**After School Template for High School
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Oakland Kids First**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Oakland Kids First ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 301/Castlemont High School under the following grants:

- California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
- California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
- California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

a) No Premature Termination by AGENCY. AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.

b) Advance Notice by AGENCY for Coming School Year. AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of** The 21st Century ASSETS Core Grant, and Direct Access grant award amount for Oakland Kids First is \$ 206,173.00. Contingent on 21st CCLC funding. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to **AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2019-2020**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 206,173.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 301/Castlemont High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2019-2020. SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Program Operations for the 2019-2020 school year.

First Day: **August 12, 2019**

Last Day: **May 28, 2020**

CDE allows programs to close for a **maximum of 3 days** during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020: 43

**School should provide lead agency with a calendar of minimum days for the 1st day of school.*

☒ **School-day bell schedule attached**

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

The only additional minimum days at Castlemont High School are generally during dead week and final during which teachers support with office hours for additional tutoring.

SECTION 3a: PROGRAM MODEL

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

For 2019-2020, your site will operate the following program model:

- ☐ **Traditional After-School:** voluntary program, open to all students, with enrollment priorities targeting certain students
- ☐ **Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- ☒ **Blended/Hybrid:** a combination of some extended day and some traditional after-school programming (If you are conducting a blended/hybrid program, please use the section below to explain your program model type.)

In addition to a predominantly traditional after school program model, we are planning to hold English and Math credit recovery classes after school during the second semester to ensure that students will be on track to graduate.

Describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.

We will be holding recruitment sessions at the Castlemont feeder schools, including Elmhurst, Frick, Alliance and Roots. In addition to the recruitment sessions will be reaching out to all incoming 9th grade families to invite them to the summer bridge program, as well as the Knight Initiation, a Spring Orientation, Fall registration and a Fall 9th grade orientation. To support the recruitment of current 9-11th graders will be conducting survey to gain info about what additional programming we should be offering.

SECTION 3b: PROGRAM MODEL (Continued)

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)**, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)**
 - Establishes the definition of homeless used by schools
 - Ensures that children and youth experiencing homelessness have immediate and equal access to public education
 - Provides for educational access, stability, and support to promote school success
 - Needed to address the unique barriers faced by many homeless students

How does your program support students and their families who submit a “Golden Ticket?”

Site coordinator plays an active role on the Coordination of Services Team, where admin and school site partners discuss needs of students and connect them to resources. School Site Manager will work with school administration to support “Golden Ticket” students and families. Program will 2-5 reserve spaces for all “golden tickets” students.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

For all “Golden Ticket” students, there will be a flexible attendance policy that will be flexible to support the transitions for these students. These students will also have priority enrollment and no program fees.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

1. Establish a culture in which programs work collaboratively, meaningfully serve students, and create safe spaces by coordinating programs and events in partnership with community stakeholders, teachers, and administrators that promotes both a safe school culture and academic rigor.
2. Ensure programming equitably services those in danger of not graduating, transitional students, African American students, newcomer students and LGBTQ students by providing them with academic tutoring, credit recovery options, and structured time with teachers.
3. Ensure that programming continues to promote health and wellness through weight lifting program, intramural sports, Soccer Without Borders, farming and culinary program, and programming that focuses on socioemotional learning.

Educational and Literacy Component
that includes tutoring/
homework assistance
in the core subjects
(language arts, math,
history /social science,
etc.)

Describe how your after-school program will provide the educational & literacy component.

How are students building academic skills? How are you integrating social-emotional academic development? (Include specific strategies for creating a Safe & supporting environment through encouragement and Active engaged learning.)

Programming will include academic tutoring and credit recovery that is lead by both teachers and tutors. We have been working with teachers and Castlemont's administration to compel students in danger of failing a marking period to attend required after school tutoring and requiring students who failed a previous semester of math or English to attend a mandatory credit recovery class after school. In the after school program, we will ensure that academic growth is acknowledged by holding celebrations for honor roll, reclassification, SRI score improvement, etc.

