Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and Girls Inc of Alameda County, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Horace Mann Elementary School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$102,567.00.

Background
(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Girls Inc of Alameda County

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Girls Inc of Alameda County ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 136/Horace Mann Elementary School under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for** Girls Inc of Alameda County **is \$** 102,567.00 **..** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 102,567.00 in accordance with Exhibit B. Exhibit B ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

CDE allows programs to close for a **maximum of 3 days** during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.

Date:	Date:	Date:
10/11/19	3/20/20	5/28/20

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020: 56

**School should provide lead agency with a calendar of minimum days for the 1st day of school.*

 **School-day bell schedule attached**

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

Girls Inc. will cover the costs to cover all additional program hours caused by minimum days. This will ensure that program starts directly after school and until 6pm daily.

SECTION 3a: PROGRAM MODEL.

Our Program Coordinator and Manager will work with the school Principal, Quality Support Coach and/or other identified school personnel to identify students who are in need of academic, social emotional support, and/or siblings of returning students. One or more of the following strategies will be used to recruit participants: informational flyers/invitation to join program home to families, school referral forms, Coordinator outreach to families, school outreach/follow-up (when needed), open house/orientation. Continuing families notified immediately. New families will be put on an enrollment list as applications are turned in and notified as to their enrollment status in program based on available spaces in program and literacy need.

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

Our program will set aside 5 spaces in program for students whose families submit a Golden Ticket, as well as continuously prioritize enrollment of these students in program throughout the year if the initial spaces fill. Our Program Coordinator and Manager will work with the school (Principal, Quality Support Coach and/or other identified school personnel), OUSD Expanded Learning Office and McKinney-Vento Office to identify students who are high need and what supports (academic, SEL, language, etc.) are needed both in transitioning into the program and once they are in program. As with all youth we enroll into program, participant updates will be discussed and assessed regularly/as needed (while maintaining necessary confidentiality) at collaborative meetings to ensure that both after school program and school day staff are supporting students’ successes, areas of concern, and/or additional supports needed to aid their success in program.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

Modification to attendance policies will be made for students whose families have received a Golden Ticket, based on student & family needs, to ensure that they are not removed from program in the case of poor attendance or leaving program early. Our Program Coordinator/Manager will collaborate to create attendance incentives and plans for students to encourage and support increased school and program attendance.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment component**, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

1. Increased reading level through participation in daily Standards Based Literacy Instruction components
2. Increased school engagement and attendance through participation in ASP that provides academic and enrichment opportunities while aligning with school culture.
3. Increased SEL skills through participation in activities and curriculum in that support the development of SEL skills: Self-Awareness, Self-Management, Social Awareness, Relationship Skills, Responsible Decision-Making

Educational and literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how your after-school program will provide the educational & literacy component.

How are students building academic skills? How are you integrating social-emotional academic development? *(Include specific strategies for creating a [Safe & supporting environment through encouragement and Active engaged learning.](#))*

Our after-school program will provide one hour daily of literacy intervention to increase student reading levels by at least one year as measured by SRI. Students engage with Common Core-aligned, culturally responsive, and data-informed literacy activities to provide targeted support that meet their individual literacy and social-emotional needs. Through participating in activities such as read alouds, literacy centers, Reader's Theater, academic discussions, and guided reading, students become more engaged, confident, and capable readers and writers. As with all of the program activities we provide, our daily literacy activities have infused strategies to support the development of participants' SEL skills, providing opportunities to strengthen peer and adult relationships, take positive risks and build self-awareness and self-management.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

Describe how your after-school program will offer educational enrichment activities. *(Include specific strategies designed to foster [skill - building; youth voice and leadership and diversity, access and equity.](#))*

