

## **Highlights from the LCAP Sub-Committees and Related Committees—May 1, 2019**

### **LCAP PSAC Lead Delegates:**

- Met on Thursday, April 25 to plan for the April 20 meeting with Kyla and to plan the agenda for May 1

### **Foster Youth Advisory Committee:**

- Met with Community Schools Managers from 5 schools to develop a process within COST meetings to support the high school readiness and transition to high school of middle school foster students.
- The Community Schools Managers, counselors, FY Case Managers, and other meeting participants brainstormed key actions to better support foster students through their role and in collaboration with other school and district staff.
- Participants at the meeting decided on the following:
  - Staff most positioned to ensure that the process occurs
  - When the process would occur
  - Who would need to be present
- The May meeting will continue to develop the process and next steps for presenting it as a district-wide proposal.

### **Community Advisory Committee for Special Education**

- Officers met on Monday, April 22<sup>nd</sup> to plan for May and June
- There will be a planning meeting on May 6 to review LCAP and Local Plan indicator data and construct the agenda and presentation for the May 13 CAC meeting.
- The CAC will present alongside the Special Education Executive Director at the June 5 School Board meeting,
- The CAC will make a request that Charles Wilson attend the May 13 meeting of the CAC to present on the implementation of the enrollment policy for students with IEPs

### **District English Language Learners' Sub-Committee**

- Will meet on May 23
- For more details about the upcoming meeting, see the minutes from the April 17, 2019 LCAP PSAC meeting.
