## **Background**

(Why do we need these services? Why have you selected this vendor?) The Payroll Department has currently been without a director of assistant director for the past 2 months and it has been very impactful to the department. The CFO and other fiscal leaders have been unable to provide dedicated time to support payroll due to the current organizational demands. The district is aggressively recruiting to find a permanent director and once a new leader is on board, there should no longer be a requirement for these services.

**Competitively Bid** 

Was this contract competitively bid? No

If no, exception: Professional Services Agreement of less than \$92,600
