MEMORANDUM

To: School Administrators (Charter);

From:

Re: **Measure G1 Audit Report 2019**

The Teacher Retention and Middle School Improvement Act Fund (“Measure G1”) was established to provide a salary increase to school-site educators and middle school grants in Oakland Unified School District (“OUSD”) schools as well as charter schools in Oakland. Measure G1 requires OUSD to secure an independent financial auditor to prepare a report (“Report”) to be filed with the Board of Education and made publicly available no later than December 31 of each year. In order to meet this deadline, **all schools must submit reports/responses to the independent auditor by November 1st.** The final Report must include the following:

1. The amount collected and expended in such year;
2. The description of all programs funded, and a determination that the monies expended were for the allowable uses stated in this Measure; and
3. The determination that the revenues leftover after the raise provided to school-site educators generated by this Measure are being used to supplement, and not supplant, unrestricted general fund revenue so appropriated to schools to serve pupils in grades 6 through 8 based on fiscal year 2018-19 funding.

Please see the enclosed *Procedures for Measure G1 Audit* for more information. You are also strongly encouraged to attend, along with your school auditor, one of two information sessions to be held on September 10, 2019 and September 24, 2019 at KDOL TV Studio, B-237, Met West High School Entrance, 314 East 10th Street, Oakland, CA 94606-2291 from 5:00pm to 6:00pm. Should you have any questions related to the process please contact Jenine Lindsey at jenine.lindsey@ousd.org.

Procedures for Measure G1 Audit

PROCEDURES FOR MEASURE G1 PARCEL TAX AUDIT

Objectives

- Ensure proceeds and expenditures of the parcel tax are fully accounted in the books and records of the charter school.
- Ensure expenditures are in support of allowable uses as per the ballot language, separately with respect to middle school grants, salary for school site educators, and administrative overhead.
- Ensure that the administrative overhead allocation does not exceed 1% cumulatively from inception.
- Ensure that the charter school has an education improvement plan with the minimal requirements specified in the ballot.
- Make a positive statement about the issue of supplanting versus supplementing.

Scope

- Charter school expenditures funded by measure G1 during fiscal year 2018-19.

Methodology

1. Obtain parcel tax expenditure detail reports prepared by the charter school and agree amounts to the general ledger.
2. Review the nature of the expenditures incurred by the charter school sites, and review source documents as appropriate, to ensure they were within the specific purposes of the ballot language.
3. Select a sample of payroll related expenditures and obtain and review the necessary supporting documentation to satisfy ourselves that they were only to provide raises to “school site educators,” as the term is used in the ballot text. Test payroll benefits for reasonableness.
4. Ensure the same percentage increase in salary was applied to all school site educators.

Verify if the parcel tax is funding supplemental activities by performing the following procedures. Ascertain if funds were used to provide services which were legally required to be made available by virtue of being a school. Also, perform procedures to ascertain whether the parcel tax funded services that were previously provided with another funding source.

5. Recalculate the ratio of administrative overhead charges to total proceeds to ensure that no more than 1% of proceeds are being spent on administrative overhead, cumulative and exclusive of county collection costs.
6. Recalculate the 65/35 percent allocation between raises for school site educators and middle school grants.

OAKLAND UNIFIED SCHOOL DISTRICT

7. Recalculate the 65/35 percent allocation between raises for school site educators and middle school grants.
8. Obtain the approved education improvement plans for the charter school and perform the following procedures. Ensure the plan contains the minimal elements required by the ballot. Verify if the actual parcel tax expenditures are consistent with the approved plan.
9. Determine, from the expenditure testing performed, if there were any a) control deficiencies, b) significant deficiencies or c) material weaknesses in internal control noted. To the extent there are deficiencies noted, prepare a separate report to the District listing the weakness noted and the recommended corrective action.
10. Examine supporting documentation to validate the amount of Measure G1 Parcel Tax revenues received.

Auditing Standards

Audits shall be conducted in accordance with the standards for performance audits set forth in *Government Auditing Standards* issued by the Comptroller General of the United States.
