Subject Memorandum of Understanding
Contractor: Safe Passages
Services For: Laurel Elementary School

Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and Safe Passages, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Laurel Elementary School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$102,567.00.

Background

(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Safe Passages

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 131/Laurel Elementary School under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for Safe Passages is \$ 102,567.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 102,567.00 in accordance with Exhibit B. Exhibit B ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2019-20 school year program.

Program Operations for the 2019-2020 school year.

First Day: **August 12, 2019**

Last Day: **May 28, 2020**

CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

Date:	Date:	Date:

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020: 65

**School should provide lead agency with a calendar of minimum days for the 1st day of school.*

X School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

Safe Passages' AmeriCorps team will support programming on to support minimum day schedules. The AmeriCorps team works across the regular day and after school program, and will be on-site for every minimum day to ensure high quality programming. Part-time instructors will restructure their prep time in order to support all minimum days for the year. Office and program supplies will be supported by the day program to help minimize cost for program implementation on minimum days.

SECTION 3a: PROGRAM MODEL

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

For 2019-2020, your site will operate the following program model:

SECTION 3b: PROGRAM MODEL. (Continued)

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

Classes will be adjusted as needed in the event of a golden ticket arrival, with enrollment being guaranteed. If needed, staff members will be moved according to desired ratios in order to serve those families with the highest needs.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

Laurel’s program is designed for a co-teaching environment. If necessary, classes can be broken down to smaller sizes to accommodate golden ticket families.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

- 1) Students develop leadership skills through student choice, student voice, and actively engaging in the planning of their enrichment.
- 2) Students are engaged in positive, healthy, and peaceful relationships at school and in their community, embracing their identity and experiences.
- 3) Students build strong academic skills and engage in meaningful enrichment curriculum, growing a love for learning.

Educational and literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)	Through a strong partnership between the regular day program and our AmeriCorps members, the after school program is positioned to stay in tune with everything the students are learning during the day. Using this information, the After School staff can plan robust academic support around curriculum they are already exposed to, in new and dynamic ways. Through this curriculum, the staff will promote active and engaged learning, exposing students to a safe and supportive environment, and maintain high standards for success for 21 st century skills.
Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)	The after school staff will instruct students in subject matter that they themselves are engaged with, in order to better expose students to experiences that will grow a love for learning. This will promote skill building in diverse areas of education, and include teach back opportunities for students in order to foster student voice and leadership skills. This will include assigning responsibilities to students, further building community and promoting peaceful solution minded problem solving techniques. Reflection will also play a major role in our day to day activities.
Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in the program.)	Daily physical activity will be part of our schedule for each grade, using organized games to foster leadership and student choice. Instructors will provide guided warm ups prior to leading structured physical activities for groups of students organized by grade level. These activities will close with an instructor facilitated cool down. Activities will also promote team/community building, and will also promote good decision making around nutrition.

Family Literacy Component that includes literacy activities and other educational services that adult family of students.	Safe Passages believes that schools are the hub for family success. Through the after school program, families will have access to guidance for further academic success, not only for children, but also for the adult members of the family, further promoting the disruption of poverty. The After school program also holds a family literacy night, inviting families to come to Laurel for story telling activities, food, and prizes.
Academic Alignment with School Day and District Priorities	
Please provide a short narrative that identifies how you will support school goals aligned with district priorities. • Collaborate with your school administrator and consult the School Site Plan to align with the school day. • Consult the descriptions below for the District's priorities for elementary, middle and high school.	
Elementary OUSD Strategic Strategies Safe Passages also utilizes the AmeriCorps program on the Laurel campus, ensuring that those students in need receive extra support in literacy and math. These same students are enrolled in our after school program, again increasing exposure to caring adults. This collaboration has shown to increase those students skills in math and or literacy.	
MIDDLE_ OUSD Strategic Targets <i>In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.</i> Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.	
High School OUSD Strategic Strategies <i>Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.</i> Please include the following OUSD High School After-School requirements: <u>For Comprehensive high schools:</u>	

- Academic mentoring for 9th graders at risk of failing classes
 - Academic supports and mentoring for 10th–12th grade students taking credit recovery
- For Alternative Ed, high schools:
- College and career readiness activities

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California After School Network (CAN) Quality Committee.

Name 2-3 Quality Action Plan (QAP) practices that will be implemented in 2019-2020

1. Reflection activities will be included in weekly lesson plans, to be performed on daily, tracked on a weekly basis by the site coordinator.
2. 4th and 5th grade students will perform one arts and crafts lesson for the tk-1st grade students once per month
3. Instructors will receive restorative justice training once per month

What are some key discoveries you made doing the program self-assessment? <i>(Strengths, areas of improvement)</i>	We found that we have strong structures in place that make our students feel safe. Our students are happy to be a part of this program and the activities we offer. One area of improvement we will be working on is student choice and leadership. We will guide and encourage the students to make positive choices for themselves, and by extension, those around them.				
Which Quality Standards will the program focus on for improvement in the 2019 - 2020 school year?	The program will focus on student leadership.				
Describe how the program will address the improvement in this area? (please include program structures, staffing practices and partnerships.)	Program instructors will design their classroom management culture around entrusting the students to manage their time. Through a positive incentive system, the students own behaviors will have a direct impact on their day to day structure, with student leaders performing duties in rotation to expose students to more opportunities for guiding their class.				
What is one key data point from your program profile that will be a focus for the upcoming school year? <i>(Please include a summary of the data you are responding to.)</i>	We will be looking closely at our effectiveness at nurturing student leaders. We are responding to observations during our self-assessment that one area in which our curriculum could grow is providing opportunities for our students to take on more leadership positions.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis: (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Safe Passages - Agency History and Qualifications

Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.

Who We Are:

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For more than 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

Where We Work:

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

What We Do:

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

Early Childhood Initiative – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

School Linked Services – Aims to integrate education and social services at school sites to support school communities as catalysts for student success and social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. Over time school linked strategy expanded to schools K-12. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Havenscourt (CCPA) and Calvin Simmons (UFSA) were part of the first cohort of implementation schools and 19 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school-based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated Family Resource Centers across the school district. Safe Passages partnership schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

Juvenile Justice Initiative – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

Career Development – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, in the summer time, and post-graduation. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, legal services, social work, and in the mental health profession.

Successes:

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school-based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 212 Safe Passages AmeriCorps members have served over 1170 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program, AmeriCorps Programs and Safe Passages Career Pathways since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody 19 years of partnership.
