Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2018-2019
Between Oakland Unified School District and
East Bay Agency for Children**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Agency for Children ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 145/Peralta Elementary School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21st CCLC grant award amount for East Bay Agency for Children is \$ 101,798.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASESP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OCFY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 101,798.00 in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASESP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

SECTION 1: PROGRAM OPERATIONS Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6pm on every school day for elementary and middle schools. (EC 8483) Programs are required to operate all 180 days of the school year.

**CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates, including training agenda and staff sign in sheets.*

SECTION 1: PROGRAM OPERATIONS, continued

Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2018–19

51

*School should provide lead agency with a calendar of minimum days before the 1st day of school.

Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any). (560 Characters)

ASES and Parent Fees will be used to cover the additional costs to programming.

*Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, **what school funds will be utilized** to fund these additional hours of program?* (560 Characters)

There are no additional school funds. These additional days will be covered by parent fees.

Enrollment Process & Timeline

✓ **Attach** your enrollment timeline to this document. **Describe** how your school will identify and recruit students beginning in Spring 2018. **Indicate** how families will be notified of 2018-19 enrollment before the last day of school.

Important dates to include in your timeline:

- **April – June:** Spring enrollment for 2018-19 programs.
- Families will be notified of 2018-19 after school enrollment before the **last day of school, June 2018**.
- After school programs begin on **first day of school**, with enrollment at a minimum 75% capacity.
- **August – September:** New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2018**, except for slots reserved for transitional students (i.e., Foster and Homeless youth; Newcomers) entering the school mid-year.
- All programs must maintain **waitlists** after program slots are filled.

SECTION 2: PROGRAM DESIGN & PRIORITIES

Modifications For High Need Transitional Students

How will you **modify your enrollment and attendance policies** to make your program accessible for foster, homeless, and newcomer students who transition into the school mid-year? (1,150 Characters)

Traditionally Peralta has had very few students who transfer to the school after the start of the school year. If students transfer to the school mid-year and are considered high need for afterschool care, we will prioritize them and make space for them in the program.

SECTION 2: PROGRAM DESIGN & PRIORITIES

Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (*ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3,940 Characters)

As an agency our mission is: "East Bay Agency for Children improves the well-being of children, youth and families by reducing the impact of trauma and social inequities." Training around diversity is a priority with EBAC. Here are some of the training topics our staff have received: Fatherhood, Culturally Inclusive Leadership Development, Diversity in Management, Trauma Informed Practices, Guidelines for Safe Interactions with Youth (deescalation strategies) and Developing a Cultural Lens to Effectively Work with LGBTQ Identified Youth; Defining Inclusion, Unconscious Bias and How to Address It. EBAC is also considering working with Brother's on the Rise to train staff on how to work with boys of color.

Site Coordinator also support the school-day in their efforts. EBAC strives to recruit a diverse applicant pool of candidates applying for our afterschool staff positions. (We want our staff to reflect the make-up of our students as well as come from the communities we serve.)

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

OUSD Strategic Targets

The following target is from OUSD's Pathway to Excellence Strategic Plan for 2015–2020. Our entire Oakland school system, together with community partners, will work collaboratively to achieve these targets for all students.

Grade Level Reading. By 2020, the percentage of 3rd grade students who are reading on grade level will increase to 85 percent.

Complete the matrix to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

District Strategic Target	Describe the ASP activities that will support this district strategic target (444 Characters)	Target Population (192 Characters)	Measurable Outcomes (300 Characters)
<p>By 2020, 85% of 3rd graders will be reading on grade level.</p>	<p>During academic time, students will focus on completing their reading logs with supervision. Staff will be trained on how to most effectively support student silent reading.</p>	<p>K-5th graders</p>	<p>75% of students will improve reading/literacy performance measured by SRI scores.</p>

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES, continued

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Please indicate which strategies will be used to support Social Emotional Learning. Check all that apply.

Intentional Skill Development for students

- Instructional Methods and Curriculum
Targeted program components focused on developing SEL 5 components
Intentional PD to develop SEL skills in program staff so they can model for students (i.e. 3 Signature Practices)

Describe how you will intentionally develop SEL skills: (320 Characters)
EBAC programs have built in the SEL 3 signature practices into their lesson plans and programs. Our programs use various curriculum such as Building Intentional Communities and the Toolbox to support SEL work both with students and staff. At Peralta in particular, the school used the Second Step curriculum last year and will be using the Caring School Community next year. SEL is very important to the work that EBAC does and we believe that adults and youth need to work on their social emotional skills.

Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- COST team (Coordination of Services Team)
SST (Student Study Team)
SSC (School Site Council)
ILT (Instructional Leadership Team)
PTA
Attendance Team/Workgroup
SPSA Site Planning team
School Culture/Climate Committee
School Safety Committee
Other
Specify: Any other groups that the school and program see fit.

List key community partners whom you will actively collaborate with to accomplish the goals of your program. (320 Characters)
Peralta School, Be the Change Consulting (training), OUSD ASP Office, Peralta PTO

Describe how you will collaborate with the partners listed above. (320 Characters)
We receive training from Be the Change, OUSD ASPO and attend school day trainings that are suitable for ASP staff. We also work with the Peralta PTO to support family engagement and other school needs.

Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. **Select** at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to **support culture and climate**? **How will you align** these practices with school day efforts? (1,900 Characters)

Our programs have many strategies to support school culture and climate.

