1. **Description of Services to be Provided and Specific Expected Outcomes:** Provide a description of the program(s) and service(s) the contractor will provide. Be specific about what program(s) and service(s) will be provided to OUSD and what *this* Contractor will do.

There are three main focus' of the programs I intend to deliver to the community of Chabot Elementary: Physical skills, emotional and social life skills, and the appreciation for open space in the outdoors. Students will enhance their physical health by honing their fine and gross motor skills by learning the fundamentals to a variety of sports such as soccer, kickball, softball, badminton and table tennis. They will be learning to cooperate in a team setting and flourish as individuals to complete given tasks. My philosophy behind the curriculum is that physical health and mental health are connected. Through the physical elements of my programs students will learn emotional and social health skills necessary to take risks, have empathy for others and self, communication skills with others, maintain positive attitudes in slightly competitive settings and to advocate for self. Improvement in physical health has the potential to enhance cognitive and academic skills. Playing sports outside provides equitable opportunities for learning. While participating in my programs students will also gain a greater understanding of the importance of having open space and the how the natural environment around us is imperative for body and mind. My past and current passions and experiences with youth, sports and environmental education ensures high quality and effective instruction.

EXHIBIT "B" STATEMENT OF QUALIFICATIONS

After being an at-home parent for the last nine years raising three children, I am ready to launch into the next phase of my life as a creative entrepreneur. My passions are the environment/nature and sports. My background in the environmental sector and working with youth from diverse backgrounds plus a love of the outdoors and sports has led me to combine these passions to create an innovative program for my community. I have been immersed in the world of sports for over 35 years. Most recently I have coached youth boys and girls and co-ed soccer with the East Bay United Soccer League for the past five years. I have also been an assistant coach for girls softball teams for the last three years with the Oakland Girls Softball League. I have been a Girl Scout leader the last five years. I have been a parent volunteer in various grade level classrooms and library at Chabot and a part of the PTA for the last five years. Before becoming a mother to three children I was an environmental educator turned manager for an education department in a non-profit in New York City (New York Restoration Project) for four years. Before heading to NYC to earn my masters in Environmental Conservation Education at New York University I was a Peace Corps Volunteer in Honduras for two and a half years. During my time in Peace Corps I worked with communities and teachers in protected areas of the country focused on the creative use of natural resources.
