After School Template for Elementary and Middle Schools Memorandum of Understanding 2017-2018 Between Oakland Unified School District and East Bay Asian Youth Center

- Intent. This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with <u>East Bay Asian Youth Center</u> ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at <u>236/Urban Promise Academy</u> under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
- 2. Term of MOU. The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services include providing summer educational programs. The term may be extended by written agreement of both parties.
- 3. Termination by OUSD. OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) No Premature Termination by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

 Compensation. The ASESP and 21st CCLC grant award amount for <u>East Bay Asian Youth Center</u> is \$<u>115,777.00</u>. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation. Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. Positive Attendance. Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
 - 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
 - 4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$<u>115,777.00</u> in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- Program Fees. The intent of the ASESP and 21st CCLC programs is to establish local programs 4.7. that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request. to ensure grant compliance.

The after school program can absorb extra staff hours for the 25 regular minimum days in the school year. However, any additional minimum days is not accounted for in the budget. We would like the school to assist us in developing a strategy to support the after school staff's increased work hours on the additional minimum days (\$105 per day for 1 team leader).
Please note that the ASES and 21st Century grant from CDE does not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school funds will be utilized to fund these additional hours of program?	TBD
SECTION 3: Program Model and Lead Agency Selection	
For 2017-2018, my site will operate the following program model:	
Traditional After School: voluntary program open to all students, with enrollment priorities	s targeting certain students
Extended Day Program : additional class periods offered to students after the end of the regardle students of the school (Note: extended day classes must not appear on the school bell scheol	
X Blended/Hybrid: combination of some extended day and some traditional after school prog	ramming

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

EBAYC is non-profit community-building organization dedicated to supporting young people to be safe, smart, and socially responsible. EBAYC provides a continuum of integrated support services to a racially and culturally diverse membership of 2,000 children, youth, and young adults in Oakland's San Antonio, Eastlake, and Chinatown neighborhoods. Our services – Expanded Learning, Case Management, and Parent Engagement – result in higher school attendance rates, lower school suspension rates, and lower incarceration rates. Our services are provided in partnership with 15 neighborhood public schools – Oakland High, Roosevelt Middle, Frick Impact Academy, Edna Brewer, Urban Promise Academy, Garfield Elementary, Franklin Elementary, Lincoln Elementary, Manzanita Community, Bella Vista Elementary, La Escuelita, Cleveland Elementary, Dewey Academy, Metwest High, Oakland International High – and the Alameda County Probation Department.

EBAYC organizes families to build relationships with one another across race and culture to improve the quality of neighborhood life. We authored and co-lead the Oakland Kids First! Initiative, the landmark 1996 ballot measure requiring the City of Oakland to allocate 3% of its annual unrestricted revenue for children and youth services. We organized residents to close down the notorious National Lodge Motel on 17th Avenue & International Boulevard. Most recently, we co-authored and co-led the successful campaign to pass the College & Career Readiness for All Act of 2014, California's first local parcel tax dedicated to providing high-quality career pathways for every high school student in Oakland's district and charter-operated high schools.

EBAYC manages an annual operating budget of \$5 million and employs over 100 individuals, of whom the vast majority are Oakland natives, neighborhood residents, and program alumni. We are Oakland's only youth development organization that has the professional capacity to effectively communicate with and serve Spanish, Cantonese, Vietnamese, Iu-Mien, Khmer, and Tagalog speaking families.

SECTION 4: SCHOOL PRIORITIES AND GOALS IN SPSA

In collaboration with school leadership, review the school's priorities and goals listed in its 2017-18 SPSA school site plan. All after school programs are expected to support the school's goals for: 1) Conditions for Student Learning and 2) Family and Student Engagement

Additionally, identify at least 1 other priority area from the list below that your afterschool program will intentionally support. For each of the priority area marked below, fill in the specific priority and multi-year goal from the school's SPSA plan.

SECTION 5: OUSD STRATEGIC TARGETS - MIDDLE SCHOOL

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8th grade.

High School Readiness: OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade: a 2.5 or better GPA; no Ds or Fs in Math or English; no suspensions; and at least a 96% attendance rate for their 8th grade year.

Preparing for high school and being "high school ready" begins well before the 8th grade year. Starting with 6th graders, middle school after school programs can play an important role, collaboration with the school day, to support students to be high school ready.

