#### RE: Fire Alarm System Testing and Closeout Edna Brewer Middle School 3748 13th Avenue Oakland, California

Dear Mr. Esposito:

The Edna Brewer Middle School fire and intrusion alarm replacement project (DSA # 01-116178) started construction in June 2017. The project has experienced numerous delays and setbacks during construction. Most recently, the fire alarm acceptance test conducted on February 2 and 3, 2019 revealed several deficiencies that the contractor is required to correct and retest.

Jensen Hughes' scope of work outlined in the original contract, dated March 10, 2014, has been completed. But additional testing is required for the new Fire alarm system and sign off of the project after the demolition of the existing fire alarm system and prepare close out documents, due to deficiencies identified during the most recent test.

OUSD has requested Jensen Hughes assistance to witness additional fire alarm system testing, and for DSA project close-out.
