HONOR HARD WORK

Our Objective

OCA is committed to providing traditionally underserved students with an excellent education by focusing on the following:

- **The academic achievement of all students (MTSS); tiered interventions**
- **The focus of OCA is excellent student attendance that supports our students academic growth**
- **OCA provides a rigorous, standards based curriculum with a focus on language arts, mathematics, science and social studies**
- **Supporting effective educators (Career Path)**
- **Fostering a culture based on honoring hard work (PBIS and strong instruction)**
- **An emphasis on positive behavioral interventions which creates a safe space for students to learn**
- **Extended day and summer programs provide increased opportunities for targeted intervention to assist students who are low performing**
