1. **Description of Services to be Provided:** Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

Contractor will provide six hours of daily summer academic support and enrichment to OUSD students who are in need of summer services to counter summer learning loss; program activities will be based on youth development quality standards; work collaboratively with the Summer and After School Programs Office to ensure that students in need receive at least 6 hours of daily summer learning, enrichment, physical activity, and support services; conduct outreach for summer student recruitment, communicate with families regularly, fulfill OUSD grant reporting requirements including submission of summer attendance records, and maintain communication with the OUSD Summer and After School units to review progress on summer program goals; comply with 21st CCLC grant requirements at Madison Park Business and Art Academy - Upper Campus. For Summer Learning Programs, 2019, contractor will provide in-kind services for Fiscal Year 2018-2019 (May-June, 2019) Summer services. Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

Summer learning programs are critical in countering summer learning loss in students. Students will greatly benefit from the opportunity to participate in a full 6-hour summer learning program. SECTION 2: Lead Agency Assurance

Please review and initial each item and sign below.

[Signature] I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office detailing my program's efforts to raise attendance numbers for the remainder of the summer.

[Signature] I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the 1st week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

[Signature] I understand that I am required to input my actual attendance numbers into the Cityspan attendance system daily during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

[Signature] I understand that I am required to submit electronic copies of my summer attendance records including copies of daily student sign in/out sheets and the OUSD summer internal audit log to the OUSD Expanded Learning Office twice during summer programming. I will submit my attendance through June 30th by the first week of July and I will submit the rest of my attendance within one week of the last day of my program. I will also submit attendance data during the course of my summer program, as requested, for OUSD's attendance reporting to the California Department of Education.

[Signature] I understand that OUSD's 21st Century federal grant funds are funding my summer program. I understand that I am required to follow all grant compliance requirements as outlined by the OUSD Expanded Learning Office. I will maintain my summer program records for 5 years for auditing purposes.

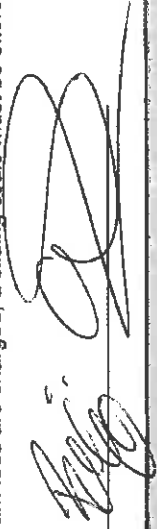

as required by the California Department of Education, and will submit any summer programmatic or fiscal records to the OUSD Expanded Learning Office, as requested, for school district reporting and auditing purposes.

☒ I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. All students must be off-site by 3:30pm and staff must be off site by 3:40 as the building will be promptly locked at 4pm daily.

☒ If I am a stand-alone 6 hour program, I understand that OUSD will only cover custodial costs for four to six weeks of my summer program until 3:15 pm. My agency will be responsible for covering any extra custodial costs if my program runs beyond four to six weeks, and beyond the hours of 3:15 pm daily.

☒ I understand OUSD Summer Programs are intended to be free programs. If program fees are charged, a sliding scale must be offered and students qualified for program participation cannot be turned away due to inability to pay.

Statement of Qualifications

Our Mission Aim High creates life-changing opportunities in the summer and beyond. Our community:

- **NURTURES** the promise and potential of middle school students from low-income neighborhoods.
- **PREPARES** students for high school, setting them on the path to college and future success.
- **INSPIRES** the next generation of teachers and educational leaders.

Our Vision Our vision is to close the opportunity and achievement gaps in Northern California through our transformational summer learning program. We envision every middle school student having access to joyful summer learning, inspired and innovative teachers, and the support they need to succeed in school and life.

History Since 1986, Aim High has worked to reduce the achievement and opportunity gaps prevalent among low-income middle school students. We serve students throughout their middle school years during the critical summer months, helping to prevent learning loss and prepare students for the upcoming school year and the transition to high school. Aim High is not a summer school of remediation. In our rigorous classes, youth begin to see their potential, work to prepare for the year ahead, look beyond to high school, and learn about the path to college.

Through this middle school program, Aim High makes a profound impact on emerging teachers. Our team-teaching model pairs veteran educators with high school and college interns, more than half of whom are Aim High graduates and other low-income students of color. This unique model serves two purposes: it inspires young people to pursue teaching careers, and it provides our middle school students with extra classroom attention from positive and diverse role models and mentors.

Aim High has a measurable record of accomplishment. We have grown from one campus to 18, trained 2,000 teachers and prepared nearly 10,000 low-income middle school students for high school, college and career success. We serve high-need neighborhoods in San Francisco, Oakland, East Palo Alto, Redwood City, San Rafael, Napa and the Tahoe-Truckee basin.

Once admitted to Aim High, students are welcomed back for the next three summers until they enter the ninth grade. And they are excited to return. Three-fourths of our students attend for multiple summers. This high retention results in positive outcomes: 91% of students report feeling more confident about doing their schoolwork in the upcoming year and 85% of students show improvement in their reading, writing, math and science.

As a result of their participation in our program, Aim High alumni graduate high school and enroll in college at twice the rate of their low-income peers. **98% of our alumni graduate from high school on time and enroll in college compared to 52% of low-income students nationally.**

Statement of Qualifications

Our Model

Aim High's tuition-free, award-winning program begins in June annually and runs for five weeks. We guarantee admission for four summers, during grades six through nine. This allows us to support our students throughout the challenging transitions to middle school and to high school and provide them with a nurturing community. Our program includes the following:

- **Low Student-to-Teacher Ratio**— All classes are team-taught by a veteran teacher and teaching assistants (local high school or college students). This model ensures that students receive the one-on-one support they need to strengthen fundamental skills, while providing Aim High alumni and other low-income students of color with meaningful job opportunities and inspiring them to pursue careers in education. Our 8:1 student-teacher ratio is significantly lower than the California average of 24:1 (the highest in the country).
- **Rigorous Academics**— Aim High is not a summer school of remediation. Our curriculum is designed to reinforce what students learned the previous year and prepare them for the year ahead. Our math, science, and humanities classes offer students hands-on, project-based learning experiences.
- **Social/Emotional Development**—SEL learning is embedded into all Aim High classes and activities, and is focused on in our hallmark Issues and Choices class, which is offered daily alongside academic classes. In this adolescent development course, students explore difficult but important topics, including bullying, peer pressure, identity, community, and racism. Aim High believes social and emotional development is foundational to academic growth.
- **Enrichment Electives**—Aim High's enrichment classes weave together arts exploration, studies in culture and diversity, community service, and leadership skill development. Aim High youth learn how to choose positive activities that further their personal dreams and stretch their capacities.
- **College/Career Awareness**—Students participate in structured college and career awareness activities, such as college tours, career panels with local leaders, and career visits to local companies.
- **Parent Engagement** --Aim High takes a holistic, community-based approach to learning. Each year, we engage the parents of our students with three events during our summer program. Families explore high school and college options; learn about how to pay for college; and are connected to community resources and partner programs. Parents are also able to see first hand what students are learning through group activities, demonstrations and student-led tours of Aim High classrooms.
- **Outdoor Education**—All ninth graders spend a week at a regional park, participating in hands-on environmental stewardship, land restoration and art activities. Students also camp overnight, a first for many.
- **Health and Wellness**— Aim High students receive two healthy meals per day and, if needed, counseling/support from trained social workers.
