## Commented [1]: Correct Title?

Commented [2]: oops, no! thanks! :)
Commented [3]: I combined this (OPSR Counseling) with above since many positions overlap that had been OPSR before, and I don't think it's really a separate dept.

Commented [4]: Counseling is a separate
department...please contact Dr. Ramirez should you have any questions regarding her department. +susana.ramirez@ousd.org
Commented [5]: Thank you--will break this out separately again! Is it correct that some of these positions are the same as the positions that had been under OPSR previously (e.g., registrar, coordinators)?

Commented [6]: _Marked as resolved_

## Commented [7]: Re-opened_

The OPSR coordinator is new this school year. Last year we had 2 college readiness coordinator and now we have 2 office of post secondary readiness coordinators. the district registrar is the same as last school year.
Commented [8]: Thanks--is it appropriate to put "see OPSR Counseling" for the college readiness coordinator positions? (We're trying to help community members understand where positions went when departmental structure changes so that it is clear which are actually new positions/investments and which are continued workstreams.)
Commented [9]: Yes that is fine