Additionally, both program manager and program assistant will be assigned a group 9th and 10th graders in danger of failing to conduct mentoring and 1:1s. Holding space for students, connecting them to additional resources, encouraging goal setting, and following up with students are hallmarks of OKF's approach to student development. To support with college and career readiness, we will be working with the Future Center to support students with college application, FAFSA, college visits, and scholarships.

Educational Enrichment

Describe how your after-school program will offer educational enrichment activities.

This cultural currency system and store are designed to recognize and reward students who are making Castlemont a safer, more supportive, and engaged school community. - We will hold pathway focused programming such as Castle Works, the Green EatZ culinary program, the Castlemont Fab Lab fabricating program, and two agriculture programs - the Castlemont Garden and Orchard. - Teens on Target: A violence prevention program that trains Castlemont students to lead workshops with Oakland middle school students. - Debate Club: The Debate Clubs provides the intellectual and networking tools for students to thrive as active, responsible leaders in their community. - Community Art: Students are taught skills and promote health and engagement via art. Students will create two community murals throughout Oakland. - Internships: Students in the 10th-12th grade are provided the opportunities to complete a semester or year-long internship that is focused on one of the two pathways. Students gain work-based experience and increase their career readiness and 21st Century skills.
<p>Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. They will be playing in tournaments with other Soccer Without Border schools. <p><i>CDE asks programs to offer 30-60 minutes of developmentally appropriate, daily physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess.</i></p>

OKF will also be working with the Castlemont administration to establish adult educational programming to support the language development of the parents and families of students.</p>

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

To support Castemont's SPSA goal of increase the number of students connected to college and career by 10%, we are 1) ensuring that all ninth graders will receive Peers Advising Students to Succeed (2hrs/wk) workshops where students will learn about their A-G requirements, college requirements, campus resources, and high school graduation. 2) in collaboration with the Work Based Learning Specialist, the Future Center and pathway director, we will work to increase the college and career experiences during after school program for 10-12th graders, to include more internships, college trips and job shadowing.

To support Castemont's SPSA goal of increasing the SRI score by 1 grade every year, 1) we will be offering two teachers an extended contract to hold a credit recovery for math and English to increase their SRI score and support students that are in danger of not graduating. 2) we will be holding study hall and tutoring for all students. In collaboration with teachers and administrations, students who are identified as at risk will also be recommended to attend study hall at least twice a week. Teachers will also be offered an extended contract to work with academic tutors to support students.

To support Castlemont's SPSA goal of increasing attendance 1) after school program staff will be assigned a group 9th and 10th graders in danger of failing or are chronically absent to conduct mentoring and 1:1s. 2) site coordinator will be on the culture and climate team.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California After School Network (CAN) Quality Committee.

Name 2-3 Quality Action Plan (QAP) practices that will be implemented in 2019-2020

Based on learnings from this year's Continuous Quality Improvement process, we will work on the following activities in the 19-20 school year:

1. In support of creating a stronger after school culture and to support our students feeling a sense of belonging and ownership over the program, we will be holding a student-led Parent night where students will be able to present the work they have completed throughout the year. In 2019-20 students will have multiple opportunities to present their work and engage collaboratively on shared goals.
2. Due to student and staff feedback regarding a lack of campus safety during the school day, we're working to create a distinct and different sense of space for the world of after school. Students report feeling held and supported in distinct after school programs, so we're working to scale that sense of safety to the broader campus community. We will have program staff share best practices on how they create safety and belonging with all adults on campus and ensure all staff receive a refresher training on emergency procedures and mandated reporting.

What are some key discoveries you made doing the program self-

We discovered that one of areas of strength is that our program staff provides a supportive environment by welcoming all students and building genuine mutually respectful relationships. Additionally, we have worked with admin this year to