Daily educational enrichment activities will give youth the opportunity to explore diverse, engaging, culturally and developmentally appropriate activities designed with youth development principals to meet physical, social and cognitive needs. Enrichment classes will occur daily Monday-Friday for 45 minutes. Enrichment activities will include: **1) Bodies in Motion** which will provide physical activity, nutrition and health and wellness strategies, while teaching youth to take care of their bodies through motor skill development activities. **2) Clubs**

	provides hands-on enrichment and community building activities to meet the unique needs, interests and group dynamic of each individual class. 3) EcoKids includes hands-on activities in gardening, cooking, composting and recycling, so participants learn healthy eating habits, where to access healthy foods in their communities, and increase awareness of health, nutrition and food justice concepts. 4) Leadership is a participatory approach for youth to learn about leadership qualities, community leaders, respecting their community, exploring problems and resources, and strategies to be change agents. 5) Visual, Performing and Creative Arts will offer curriculum to engage youth in projects that explore a variety of art techniques to express themselves, emphasizing movement, creativity and experimentation. 6) STEAM (Science, Technology, Engineering, Art and Math) will provide high-quality, hands-on learning to build youth confidence in applying design skills, improve academic success and boost interest in STEM while integrating the arts.
Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in program.)	Describe how your after-school program will provide <u>structured physical activity</u> for all participants. (Include specific strategies to promote <u>Healthy Choice and Behaviors</u>.) <i>CDE asks programs to offer 30-60 minutes of developmentally appropriate, <u>daily</u> physical activity (to help meet CDE recommendation of 60 daily minutes of moderate to vigorous physical activity for youth) This is not 'free play' or recess.</i> · Plan and evaluate (review fitness test results, track minutes, etc.) · Include a variety of activities throughout the year In addition to the Bodies in Motion component mentioned above, which will occur once per week for 45 minutes and provides physical activity, nutrition and health and wellness strategies, while teaching youth to take care of their bodies through motor skill development activities, the after school program will provide 30 minutes of structured recreation daily Monday-Friday. Structured recreation will occur near the start of program and facilitators will each provide sports and fitness activities that students will vote on and rotate every 5-7 weeks. Youth will be able to participate in various activities that will give them access to both traditional sports/activities that they are familiar with as well as activities that they would not normally have access to or opportunities in which to participate.
Family Literacy Component that includes literacy activities and other educational services that adult family of students.	Describe how your after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students? We provide opportunities to promote literacy and other educational services to families in a number of ways. Each year, our schools host a Family Read Night—dedicated to supporting literacy. At the event, we provide resources to families on how to promote and engage with literacy at home. Our programs also host Family Showcases, where students display or perform elements of the literacy program to families as a way to show what they have learned in the after school program. In collaboration with our Pathways Counseling Center, we also host Family Communication Nights at our sites, where families learn how to communicate with their youth with issues that arise at school, such as bullying and handling emotions.

Academic Alignment with School Day and District Priorities

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

Our program prioritizes groups of students that Principal Adams has identified as populations they will be targeting for their school goals. The school has set a goal for reclassification of ELL students based on the LPAC test, and SRI scores. The school is also targeting students who are below or far below in ELA and math based on SBAC data, as well as underserved populations such as newcomers, African Americans and students with disabilities. Reduction of chronic absences was also identified as an area of improvement for the school.

Our program will support by emphasizing vocabulary development, and reading comprehension through exposure to complex texts in read alouds with extension activities that align with common core standards and help students make meaning, discuss ideas and write about literature. . All program staff are trained on and use ELL best practices in facilitation, literacy intervention and youth development that support students' language acquisition, emotional safety and SEL skills.

Girls Inc. will emphasize STEM in their enrichment programming to support students in deepening their understanding of cause and effect, strategic thinking skills and expand their critical thinking skills.

To support with reducing chronic absenteeism, Program Coordinators will work with school leadership teams (eg: COST, Attendance Team) through communication with the principal, admin staff and QSC to be a part of interventions for students at risk of chronic absenteeism. After school program will incentivize attendance and leverage relationships with students and families to keep youth engage in school.

Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

Our program targets students below grade level according to the Scholastic Reading Inventory (SRI) and Fountas and Pinnell (F&P); and ELL students who need language support to reach English fluency and students who need SEL supports. The Program Coordinator and Managers work with school the Principal, Quality Support Coach and/or other identified school personnel, parents/guardians to identify and recruit students who are in need of ASP that provides the following support daily:

English Language Arts Intervention (1hr/daily)- Provide opportunities for targeted students, identified with support from the school day, to increase their reading level by 1.0 or more years, increasing school wide reading levels. Through participation in 1 hour daily of common core aligned standards based literacy focused programming each day – Read alouds & hands-on extension activities, literacy centers, Reader's Theater, Book Club, Guided Reading.

Our daily enrichment activities are focused on supporting/developing participants SEL skills, providing opportunities to strengthen peer and adult relationships, take positive risks and build self-awareness and management.

Additionally to support ELL students and families we prioritize hiring bilingual staff at each program site, who can support students and families in their home language, translate curriculum, and translate program materials. All program staff are trained on and use ELL best practices in facilitation, literacy intervention and youth development that support students language acquisition, emotional safety and SEL skills. Our Program Coordinator will meet regularly with Quality Support Coach and/or Principal to track and support students.

MIDDLE_ OUSD Strategic Targets

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready**. To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.*

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis. (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- Site coordinator will participate in CQI trainings to develop her/his leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Girls Incorporated® of Alameda County® **Activities and Supporting Services**

Mission: *Inspiring all girls to be strong through healthy living, smart through education, and bold through independence.*

Vision: Generations are transformed when girls are equipped with knowledge, information and confidence. They grow up strong, smart and bold. At Girls Incorporated of Alameda County, when a girl is engaged with us as young as possible, she develops the essential skills and tools she needs for college, career and life success. Tailored to meet the unique needs of the diverse County of Alameda, our programs and services provide girls in communities most at need with the opportunity to make positive change in their own lives, families, and the world.

About Girls Incorporated of Alameda County

Girls Inc. locally is one of 83 affiliates of the national Girls Incorporated organization, the country's leading voice for girls. Since 1958, Girls Inc. has responded to the unique needs of girls, ages 5 to 18, in underserved communities of San Francisco's East Bay through academic achievement programs and counseling services. Programs are free and challenge girls to explore their potential, develop life skills, ensure college and career success, and expand their sense of what is possible. With an innovative educational approach incorporating local needs into research-based curricula, Girls Inc. has established itself as the Bay Area's leading provider of after-school programs, reaching nearly 7,000 girls and their family members each year.

Programs with Impact

Our combination of counseling and educational programming allows us to best serve the whole girl and is unique among Girls Inc. affiliates nationally. Our programs in literacy, math and science, health and fitness, pregnancy prevention, leadership, and advocacy are delivered on-site and at over 30 schools and community sites in Alameda County. Through our on-site Pathways Counseling Center, we offer no-cost or low-cost community mental health and case management services to youth and their families.

Local Expertise, National Recognition

Girls Inc. is unique in its specific focus of prioritizing underserved girls and communities. The Girls Inc. constituency is 33% Latina, 29% African American, 20% Asian American, 8% multi-racial, 4% Caucasian, 4% Pacific Islander 1% Middle Eastern, and 1% other. More than 82% came from households earning an annual income of \$40,000 or less, with 25% earning an annual income of \$10,000 or less, and 89% of girls participating in the Federal Free or Reduced-price Lunch Program. Nearly 34% of our girls live in single parent households headed by women, and 25% of girls' caregivers have less than a high school degree. Our communities include some of the most underfunded and underperforming public schools in California, presenting a particularly challenging educational setting for the girls we serve. In Oakland, *nearly 40% of their peers won't even graduate from high school.*

Continuum of Programs for Grades K-12

The Department of Education reports that youth who participate in high-quality after-school programs have "better peer relations and emotional adjustment, and lower incidences of drug use, violence, and pregnancy." Further, a girl's future participation in the workforce is directly related to her K-12 academic success. Responding to these critical needs, Girls Inc. encourages girls to continue to learn and grow with us as they move through their school years through a continuum of programs:
