  - a) No Premature TermInation by AGENCY AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
- 4. Compensation. The ASESP and 21st CCLC grant award amount for <u>Higher Ground Neighborhood</u> <u>Development Corp.</u> is \$93,628.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation. Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal involcing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. Positive Attendance. Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2017-2018")
  - 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds. OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
  - 4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2017-2018 and will not exceed \$93,628.00 in accordance with Exhibit B. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct

unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. Program Fees. The intent of the ASESP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

# SECTION 10: SATISFACTORY SCHOOL DAY ATTENDANCE AND CHRONIC ABSENCE ACTION PLAN

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of regulred days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% -95% are considered at risk of chronic absenteeism.

regularly manitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful In partnership with the school day, after school programs can play an important role in supporting student attendance by daing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students families are facing that cause them to miss school, after school learning experiences that help keep students engaged and coming.

support students and families who are struggling with attendance. Select of least two of the following strategies below, and identify specific action steps that Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and

your program will implement for each strategy.	
Strategies to Sugport Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	<ul> <li>Identify students through regular CitySpan reports.</li> <li>Cross reference daytime and after school attendance reports to determine severity of attendance issue.</li> <li>Meet regularly with Administration and Attendance Team around decreasing absentee rates.</li> <li>Documented communication with identified students and families via letter, phone logs and/or personal contact.</li> <li>Investigate the reasons for chronic absence and when appropriate, work with the school to provide referrals to services that may help remove some of the barriers to regular attendance.</li> <li>COST team review</li> </ul>
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	<ul> <li>Attendance recognition with monthly honorable mention of student achieving 95% or better attendance during the daytime and after school.</li> <li>Explaining the importance of regular attendance at every new and returning student orlentation.</li> <li>Highlighting the new enrollment forms that lay out attendance policy and early release agreements.</li> <li>Monthly parent attendance appreciation shout out's on AS bulletin board, parent</li> </ul>

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive. supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)
- Social and Emotional Learning (SEL)

After school and school day partners can collaborate and intentionally align their efforts around these strategies, in order to create seamless, positive culture and climate from 8am - 6pm for students. a) Discuss with your Site Administrator which strategies your school is using to support positive achool culture and climate. # Section 13: 2017-18 After School Enrollment Policy for New Highland Academy School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
  - Enrollment policy will be discussed at after school parent orientation/meetings.
    - Enrollment policy will be shared with school faculty.

# Priority Enrollment and Transitions Support for High Need Populations of Students

prioritizes English language learners and Newcomers for after school services, so that the number of ELL students in after school programs is reflective According to new grant legislation, foster youth and homeless youth will receive priority enrollment in after school programs. - Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
  - Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.
- students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, The ASES and 21\* CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

#### FBI/TB Clearance Letter

June 16, 2017

To Whom It May Concern:

Higher Ground Neighborhood Development Corp performs a thorough screening of all employees and consultants that work with children or are on a school or community based site. We keep current proof of negative TB results on file with our Human Resources Department for said employees and consultants. We conduct FBI/DOJ level fingerprint/criminal background clearances with Live Scan for each employee and consultant that has unsupervised contact with children or families. And if the employee/consultant is a long standing member of the Higher Ground team, the agency requests and monitors subsequent arrest records at least once per fiscal year. If the employee or consultant is considered one of our ratio team members in regards to ASES funding, they must also meet the OUSD Instructional Assistant requirement. And proof of this requirement in the form of their transcripts and/or their "Pass Letter" from OUSD or Alameda County Office of Education are also kept on file.

If you have any questions, please contact the Higher Ground office at 510-658-6454.

Thank you,
