Student Directors Report

Gema Quetzal and Enasia Mc-Elvaine

October 25, 2017

Good afternoon students, families, Board Members, Superintendent, and OUSD community.

Student Director Mc-Elvaine attended the Critical Conversation with Diane Ravitch and Jitu Brown event hosted at Oakland Tech.

On October 18, All City Council Student Union Governing Board met with Superintendent Team to discuss ACC's History, Budget Prioritization, and 2018-2019 calendar. During the meeting, we discussed issues like the facilities in Fremont and McClymonds High School. Additionally, we had a conversation about the concerns of the SBAC testing and lack of communication with students about the SBAC counting for college admission this year.

All City Council also had its Second Middle School meeting hosted by Frick Middle School.

Upcoming events:

- 2nd High School Meeting on November 30 hosted by Life Academy from 8am-3pm