- 1) We use asset based language (all staff are trained on asset based language)
- 2) We meet students where they are and recognize that all students are individuals who have different learning styles and experiences. (All staff are trained in trauma informed practices.)
- 3) We have shared values and behavior expectations from school day to afterschool.
* Peralta will be using the Caring School Community curriculum next school year. Our staff also utilize the same tools and language from this curriculum.
- 4) Site Coordinator sits on the School Culture/Climate team in order to ensure our practices are aligned.
- 5) Site Coordinator connects with Principal on a regular basis.
- 6) Beginning of the year training with school day and afterschool staff so everyone is aligned.

SECTION 4: PROGRAM COMPONENTS, continued

Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

Families feel more connected to the school.	Supports school-day by supporting families and creating a sense of community.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017–18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(735 Characters)

1. Staff provide students with consistent warm and positive greetings. Staff greet every student by name or nick names during sign in and at the beginning of each class time (Supportive Environment: Warm Welcome).
2. Staff have positive body language. Staff kneel down to be at eye level with smaller students and staff circulate around the room ensuring all students are being interacted with (Interaction: Interaction with Adults)

What areas did your program identify as **needing improvement**?

(735 Characters)

1. Staff will provide all students with at least one structured opportunity to provide feedback in each enrichment class (Engagement: Reflection).
2. Staff are also working on providing at least one small group activity per class offering (Interaction: Belonging).

Indicate the priority 2–3 **Youth Work Method Training sessions** that best align with your line staff's professional development needs for 2018–19.

SECTION 6: PROGRAM SCHEDULE & MODEL

Program Schedule

- ✓ **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*
- ✓ Also submit a copy of the **school bell schedule** for the 2018-19 school year.

Important Notes: *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

Program Model

For 2018–2019, **my site will operate** the following program model:

- ✓ **Traditional After School**: voluntary program open to all students, with enrollment priorities targeting certain students

Extended Day Program: additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)

Blended/Hybrid: combination of some extended day and some traditional after school programming

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.

List after school classes/activities that will be facilitated by teachers on extended contract. INCLUDE ANTICIPATED HRS/WK. (1,150 Characters)

ELA and Math Intervention:

1 hour/week for 30 weeks times 3 teachers

Teachers will provide small group literacy and math intervention to low performing students in the afterschool program.

SECTION 7: PROGRAM FEES

Will your after school program **charge program fees** for the 2018–19 school year? Yes No

If, "YES, program fees will be charged," please **complete** the following assurances.

Both the Principal and Lead Agency partner should initial.

Principal	Lead Agency	Assurances

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. Trauma and social disparities inhibit, impede, and sometime preclude well-being in children, youth and families. Children can't learn when distracted by emotional or behavioral challenges they are ill-equipped to handle. Nor can families thrive when they struggle to secure food, shelter and medical care.

East Bay Agency for Children focuses on interrupting the cycles that perpetuate adverse childhood experiences.

Children have a strong ability to overcome exposure to adversity if they and their families are given guidance and tools to build resilience and aid in recovery.

At East Bay Agency for Children, we work every day so children and families impacted by trauma can ultimately reach their full potential.

"I finally feel like someone understands what I am going through and is willing to help me help my son."

Agency Overview

Reducing the Impact of Trauma and Social Inequities

BEGUN IN 1952, EAST BAY AGENCY FOR CHILDREN CONTINUES TO BE A BAY AREA LEADER IN STRENGTHENING CHILDREN'S SOCIAL-EMOTIONAL HEALTH. TODAY, OUR COMPREHENSIVE CONTINUUM OF SERVICES POSITIVELY IMPACT THOUSANDS OF CHILDREN AND FAMILIES ANNUALLY.

School-based Therapeutic Intervention

Children can act out or become withdrawn as a result of emotional triggers they don't understand and can't control. Often these behaviors result from adverse childhood experiences such as abuse or neglect; separation from a love one by death, incarceration or deportation; or the stress of living in poverty or in neighborhoods or homes impacted by violence.

Every year, East Bay Agency for Children delivers school-based treatment to support healing and building resilience in over 1,000 Alameda County children impacted by trauma.

Trauma Transformed

Trauma Transformed is the only regional center and clearinghouse serving the entire Bay Area to promote trauma-informed systems.

Trauma Transformed provides trainings and policy guidance to systems of care professionals and organizations, building awareness and knowledge of trauma to reduce the re-traumatization of youth and families and the professionals who serve them. TraumaTransformed.org

Family and Community Wellness

A strong and stable family is critical to a child's long-term wellness. East Bay Agency for Children delivers services that foster family engagement and strengthen over 10,000 families and children annually. Our services:

- **Enhance** student achievement through quality afterschool and parent-child school readiness programs
- **Connect** vulnerable children and families to health insurance, dental care, food programs and other safety net and social services
- **Train** children and adults how to protect against child assault, abuse and neglect
- **Strengthen** the well-being of children, families, and school communities experiencing loss, grief, life threatening illness, trauma, and violence

Service Strategies

Our programs and services incorporate one or more of these three key strategies:

- **Build Resilience**
- **Aid Recovery**
- **Prevent exposure to trauma**

Mission

East Bay Agency for Children's mission is to improve the well-being of children, youth and families by reducing the impact of trauma and social inequities.

We support children and families who are disproportionately impacted by poverty, violence, marginalization, loss of loved ones, or other forms of trauma.

To best serve our client's needs, our comprehensive services are trauma-informed, culturally relevant, linguistically appropriate, and primarily located on school campuses where children and families already congregate.

Outcomes

East Bay Agency for Children's staff work diligently to produce these desired and life changing results:

- Children face less emotional and physical risk
- Children and families in all neighborhoods from diverse racial and ethnic backgrounds are healthier because they have affordable health insurance, food assistance and other public benefits they need
- Children exposed to trauma can heal, and they are better able to withstand exposure to future adversity
