OUSD Summer 2019 Lead Agency Summer Program Plan

Summer Hub: Frick

(Submit to OUSD Expanded Learning Office by March 22nd)

SECTION 1: Summer Program Snapshot

Lead Agency Name:	Summer Hub Site:	Target Summer Average Daily Attendance (ADA) Number:	Grades Served:	Program Dates:
EBAYC	Frick	80	Rising 6th to 8th	June 17th through July 12th Closed (July 4th)

SECTION 2: Lead Agency Assurances

Please review and initial each item and sign below.

BS I understand that my program's goal is to achieve at least 85% of the above attendance target this summer. I understand that if my summer site falls below 85% of this attendance target by the end of the 1st week of the summer program, I will be required to submit an aggressive student recruitment and retention plan to the OUSD Expanded Learning Office, detailing my program's efforts to raise attendance numbers for the remainder of the summer.

BS I understand that my agency's contracted summer funds are based on the above average daily attendance target number. My program will over-enroll appropriately to ensure that we reach this attendance target. I understand that if my program falls short of 85% of this attendance target by the end of the first week of program, I will submit a revised summer budget plan to the OUSD Expanded Learning Office detailing how I will reallocate contracted funds appropriately to reflect actual attendance numbers, and to support my student recruitment and retention plan for the remainder of the summer.

BS I understand that I am required to input my actual attendance numbers into the Cityspan attendance system **daily** during the summer program. I will cross check signatures on my daily sign in/out sheets with numbers inputted into Cityspan to ensure that the numbers match up and that Cityspan accurately reports my summer attendance data. I understand that the OUSD Expanded Learning Office will carefully review my daily attendance numbers over the summer program.

BS I understand that I am required to submit electronic copies of my summer attendance records (including copies of daily student sign in/out sheets and the OUSD summer internal audit log) to the OUSD Expanded Learning Office twice during summer programming. I will submit my attendance through June 30th by the first week of July, and I will submit the rest of my attendance within one week of the last day of my program. I will also submit attendance data during the course of my summer program, as requested, for OUSD's attendance reporting to the California Department of Education.

BS I understand that OUSD's 21st Century federal grant funds are funding my summer program. I understand that I am required to follow all grant compliance requirements as outlined by the OUSD Expanded Learning Office. I will maintain my summer program records for 5 years for auditing purposes, as required by the California Department of Education, and will submit any summer programmatic or fiscal records to the OUSD Expanded Learning Office, as requested, for school district reporting and auditing purposes.

BS I understand that if I am running an A+B summer program model, these are requirements regarding my program hours of operation: Morning summer school will operate from approximately 8:15 – 12:15 daily. My afternoon summer program will operate from approximately 12:15 – 3:15 daily. All students must be off-site by 3:30pm and staff must be off site by 3:40 as the building will be promptly locked at 4pm daily.

BS If I am a stand-alone 6 hour program, I understand that OUSD will only cover custodial costs for four to six weeks of my summer program until 3:15 pm. My agency will be responsible for covering any extra custodial costs if my program runs beyond four to six weeks, and beyond the hours of 3:15 pm daily.

BS I understand OUSD Summer Programs are intended to be free programs. If program fees are charged, a sliding scale must be offered and students qualified for program participation cannot be turned away due to inability to pay.

		Our program will publicize the program fee structure in written program materials for parents/guardians.
		Our program shall not charge a fee to a family for a child if the program's materials for parents/guardians.
		Our program shall not charge a fee to a family for a child if they program knows that the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.

SECTION 6b : PROGRAM FEES (Continued)

Describe how your program plans to collect program fees and who will be exempt from paying fees or received a reduced fee?

EBAYC has an established Tuition Policy that explains program fees, payment methods, discounts, tuition reductions, refunds and students who are exempt from paying programs fees. Please see attached documents regarding our Tuition Program.

Describe how all fees collected will be used on site for direct service in your summer program.

A majority of after school program funding is restrictive so fees collected are used to cover program's operation cost such as personnel, activities and supplies. We are able to be more creative in program offerings and bring students on field trips.

Describe how fees will be communicated to school leaders/school community.

Schools leaders and community are consulted and a part of planning of program tuition. We hold various meetings and focus groups to discuss tuition options. We also survey the broader school community as we continue our research before finalizing a tuition program for each school community. We communicate with families in the Spring of the current school year prior to implementing a new tuition program in the Summer/Fall.

Attach a copy of written evidence of your program fee materials/process (i.e. parent letters, parent handbook, etc. meeting with agenda/minutes?)

Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

Summarize the services this Vendor will be providing.

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

Memorandum of Understanding 2018-2019
Between Oakland Unified School District and
East Bay Asian Youth Center**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Asian Youth Center ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 203/Frick Impact Academy under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation.** Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21st CCLC grant award amount for East Bay Asian Youth Center is \$ 107,131.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASESP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 107,131.00 in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

SECTION 1: PROGRAM OPERATIONS, continued

Minimum Days

When a school holds minimum days, the after school program is required to begin as soon as the school day ends, and run a long day until 6pm. Minimum days have significant impact on after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2018-19

36

*School should provide lead agency with a calendar of minimum days before the 1st day of school.

Describe funding plan to operate program on the minimum days indicated above, including additional school resources (if any). (560 Characters)

BBAYC has budgeted for and can absorb staff hours for the 36 regular minimum days in the school year. However, any additional minimum day(s) that exceed the 36 minimum days are not accounted for in our budget and we would like the school to assist in developing a strategy to 1) support the after school staff's increased work hours on additional minimum day(s) (\$52.50/day/mentor) or 2) agreement that program will operate until 6:00 p.m. but not at maximum capacity.

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, **what school funds will be utilized** to fund these additional hours of program? (560 Characters)

At this point, there is no funding that will be contributed to fund the additional Wednesdays beyond the 36 Wednesdays. School day agrees with the funding plan above if funding resources becomes available with options 1) support the after school staff's increased work hours on additional minimum day(s) (\$52.50/day/mentor). However, any additional Wednesdays beyond the 36 regular minimum days will conclude with option 2) agreement that program will operate until 6:00p.m. however not at maximum capacity.

SECTION 2: PROGRAM DESIGN & PRIORITIES

Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for QUSD.

Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. *Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3940 Characters)

EBAYC will continue the practice of employing people of color and specifically African American and Latino staff as role models for our after school program. We will ensure that our staff reflect the school's student demographic. We will also continue to partner with organizations such as The Office of Equity's African American Male Achievement (AAMA), Latino/a Student Achievement (LSA) and Oakland Police Department OK mentorship program. In collaboration with the school day, we will offer affinity and gender circles and hold marking period recognition assemblies to highlight students' accomplishments.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8th grade.

High School Readiness

OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8th grade:

- a 2.5 or better GPA;
- no Ds or Fs in Math or English; no suspensions; and
- at least a 96% attendance rate for their 8th grade year.

Complete the matrix to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

District Strategic Target	Describe the ASP activities that will support this district strategic target (444 Characters)	Target Population (300 Characters)	Measurable Outcomes (444 Characters)
High School Readiness	Host an options fair for 8th grade students and families to learn about high school options, pathways and academies.	All 8th grade students.	80% of students attend the options fair in October/November and complete their high school options form by the OUSD deadline.
	Work with students to monitor their grades and provide academic tutoring to targeted student who are failing or at risk of failing their classes.	All 8th grade students enrolled in the after school program.	Students will receive 3 hours per week of tutoring in core content areas that they are struggling with.

Students will receive weekly counseling from their case manager and participate in monthly case review meetings.

SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES, continued

Social and Emotional Learning (SEL)

Developing SEL skills in students and adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

Please indicate which strategies will be used to support Social Emotional Learning. Check all that apply.

We will also implement components of SEL into daily program operation and collaborate with the district's Social and Emotional Learning Team to access other resources to continue to develop SEL skills.

Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. Select at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to support culture and climate? How will you align these practices with school day efforts?

(1,955 Characters)

School and lead agency will partner to ensure that the after school program is aligned in supporting these efforts. The goals of the partnership are to transform school culture and climate with planning meetings, sharing ideas, fostering collaborative leadership, and collaborating to sponsor school wide events. There are incentive prizes for students who model positive behavior, in addition to students who show growth academically through growing Grade Point Averages every marking period, in addition to program wide field trips. We also will be facilitating Restorative Justice activities at least once a week with all students in the ASP.

Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017-18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(880 Characters)

1. The first area that our program identified as a strength in our Program Quality Assessment and Quality Action Plan would be Safe Environment. Both internally and externally, the program was assessed and came to the conclusion that all ASP staff has shown competence in ensuring that all students are accommodated in areas such as a comfortable climate to work well in, with adequate space, nourishment, emotional safety, and being prepared in Emergency situations.
2. The second strength our program exhibits would be having a Supportive Environment with a sense of belonging. Our program shows a great deal of support provided by all staff to ensure the students feel welcomed, comfortable, and encouraged in the activities participated in. The great session flow of activities helps youth to actively engage with materials, in addition to the opportunity for youth to collaborate with one another.