Which Quality Standards will the program focus on for improvement in the 2019 - 2020 school year?	Belonging , even though our program staff have been able to build strong relationships with students, we want to build a sense and ownerships over programming.
Describe how the program will address the improvement in this area? (please include program structures, staffing practices and partnerships.)	Next year, we will be addressing this area by having more larger school wide events, including Parent Nights, grade levels meetings, after school dances and performances. We will continue to work closely with the Community School Manager, student leadership and community partners to ensure that we are able to build a positive after school culture.
What is one key data point from your program profile that will be a focus for the upcoming school year? (Please include a summary of the data you are responding to.)	Our key data point will be the growth from both belonging and active engagement. To support in gaining additional, qualitative and quantitative data, we will be conducting a culture survey by mid-May and repeat it again in December 2019 and April 2020 to see our growth.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis: (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- ☒ Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- ☒ Site coordinator will participate in CQI trainings to develop her/his leadership in leading continuous quality improvement processes.
- ☒ Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- ☒ Site coordinator will share CQI data with Site Administrator and school staff.
- ☒ Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

Lead Agency Administrative Costs Charged to ASES and 21st Century Grants 2019-20

School Site: Castlemont High School
Lead Agency: Oakland Kids First

Use the spreadsheet below to detail your allowable Agency Administrative costs that are charged to the after school grants. Lead Agencies can charge up to 4% of contracted funds for Agency Administrative costs, as long as the overall grant total for Indirect/Administrative costs does not exceed 15% of the total grant award. If it does exceed 15%, then the Agency Admin cost must be reduced accordingly. In order to stay in compliance with grant restrictions on indirect costs, lead agencies are only allowed to charge direct administrative costs to the ASES and 21st Century grants, and not indirect administrative costs. Administrative costs are those that provide a direct benefit to a particular program. These may include, but are not limited to: administrative work involving duplicating or reproduction, collection and maintenance of records, program planning, maintenance of student attendance system, public relations, proportion of staff job duties related to administrative tasks. Indirect costs consist of expenditures that are necessary for the general operation of the agency, but that cannot be tied directly to the after school program.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):

Any person or organization that you are required to add as an additional insured on this policy, under a written contract or agreement currently in effect, or becoming effective during the term of this policy. Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
1. In the performance of your ongoing operations; or

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

STATEMENT OF QUALIFICATIONS

INSERT HERE

Mission Statement:

Oakland Kids First amplifies youth voice, leadership, and power to create engaging and equitable public schools where all students learn and achieve.

Service Description:

Oakland Kids First (OKF) works to ensure that OUSD high schools are places where youth and adults work in partnership to improve student learning, leadership, achievement, and equity. Based on the challenges, needs, and opportunities in Oakland high schools, OKF has worked with youth organizers to come up with innovative solutions to improve school culture and academic resilience.

1. Peers Advising Students 2 Succeed (PASS-2) trains upper classmen to provide 9th graders with peer academic counseling and mentoring through classroom workshops and one-on-one mentoring. As a result of PASS-2, student leaders are developed into skilled facilitators and mentors, and the students they teach learn their A-G requirements, how to read their transcripts, what resources exist on campus, how to make up classes, and how to navigate difficult situations. Much like Kaiser has you screened by an Advice Nurse before seeing a Doctor or specialist, PASS2 mentors ensure every 9th grader receives a baseline of important school navigation information before students seek out counselors for more advanced queries. This ensures that overburdened counselors have some support, 9th graders can learn personal lessons from their peers, and students who won't seek out support get it anyway.

PASS-2 is at Castlemont and Fremont High School this year but has also served Skyline, McClymonds, Oakland High, Street Academy, and Oakland Tech in the past.

2. Representing Educated Active Leaders Having A Righteous Dream (REAL HARD) is an after-school youth organizing program that engages 9th–12th grade leaders in positive school culture formation to increase belonging, equity and graduation rates. REAL HARD has ensured students feel a greater sense of safety and belonging on campus, while also inserting themselves into adult decision-making spaces to advocate for student needs. All four of REAL HARD's sites have adopted student created Codes of Respect and REAL HARD students have developed various strategies to uphold and institutionalize these codes via school currency and stores to incentivize the lifting up of positive school culture. This student work has been institutionalized at several sites and continues to grow.

REAL HARD is at Oakland Tech, Fremont, Castlemont, and Oakland High School

3. Youth Organizing Council (YOC) is a program comprised of experienced REAL HARD Student leaders and alumni who engage in district-level organizing and advocacy to increase student power and equity in OUSD. OKF staff teach students research and advocacy skills and student organizers select pressing district equity issues they develop into campaigns.