Examples of activities middle school after school programs can do in partnership with the school day to support high school readiness may include:

- Host parent education nights to learn about high school requirements and discuss high school readiness indicators
- Work with students to monitor their grades on AERIES and provide targeted academic mentoring and/or tutoring to students falling behind in their classes

- Help communicate attendance or behavior concerns to parents
- Hold celebrations to acknowledge students' progress on grades, attendance, good behavior, etc.
- Hire teachers on extended contract to provide targeted intervention to students struggling in Math or English
- Begin high school readiness discussions early with 6th and 7th graders
- etc.

Discuss with your Site Administrator possible ways your after school program can support high school readiness. Complete the following matrix to indicate how your after school program will work in partnership with your school to support students to meet any of the indicators above that relate to the high school readiness target.

District Strategic Target	Describe the ASP activities that will support this district strategic target	Target Population	Measurable Outcomes	Frequency/ Schedule (hrs/wk)

SECTION 6: ADDITIONAL ACADEMICS

Use this section to list any other academic program activities not already listed in Sections 4 and 5 above that will be offered.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Please include the following OUSD After School requirements, if not already listed above:

Recommended Middle School Academic Programming:

• Teachers on extended contract to provide after school intervention in math, language/literacy, or English language development

Your program can offer a range of academic supports including:

1) Homework Support 2) Tutoring 3) Academic skill building 4) Targeted intervention or direct instruction by credentialed teacher 5) Language development for English Language Learners

SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Please list any additional enrichment activities your program will offer, that are not already listed in Sections 4, 5, and 6 above.

OUSD Middle School After School Programs will receive curriculum and professional development to implement the following new enrichment requirements, which should be included in your matrix below and in your program schedule.

Required Middle School Enrichment components:

- MESA programming one hour/week (sites will receive support with MESA implementation)
- STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided)
- Career exploration programming

Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities can provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, STEM, arts learning, and student engagement.

SECTION 9: PROGRAM SCHEDULE

a) Submit your program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters.

b) The Program Schedule must clearly show when all after school activities listed in the Sections 4 - 7 will be taking place.

- c) Make sure program schedule clearly shows when the following middle school program requirements will take place:
 - MESA programming one hour/week (sites will receive support with MESA implementation)
 - STEM programming one hour/week (coding and/or other STEM curriculum and professional development will be provided)
 - Career exploration programming

d) Submit a copy of the school bell schedule for the 2017-18 school year.

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. if the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select *at least two* of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Review students' program and school
	attendance

b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Monthly meeting to inform the parents of their children's academic progres.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Daily phone call to follow up with students' absences.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Periodic awards during program assembly to recognize good attendance. Awards include incentive prizes, student of the month
	recognition.

SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)
- Social and Emotional Learning (SEL)

After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students.

a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting *at least one strategy* that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may including any of the following action steps for alignment:

- Participate in site-level professional development (PD) together with school day staff
- Participate in district-sponsored PD, including PD offered by the Expanded Learning Office
- Participate in relevent school committees (ie. Culture and Climate Committee, COST, ILT, etc.)
- Align with school day curriculum and practices
- Align with school day routines and structures
- Observe school day classrooms to align expectations and practices
- Other ways to align (please specify)

Section 13: 2017-18 After School Enrollment Policy for Urban Promise Academy School

OUSD has established <u>district-wide guidelines for Target Population and Enrollment</u> in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

Important note: The law states that program fees cannot be charged to homeless and foster youth participating in the program.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified

above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program? 6th -8th grade

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Homeless youth		COST refferral
Foster youth		COST refferral
English language learners and/or Newcomers	ELD levels 1-2 and/or ELD teacher refferral or Parent request	Mandatory for Newcomer stydents

13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

We will have priority enrollment for newcomer and transitional students. All newcomer & 8th students have mandatory ASP program M,T, TH and 6th grade newcomer students have mandatory M-F program for 2017-18 school year.

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
April 2017	Program Enrollmment Announcement	EBAYC ASP Director
May 2017	Release of Application	EBAYC ASP Director
May 2017	Recruitment Intake	EBAYC ASP Director

June 2017	Parent Orientation	EBAYC ASP Director
August 2017	New school year enrollment for remaining slots	EBAYC ASP Director
August 2017	First day of Program	EBAYC ASP Director

Important dates to include in your timeline:

- April June: Spring enrollment for 2017-18 programs.
- Families will be notified of 2017-18 after school enrollment before the last day of school, June 9, 2017.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.

Engaging in continuous quality improvement processes is an OUSD expectation for all schools and the after school programs, and is a condition for ongoing after school grant funding from the CA Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based **Assess-Plan-Improve** CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- planning with data (using self assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
