Good Afternoon Alaya-

I hope this note finds you well. I'm reaching out because the Board requested clarification about the MOU for Her Footprints. Due to the fiscal crisis and massive cuts, we are still working through old contracts.

Regarding the attached MOU, since we changed our MOU language before your agreement was ratified, can you give your permission for us to strike Section V, C. Data because that language has been removed due to privacy laws? We will include your email permission with the package that is submitted to the board. This pivot does not affect your program or change the way we handle data. We offer public data at ouscddata.org and we have always required a separate data sharing agreement for nonpublic data.

Many thanks!
