OVERVIEW & OBJECTIVE

Linked Learning High School Office staff have reviewed the 2018-19 Measure N Education Improvement Plans and applied a framework that looked at primarily 4 variables:

4. Information provided during questions and answer sessions

Schools with corrective actions required to their Measure N budget were informed of the corrective actions required and worked with Linked Learning High School Office staff to review, revise, and resubmit to the Measure N Commission. Schools who submitted revised Measure N budgets were reassessed to ensure compliance and final recommendations capture the revisions made by the school.