What areas did your program identify as **needing improvement**?

(880 Characters)

1. Our first area of improvement would be the issue of a small lack of youth input and examination of their actions. We are currently working on more Restorative approaches to reframing conflicts that arise during after school program hours. Students feel belonging to our program, however need to work on more calmer approaches to communicate with one another. We feel that when this improvement is dealt with, more leadership will naturally be produced by all youth to eventually plan and choose on their own.
- 2.

Indicate the priority 2-3 Youth Work Method Training sessions that best align with your line staff's professional development needs for 2018-19.

SECTION 6: PROGRAM SCHEDULE & MODEL

Program Schedule

 **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

Make sure program schedule clearly shows when the following middle school program requirements will take place:

- MESA programming one hour/week
- STEM programming one hour/week
- Career exploration programming

 Also submit a copy of the **school bell schedule** for the 2018-19 school year.

Important Notes: *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

Program Model

For 2018–2019, my site will operate the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.

EBAYC Tuition Policy 2018-2019
Elementary & Middle School - Summer and After School Programs

Program Tuition: Tuition is assessed uniformly across all elementary and middle school after school programs and summer program. Revenue generated from tuition collection is used to support the operations of these programs.

A tuition payment is due on the stated date on the invoice. The tuition rate applies to all students enrolled in the program, with the exception of sibling discount and/or approved Tuition Reduction form.

EBAYC will continue to accept students under each program's existing enrollment guidelines. A family's ability to pay tuition is not a factor in the acceptance of a student into our programs. We will not turn away any student for their inability to make a payment.

Payment Method: Families have the choice of paying quarterly (every 3 months), or monthly or for the whole year in one payment in cash, check, money order, or credit card. A bounced check will be assessed a \$25 penalty fee. After three bounced checks, families will be required to make payments in cash, money order, or credit card.

Full Year Payment Discount: A \$15 discount is applied if a Full-Year Payment is made in one installment by **October 10, 2018**. This discount does not apply in the Summer Program.

Sibling Discount: The first student pays the full tuition amount and a \$70 discount is applied for each additional sibling enrolled in an EBAYC program. A sibling is defined as each of two or more children, or offspring, having one or both parents/guardians in common - a brother or sister, or any children a parent or guardian is financially liable for. Guardians must show proof of students listed as dependent on the most recent tax return form.

Tuition Reduction: Tuition Reduction forms are reviewed after it has been fully completed and submitted with all required documentations. Families will be notified within fifteen (15) business days of submission. Upon approval of the Tuition Reduction form, parents may either accept the discount or they can appeal the decision, please see your Program Director for the Tuition Reduction Appeal Form. Sibling and \$15 Full-Year Payment Discounts cannot be combined with Tuition Reduction discount; and the greater of the discounts will be applied to your invoice.

Refunds: Prorated refunds will be made as a result of withdrawal or dismissal from the program. A prorated refund will be provided upon receipt of a thirty (30) business days with advance written notice for program withdrawal from parents or guardians. Refunds are only processed during the current school year of withdrawal, or dismissal, in the form of a check. If the check is not cashed in 90 days, or by June 1, it will be forfeited as a donation to EBAYC. Refunds are not available to families who pay in full before submitting an approved Tuition Reduction Form.

Policy Changes: Policies are subject to change. Notifications will be mailed 15 business days prior to effective date.

EBAYC Tuition Frequently Asked Questions (FAQs) 2018-2019
Elementary & Middle School Elementary - After School Programs

Please note this FAQ only applies to our Elementary and Middle School Programs.

Why do we have student tuition now when we didn't need to pay before?

In spite of our best efforts to fundraise for our summer and after school programs, EBAYC continues to face funding cuts over the years. In the past, we have relied on EBAYC's savings to fill the budget gap. We do not have any more savings. So, we're asking families to make tuition payment so that we can continue to run our programs.

Will my tuition payment mean that I will receive more or higher quality of services?

EBAYC is *always* striving to provide the highest quality of services regardless of accepting tuition or not. However, this tuition collection will only serve the purpose of filling our budget gap and DOES NOT directly support any program enhancements. We do not provide any special treatment to those who can pay tuition and/ or provide additional donations.

What does the tuition cover?

