Is Vendor a local Oakland business? Yes No No
Why was this Vendor selected?
This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.
Summarize the services this Vendor will be providing.
This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and by the California Department of Education's ASES and/or 21st Century Community Learning Center grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.
Was this contract competitively bid? Yes No V
If No, answer the following:
1) How did you determine the price is competitive?
The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and by the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

After School Template for Elementary and Middle Schools Memorandum of Understanding 2017-2018 Between Oakland Unified School District and

East Bay Asian Youth Center

- 1. Intent. This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with <u>East Bay Asian Youth Center</u> ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at <u>179/Manzanita Community School</u> under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
- Term of MOU. The term of this MOU shall be July 1, 2017 through June 30, 2018 if AGENCY services do
 not include summer educational programs, and July 1, 2017 through August 17, 2018 if AGENCY services
 include providing summer educational programs. The term may be extended by written agreement of both
 parties.
- 3. Termination by OUSD. OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) No Premature Termination by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
- 4. Compensation. The ASESP and 21st CCLC grant award amount for <u>East Bay Asian Youth Center</u> is \$93,628.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation. Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
 - 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
 - 4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$93,628.00 in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2017-2018").
- 4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. Program Fees. The intent of the ASESP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. SECTION 9: PROGRAM SCHEDULE	UE			

- Submit your program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. æ
- The Program Schedule must clearly show when all after school activities listed in the Sections 4 7 will be taking place. P
- One hour/week of literacy instruction for students in grades K-5

Make sure program schedule clearly shows when the following elementary program requirements will take place:

ᡠ

- One hour/week of math instruction for students in grades K-5
- d) Submit a copy of the school bell schedule for the 2017-18 school year.

Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. If the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend considered at risk of chronic absenteeism.

celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, in partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like etc., In addition to providing meaningful after school learning experiences that help keep students engaged and coming.

attendance, and support students and families who are struggling with attendance. Select at least two of the following strategies below, and Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Review students' program attendance.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Monthly meeting to inform the parents of their children's academic progress.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Daily phone calls to follow up with students' absences.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward	Periodic awards during program assembly to

SECTION 11: TRANSFORMING SCHOOL CULTURE AND CLIMATE

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

Social and Emotional Learning (SEL)

After school and school day partners can collaborate and intentionally align their efforts around these strategles, in order to create seamless, positive culture and climate from 8am - 6pm for students.

- a) Discuss with your Site Administrator which strategies your school is using to support positive school culture and climate. Complete the following matrix by selecting at least one strategy that the school day and after school programs will work intentionally to align. Detail what the after school program will do to align with school day efforts for each selected strategy. This may including any of the following action steps for alignment:
 - Participate in site-level professional development (PD) together with school day staff
- Participate in district-sponsored PD, including PD offered by the Expanded Learning Office
- Participate in relevent school committees (ie. Culture and Climate Committee, COST, ILT, etc.)
- Align with school day curriculum and practices
- Align with school day routines and structures
- Observe school day classrooms to align expectations and practices
- Other ways to align (please specify)

Select at least Strategy 1 strategy:	Strategy	What will the after school program do to align with school day efforts in this area?
×	Positive Behavioral Intervention and Supports (PBIS)	The Program Director is a member of the school day PBIS team and will ensure continuity in PBIS systems between school day and after school.
	Restorative Justice/Restorative Practices (RJ)	
×	Social and Emotional Learning (SEL)	The Program Director will collaborate with the Quality Support Coach to ensure continuity in SEL practices between school day and after school.

b) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.).

School suspension is rarely practiced at the Elementary School Level. School administrator and teachers often try alternatives to suspension before the official decision is made. Currently, the MCS after school program Is working to provide additional support to African American and boys of color in areas of youth leadership and mentoring.

Section 13: 2017-18 After School Enrollment Policy for Manzanita Community Elementary School

these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Priority Enrollment and Transitions Support for High Need Populations of Students

Additionally, OUSD prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. after school programs is reflective of their percentage in the school population.

These high need student populations are transitional youth who often enter the OUSD school system mid-year, and whose program attendance may be less consistent due to the transitional nature of their home environments.

mportant note: The law states that program fees cannot be charged to homeless and foster youth participating in the program.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified The ASES and 21* CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in

13a) TARGET POPULATION FOR AFTER SCHOOL PROGRAM:

in the matrix below, describe targeted student populations in order of priority. Specify data that will inform student selection. Identify targeted recruitment strategies for each population.

Which grade levels will you serve in this program?

Target Population(s)	Specific Data to Inform Selection of Program Participants	Targeted Recruitment Strategies
Students who are mulitple years behind grade level	District assessments, COST referrals, Performances on SBAC, Formal recommnedations.	Will collabroate with school administration and COST for outreach and support
Newcomers	cost	Will collabroate with COST for outreach and support

Students from socio-economically disadvantage families/ backgrounds	FRL dta	Will collabroate with school administration and COST for outreach and support

13b) MODIFICATIONS FOR HIGH NEED TRANSITIONAL STUDENTS:

How will you modify your enrollment and attendance policies to make your program accessible for foster, homeless, and Newcomer students who transition into the school mid-year?

According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. Additionally, school programs is reflective of their percentage in the school population. Therefore EBAYC ASP will create a waitlist if all slots are full and MCS and EBAYC prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after place identified students at the top of the waitlist so that they can receive priority when a slot become available.

13c) ENROLLMENT PROCESS AND TIMELINE:

Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2017. Indicate how families will be notified of 2017-18 enrollment before the last day of school, June 9, 2017.

13d) School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

The school staff will help promote the after school program by referring students, communicating with families about the program registration, making phone calls to families regarding the opportunities, sending flyers home regarding the program enrollment and make announcements during parent meetings and school wide events.

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

Section 15: After School Quality Support Coach

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's Assess Plan Improve continuous quality improvement processes by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
 - Bridge the after school program with school day goals, curriculum, instructional strategies, data, and strategies to ensure positive school culture and climate.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards.
- Provide on-site coaching to after school staff implementing literacy and math curriculum.

EBAYC at MCS will support staff with multiple retreats throughout the school year. They will take place beginning of the year, middle, and end. Our first one is airesdy schedule for August 13-14. We also have staff check -ins every other Friday as well as support when needed so staff can feel supported and motivated throughout the school year.

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: Describe how you will work intentionally to develop SEL skills in program staff, so that they can model SEL skills to students: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

development to our line staff. Furthermore, we make sure that professional development with focus on SEL is done at least 3 times a year by our EBAYC at MCS After School Community in conjunction with its lead agency EBAYC alongside with Manzanita Elementary hold SEL as one of our Program Directors consistently meet, exchange ideas, and explore new opportunities in implementing SEL which is translated to professional guiding principles in promoting a high quality, inspiring, and most importantly, a safe environment where each of our scholars can thrive.

Program Directors and line staff to get to know each other and collaboratively set culture and climate goals, norms and values.
