Open Enrollment

I. Open Enrollment

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of District students and parents/guardians, while also maximizing the efficient use of District facilities. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation. The Board shall annually review this policy. (Education Code 35160.5, 48980)

The Superintendent or designee shall calculate each school's capacity in a non-arbitrary manner using student enrollment and available space. (Education Code 35160.5) In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, applications for Open Enrollment shall be submitted timely within the District's Open Enrollment Options window which is typically between early December and mid-January of the school year preceding the school year for which the transfer is requested and can be found on the District's website at <https://www.ousd.org/enroll> or by calling the District's Welcome Center at at 510-273-1600.

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students. (Education Code 35160.5)

(cf. 6172 - Gifted and Talented Student Program)

II. Neighborhood School Priority

Attendance boundaries are established by the Governing Board. A family's permanent residence falls within the geographic boundaries of an elementary, middle and high school within the District, and these schools are referred to as the "neighborhood schools" for that location. The neighborhood schools for a particular residential address can be found at <https://www.ousd.org/schoolfinder> or by calling the District's Welcome Center at 510-273-1600.

No student shall be displaced from his or her neighborhood school by another student transferring from outside the neighborhood school/ attendance boundary area. (Education Code 35160.5) (cf. 5116 - School Attendance Boundaries)

III. Intra-District Transfers Outside Neighborhood Schools

The parents/guardians of any student who resides within District boundaries may apply to enroll their child in any District school, regardless of which schools are identified as their “neighborhood schools” or the location of their residence within the district. (Education Code 35160.5) The Superintendent or designee shall grant priority to any District student to attend another District school outside of his/her attendance area as follows:

A. FAMILY PRIORITIES

1. In recognition of the Governing Board’s stated policy goal of keeping families and siblings together, siblings of students who are enrolled in the school and who will be enrolled in the school concurrently with their sibling in the same school the following year. (Education Code 35160.5)
2. When a parent/guardian's primary place of employment is at a school site, their child will be granted enrollment priority to attend the school at which their parent/guardian works, a school physically adjacent to their parent/guardian's school site, or on the same campus as their parent/guardian's school site.

B. SAFETY TRANSFERS

These priorities ensure that students may transfer out of their neighborhood school to a different District-school under the circumstances listed below. Although a family’s school preferences will be considered in selecting a school, these priorities do not guarantee a particular school.

1. Any student enrolled in a district school designated by the California Department of Education as "persistently dangerous" (20 USC 7912; 5 CCR 11992) (cf. 0450 - Comprehensive Safety Plan)
2. Any student who is a victim of a violent crime while on school grounds (20 USC 7912)
3. Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area. Special circumstances include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers. To grant priority under these circumstances, the Superintendent or designee must have received either: (Education Code 35160.5) (a.) A written statement from a representative of an appropriate state or local agency, including, but not necessarily limited to, a law enforcement official, social worker, or a properly licensed or registered professional such as a psychiatrist, psychologist, or marriage and family therapist or (b.) A court order, including a temporary restraining order and injunction

C. Prioritization In High-Demand Schools

In some circumstances, the number of students seeking to enroll in a school will exceed the available space in the school. Students with a parent/guardian with a permanent residence within the City of Oakland shall have priority over non-residents.

IV. Lottery

All other enrollment requests into District schools shall be subject to a lottery. Except for priorities listed above (neighborhood, family, safety transfer ensuring an alternative placement, Oakland residency), the Superintendent or designee shall use a random, unbiased selection process to determine who shall be admitted whenever the school receives admission requests that are in excess of the school's capacity. (Education Code 35160.5)
