a majority of our families.
Chronic Absenteeism	Attendance Data	N/A as many of the families we serve are transitional and our community is small enough to accommodate a majority of our families.
Students in need of academic support and intervention to improve or sustain academic performance	School referrals; parent request for academic support; SRI and SMI results and benchmarks data.	N/A as many of the families we serve are transitional and our community is small enough to accommodate a majority of our families.

**13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:**

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

We accept applications to program on an on-going and rolling basis in order to have a waitlist and be able to enroll students into program throughout the year as students leave our school or the program based on their specific needs.

**13c) ENROLLMENT PROCESS AND TIMELINE:**

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

### 13d) School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

Student and family outreach about the Extended Day Program is completed by school day and extended day staff. School staff will provide information to students and families about the Extended Day Program and will refer students who they feel would be good candidates for the Extended Day Program to the Site Coordinator.

**Section 15: After School Quality Support Coach**

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. The required budget allocation for this position is \$2,500 for the year, equivalent to 72 hrs/year at a Paid-In-Service contract rate of \$34.67/hour. ## Section 17: Professional Development and Staff Wellness

### Professional Development Expectation

After school staff will receive adequate professional development, including coaching support and trainings, in order to grow and improve their practice. Programs will utilize data, including YPQA/SAPQA program quality data, to determine the areas of focus for professional development. Providing after school staff with meaningful professional development is a shared opportunity & responsibility for both the lead agency and host school site.

Additionally, the OUSD Expanded Learning Office will provide extensive professional development throughout the year including: mandatory After School August Institute (week of July 31 - Aug. 4); mandatory monthly site coordinator meetings (2 hrs/month); continuous quality improvement (CQI) trainings; monthly agency director meetings; various professional learning communities (time commitment varies); local conferences (ie. annual Bridging the Bay conference), and other relevant district trainings (ie. safety, PBIS, etc.).

a) What professional development, coaching, and training supports will be provided by the lead agency partner?

**Coordinator Summer Institute** - All Site Coordinators will participate in 3 days of training that will expand their knowledge on Youth Development, Curriculum Development, Grant Compliance, Policies and Procedures, Self-Care, and Program Quality (SA-YPQA). During Summer Institute Coordinators will have the opportunity to review their program schedule and program plan, create their year plan, plan for parent events, and learn from a variety of experts in the after school field.

**Trainings over Time** - In addition to Summer Institute, coordinators will have the opportunity to participate in BACR led and outside trainings throughout the school year. These training opportunities may include Accounting/Fiscal, HR Performance, Coaching, Eval, Safety, Leadership/Supervision, Relationship Building, Policy and Procedures, Communications

CPR/First Aid trainings, Bridging the Bay, and Region IV trainings. We have also purchased an online training series called "Safe Schools" where coordinators and line staff may access up to 30 modules related to after school safety and instruction techniques.

**Team Cluster Meetings** - All Site Coordinators will participate in Team Cluster Meetings led by their Program Manager monthly. During these meetings, the Program Manager will communicate updates from the district, the agency, as well as provide the team with professional development surrounding leadership, program development and youth development. Furthermore, the Program Manager will provide space for the Site Coordinators to receive feedback and workshop site based concerns and program quality.

**Coordinator Supervisions** - All site coordinators will meet at least two times a month to discuss site progress, individual coordinator goals, staff development and other site based subjects with their supervisor. This is opportunity for 1 on 1 support.

**Line Staff Summer Institute** - All Group Leaders will participate in a 2-day institute that will expand their knowledge on youth development, classroom/behavior management strategies, project based lesson plans, cooperative games, emergency procedures, mandated reporting, and policies and procedures.

**Site Specific Staff Meetings** - All Site Coordinators will have the opportunity to plan and lead their own staff meetings with their line staff. At these meetings, Site Coordinators will provide their line staff with lesson planning time, review site safety plans, plan events for students and parents, and review important site information.

**Line Staff Supervision** - There will be time for line staff to consult with their coordinator, academic liaison and/or assigned grade teacher for consultation on student progress and lesson plan development. Staff will also be evaluated 2 times a year and undergo peer observation opportunities within site teams.

b) What professional development opportunities will be provided by the school site?

