EXHIBIT "A" SCOPE OF WORK

[IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES MAY BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

1. **Description of Services to be Provided and Specific Expected Outcomes:** Provide a description of the program(s) and service(s) the contractor will provide. Be specific about what program(s) and service(s) will be provided to OUSD and what *this* Contractor will do.

The Intuitive Writing Project will host weekly 1.5 hour classes for 3rd-5th grade girls at Redwood Heights Elementary School. Minimum number of students = 5; maximum number of students = 10.

The Intuitive Writing Project is a transformative arts program, a unique hybrid of creative writing class and personal development program. As girls write their stories and assert their voice, they discover who they are, who they want to become, and how to find their own answers.

On a grander level, the world we live in is shaped by the stories that are written. Through the process of telling our story, we learn the value and power of our own perspective, giving our voice power that can lead to personal and social change.

Each meeting looks like this:

1. Quick check-in and snack.

2. Reading: I will provide a reading about one component of writing, such a character development, or a short story that we read out loud as a group.

3. Writing prompt: I will provide a fun prompt for the group as a basis for writing; students may always write about something else or continue a story from a previous week.

4. Sharing: Each student will read their story out loud. The rest of us provide positive feedback for the writer. We address the person sharing as "the writer."

This writing and sharing method has additional benefits such as showing each student that their words matter and they matter, and that listening is a way of showing respect. By providing only positive feedback, students begin to embody the truth that they are a writer and that their words matter.

I work with the students' areas of interest to create a fun and supportive environment which they will love coming to every week.
