Memo

To Facilities Committee Board of Education

From Kyla Johnson-Trammell, Superintendent
Timothy White, Deputy Chief Facilities Planning and Management

Board Meeting Date January 11, 2019

Subject Review and acceptance of the Report on Safety Matting

Action Review and acceptance of the Report on Safety Matting at Play Structures Projects

Background The Facilities Committee of the Board of Education has requested a report on Safety Matting projects and Planning for the Future Safety Play Matting Projects.

Discussion The District has completed multiple rounds of Safety Matting projects and continues to replace and upgrade Safety Matting. The report summarizes the history of these projects and the major factors contributing to the ongoing need for Safety Matting Replacements and Upgrades

Fiscal Impact Funding will be required ongoing to ensure timely replacement of safety matting

Attachment Report on Safety Matting