Coordinator should also be able to attend any school-based meetings that may pertain to after school programing. Also, any additional trainings needed for students with specific requirements that are in the after school program.

ASPO professional development will consist of the mandatory August Institute (week of Aug. 3-6), mandatory monthly site coordinator meetings (2 hrs/month), the annual Bridging the Bay after school conference, and various professional learning communities (time commitment varies).

Please review and sign off on the following:

My lead agency and school partner understand that professional development helps ensure program quality. My program is committed to providing/accessing professional development opportunities for after school staff, based on needs identified by program data. My program will adequately budget for staff time to participate in professional development over the course of the year (for key line staff, recommended at least 20 hours of PD/year). ☒ Yes ☐ No

**Staff Wellness**

Please describe ways your program will work to support staff wellness over the course of the year:

As an agency will believe that the wellness of our staff is directly related to the overall health of our programs. This year, BACR has launched our wellness initiative "Find Your Balance". The goal of this program is to improve the overall wellness of BACR staff so you have a balanced life and provide outstanding services. Our HR department has rolled out a variety of programs in support of this goal in the past few months/year and will continue to implement more. At the same time, each cluster of sites/districts is embarking on their own team wellness goals. For example, some are integrating in their team meetings at least 5 minutes of a Wellness Exercise, whether it is a reflection, meditation, or other mindfulness activities.

**Social and Emotional Learning (SEL)**

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students:

After School Instructors will be trained in PBIS expectations, Caring School Community and Building Intentional Communities curriculum. Staff will utilize self-management, self-awareness, social awareness, relationship skills and responsible decision-making skills, modeling these skills for our students. Staff will then model self-management, self-awareness, social awareness, relationship skills and responsible decision-making skills for students and will utilize different curriculums to intentionally develop SEL skills in students.

**Continuous Quality Improvement (CQI)**

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based

**Assess-Plan-Improve** CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- year-end self-assessment and QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

**Review and mark all commitments:**

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ☒ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- ☒ Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- ☒ Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- ☒ Site coordinator will share CQI data with Site Administrator and school staff.
- ☒ Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

**21st Century Equitable Access and Supplemental Programming**

**Equitable Access:** (must be completed by all programs that receive 21<sup>st</sup> Century Equitable Access funding)

Some 21<sup>st</sup> Century programs receive extra Equitable Access funding. The intent of Equitable Access funding is to provide targeted supports for special populations of students who may face challenges and barriers to program participation. Examples of allowable use of Equitable Access funds include:

- additional academic interventions/supports to struggling students (ie. English Language Learners, students with special needs, etc.)
- mental health support services that enable students to fully participate in the after school program
- translation services, bus tickets, and other supports that make it possible for students to participate in program

How will your 21<sup>st</sup> Century program support equitable access in your program? Which population(s) of students in your program will receive extra support through the Equitable Access supplemental grant? Please describe your planned use of Equitable Access funds. *Your plans must align with your Equitable Access budget.*

**21<sup>st</sup> Century Supplemental Programming during 2017-18 School Year**

Describe your planned programming on weekends, intersession breaks, and other non-school days during the 2017-18 school year. Your supplemental program plans must match your proposed supplemental program budget.

(Please do NOT include summer program plans here; there will be a separate summer planning template.)

Number of supplemental program days you plan to offer during the 2017-18 school year:

4

Dates of Service:

April 2018 and May 2018

Hours of Operation: (note that supplemental programs must operate at least 3 hours/session)

12pm Saturday to 12pm Sunday

Description of Supplemental program activities: (describe goals of programming, target audience, planned activities, etc.)

Our Supplemental Programming consists of two camping trips. These trips provide our students with the opportunity to have hands-on experiences in nature and participate in outdoor education. Students learn how to plan for a camping trip, set-up a campsite, cook and properly clean-up in the outdoors (implementing "leave no trace" best practices), read maps, lead hikes, and properly take-down a campsite. Students and staff participate in team building and leadership activities, and all students take turns being responsible for the group by leading a portion of the group hike. The goal of these trips is to build student confidence in their abilities, develop student leadership skills, provide outdoor education and experiences in nature, and offer our students cultural capital that they may not have access to from other sources.

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students in OUSD.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

**Marisa Ramirez**  
Program Director
