<b>MEASURE N 2018-19 CARRYOVER JUSTIFICATION FORM</b>							
<b>Why were you unable to expend all your funds in 2018-29 school year?</b>	Measre N funds were not depleted because we encountered a few obstacles with escape compounded with faculty challenges that did not allow us to carry out our plans to fidelity. We had difficulty getting expenditures approved in ESCAPE but also prioritized spending last years carry over funds. We also had 3 vacancies for the greater part of the year and staff members were shifted to support students. For example, our literacy TSA taught a 9th grade English/History line, thus was not able to offer intervention in the manner intended, thus not expending funds designed to support the work. Our carry over funds will be used to support 5 Student Support Coach positions, which pathways could not all afford after planning for next year. Having these funds to use across pathways will support the greatest number of students. Beyond the Student Support Coach positions, we have also identified additional strategies to spend our Measure N carryover, listed below.						
<b>Total Measure N Funds Received in Fiscal Year 2018-19</b> <i>(including accumulated carryover from previous years)</i>	<b>\$2,254,928.89</b>			<b>Final Carryover Amount from Fiscal Year 2018-19</b>		<b>\$454,566.90</b>	
<b>Final Carryover Amount from Fiscal Year 2018-19</b>	<b>\$454,566.90</b>			<b>Total Budgetted Amount</b>		<b>\$454,566.90</b>	
<b>Percentage of 2018-19 Measure N Funds to Carryover</b>	<b>20.16%</b>			<b>Remaining Amount</b>		<b>\$0.00</b>	
<b>Commission Approval Required</b> <i>(Required if percentage of funds to carry over is 10% or more)</i>	<b>Yes</b>						
<b>Directions:</b>	Please provide a detailed explanation as to how the carryover amount will be used to help you achieve your theory of action, address your root cause analysis, and supports and aligns to specific parts of your SPSA to support students and pathway development. **Proper justification is required below and should be used when creating Escape purchase order requests, budget transfer or journal entry requests, HRA's requests, consultant contracts online, etc. Examples that can be used are available in the Proper Justification Form linked below.