The tuition covers program's operation costs such personnel, supplies, etc., which are critical to operating a successful after school program.

What if I cannot afford to pay the tuition?

You can fill out EBAYC's Tuition Reduction form. Please ask your Program Director for a copy of the form. You will get a response within 15 business days upon submission of your fully completed form. Upon approval of the Tuition Reduction form, parents may either accept the discount or appeal the decision, please see your Program Director for the Tuition Reduction Appeal Form. No student is denied services because of their inability to make tuition payment.

When should I fill out a Tuition Reduction form?

Tuition Reduction forms are due once every school year within 30 days of your child's first day of program.

How often should I fill out the Tuition Reduction forms?

If you believe you qualify for a tuition reduction, it must be filled out at the start of every After School Program year as financial conditions may be changing from year to year. Does not apply to summer.

If I paid in advance for the entire year, then I applied for a tuition reduction, can I still receive a refund?

No, tuition reductions can only be applied to current open balances and cannot be applied retroactively.

Will tuition affect my child's enrollment in the After School Program?

No, tuition does not affect your child's enrollment in EBAYC's after school program. Students are accepted into after school based on existing program enrollment guidelines.

Is there a discount if I have more than one child enrolled in the EBAYC After School Program?

Yes, there is a \$70 discount for each additional sibling(s) enrolled in EBAYC's elementary or middle after school after school programs.

Please note a sibling is defined as each of two or more children or offspring having one or both parents/guardians in common; a brother or sister. Cousin(s) are also eligible for sibling discount if the same Parents/Guardians are financially responsible for him/her. If requested, guardians must show proof of students listed as dependent on their most recent tax return form.

Students	Quarterly Cost	Total Cost (9.5 months)	Early-Payment Discount (-\$15)
1 st child (with \$30 deposit)	\$85/quarter	\$285	\$270
2 nd child (with \$30 Deposit)	\$62/quarter	\$215	n/a

All cost are rounded to the nearest dollar.

Is there a discount if I pay in full?

There is a \$15 discount per family for After School Programs if made by **Oct. 10, 2018**.

Can I combine sibling discount, full payment discount and tuition reduction?

Sibling discounts, \$15 Full-Year Payment discount *per family*, and approved tuition reductions cannot be combined. The greatest of the three discounts will be applied to your invoice.

What is the application deposit for?

The application deposit is used to process your child’s application for enrollment in the after school program. If accepted into the program, the deposit will be applied toward program tuition payment. Declined or waitlisted students will receive a full deposit refund upon 30 business days after program’s start date.

When can I expect an invoice?

The first invoice will be by mid/late September. Thereafter, invoices are distributed monthly.

When are payments due?

Payments are due on the **second WEDNESDAY of each month**. For those who wish to make quarterly payment, please see below payment schedule. Summer Payments are due by June 1st.

AFTER SCHOOL PROGRAM Quarterly Payment Schedule	
Due Date	Amount Due*
August (Enrollment Deposit)	\$30
October 10 th	\$85
January 9 th	\$85
April 10 th	\$85
TOTAL	\$285

*Amounts do not reflect sibling discounts and/or approved tuition reduction requests.

How do I make my payment for tuition? And who do I give it to?

Always enclose your invoice payment stub with any payment so we can identify the child you are paying for.

- a. Mailing in a check is preferred. Please make checks payable to **EBAYC**.
Mail to: Attn: EBAYC Development, 2025 East 12th Street, Oakland, CA 94606
- b. Pay in person with your Program Director at your school site. Office hours at your school sites will be announced by your Program Directors. Your invoice will provide more information.

What form of payment is acceptable?

Families have the choice of paying in cash, check, money order, or credit card.

Checks are preferred and considered the safest transaction. Please make checks payable to "EBAYC."

Are payments made tax deductible?

Yes, all payments received by EBAYC are tax deductible with a valid receipt. Our tax ID# is 94-2925799.

Why is there a \$25 fee charged for a bounced check?

Bank charges a fee for a bad check with insufficient money to make the check deposit. So, EBAYC cannot afford to pay the fee charged by our bank, therefore a fee is necessary to deter bounced checks. After three bounced checks, families will be required to make payments in cash, money order, or credit card.

Policy Change: Policies are subject to change. Policy change notifications will be mailed 15 business days prior to effective date.

For additional questions that have not been covered above, please contact our Development Team at (510) 533-1092 ext. 59 or Darling@ebayc.org.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.

Dear Ms. Pena,

This letter explains the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.

Sincerely,
