**After School Template for High School
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Health Initiatives for Youth**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Health Initiatives for Youth ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 303/McClymonds High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Equitable Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY.** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of The 21st Century ASSETS Core Grant, and Direct Access grant award amount for Health Initiatives for Youth is \$ 167,369.00. Contingent on 21st CCLC funding.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee **and subject to AGENCY compliance with MOU requirements**, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. **Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.**
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2019-2020**).
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 167,369.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 303/McClymonds High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2019-2020. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

5.1.1. **Alignment with Single Plan for Student Achievement ("Site Plan").** AGENCY will ensure the after school program aligns with OUSD and 303/McClymonds High School and objectives to ensure the success of students as articulated in the Site Plan. AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.1.2. **Continuous Quality Improvement (CQI).** AGENCY must fully engage in continuous quality improvement (CQI) processes and complete the following steps of the CQI cycle each year, and timely submit corresponding CQI deliverables to the After School Programs Office:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- progress check for program quality e.g. quality coaching

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

Agency staff (Site Coordinators and Agency Directors) are also required to participate in any OUSD sponsored CQI training provided by the OUSD After School Programs Office.

5.2. **Oversight.** AGENCY will provide oversight, fiscal management, payroll services, technical assistance, and facilitation of collaboration with other service providers. Agency must ensure compliance with 21st Century ASSETS Core, Family Literacy, and Direct Access funding guideline requirements and follow OUSD after school policies and procedures. This includes compliance with OUSD staffing requirements and policies including No Child Left Behind and other legislative mandates.

5.3. **Enrollment.** AGENCY will enroll 9th through 12th grade students at 303/McClymonds High School, to serve sufficient number of students and run services for a sufficient number of days to earn the full core grant allocation of funding.

5.4. Program Requirements

5.4.1. **Program Hours.** Consistent with the 21st Century ASSETS program requirements, AGENCY agrees to operate a minimum of 15 hours per week. This may include after school only OR after school and any combination of before school, weekends, summer intersession and vacation.

5.4.2. **Program Days.** AGENCY shall offer a program for a minimum of 177-180 days during the 2019 – 2020 school year.

SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2019-20 school year program.

106

Program Operations for the 2019-2020 school year.

First Day: August 12, 2019

Last Day: May 28, 2020

CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must open every other day of the school year.

Date: 9/25/19

Date: 1/17/20

Date: 5/28/20

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020:

**School should provide lead agency with a calendar of minimum days for the 1st day of school.*

X School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

HIFY has budgeted for staff time that can be allocated to cover additional minimum days, and anticipates funding to cover this portion of our budget from Alameda County funding (contract in progress), Best Buy (proposal pending for staffing of after-school programming at the Best Buy Teen Tech Center which serves McClymonds youth), and other private funders. The programming/ content during the extended day program from 1:45-6pm during minimum days will be in part co-planned and co-facilitated by the Executive Team (student leadership team). We will also hold regular programming at the Best Buy Teen Tech Center until 6:00 pm on those days.

SECTION 3a: PROGRAM MODEL.

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

For 2019-2020, my site will operate the following program mode:

☐ **Traditional After School:** voluntary program, open to all students, with enrollment priorities targeting certain students

☐ **Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)

☒ **Blended/Hybrid:** a combination of some extended day and some traditional after-school programming (If you are conducting a blended/hybrid program, please use the section below to explain your program model type.)

HIFY is coordinating with McClymonds so that afterschool programming include a mix of voluntary after-school enrichment, academic support, and physical activity programming and extended day academic programming led by McClymonds teachers to supplement the school day and ensure support for academic achievement.

Which grade levels will you serve in this program? (check all that apply.)

ENROLLMENT PROCESS & TIMELINE

☒ **Attach your enrollment timeline to this document**

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2019-20 programs.
- Families will be notified of 2019-20 after school enrollment before the **last day of school, May 30, 2019.**
- After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.
- **August - September:** new school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2019**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
- All programs must maintain **waitlists** after program slots are filled.

Specify your program enrollment process and describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.

HIFY will coordinate with AIA to announce the transition from AIA as lead agency to HIFY with students and parents, and will engage in outreach at the school and at feeder middle schools in April-June 2019. All incoming ninth graders will be auto-enrolled, and parents will have the option to opt out. As feasible, outreach will be conducted during summer school and in the summer bridge program. Additional program slots, except those reserved for transitional students, will be filled via further outreach to youth and parents in August and September. Outreach will be conducted again mid-year when students' other after-school commitments (e.g., sports teams) may change.

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

Families who submit a Golden Ticket are automatically enrolled. Program staff will work closely with school day administrators to ensure that students new to McClymonds smoothly and successfully transition into both the school and the program starting with outreach in the Spring and Summer before 9th grade year. Program staff members work closely with the administrative team to welcome new parents & students systematically by arranging an initial meet-and-greet during which the student enrolls in his/her classes for the extended day program. In addition, the Managers and staff offer information about the rest of the school’s array of supportive services to the family. Additionally, the community site manager’s active participation on McClymond’s Coordination of Services (COST) teams informs & supports how the student transitions into the school & EDP.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

HIFY will ensure that slots are available for "Golden Ticket" students by either holding a modest number of slots, informing "last in" students that they may be returned to the waiting list if students with priority are enrolled, or raising additional funding to appropriately accommodate the additional students. Any policies that prioritize youth based on ongoing attendance will be waived in the case "Golden Ticket" students entering mid-year. Attendance requirements will not apply, we will work closely with their family to meet their needs.

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment component**, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

List 2-3 program goals which will support meeting these CDE program requirements.

1. Support McClymonds' academic goals by providing daily after-school tutoring/homework assistance that supports school-day academic work.
2. Support social emotional learning skills development through a diverse array of enrichment programming.
3. Offer structured physical activity opportunities during the week.

Educational and Literacy Component that includes tutoring/ homework assistance in the core subjects (language arts, math, history /social science, etc.)

Describe how your after-school program will provide educational & literacy element
How are students building academic skills? How are you integrating social-emotional academic development? (Include specific strategies for creating a [Safe & supporting environment through encouragement and Active engaged learning.](#))

HIFY will contract with Aspire Education Project (AEP) to provide high-quality academic mentoring and tutoring to youth individually and in small groups as a core component of the after-school program. AEP tutors are education professionals who know that relationship-building is a key component of academic mentorship. Once the tutor and students establish a relationship based on mutual respect, they are better positioned to make measurable gains in their mastery of academic content. AEP's tutoring philosophy is that often the best way to learn something is to teach it, orienting the approach in its tutoring sessions around "the teach-back," in which students reverse roles with their tutors to teach them the material as they understand it.

Educational Enrichment Component that offers students engaging activities in a variety of areas (fine arts, career technical education, presentation, etc.)

Describe how your after-school program will offer educational enrichment activities. (Include specific strategies designed to foster [skill - building; youth voice and leadership and diversity, access and equity.](#))

HIFY will provide educational enrichment programming including young men's and young women's groups, Leadership in Diversity (an LGBTQ-positive space for deepening participants' understanding racial, ethnic, cultural and other identities and building community), Peer Health Education, the Best Buy Teen Tech Center for tech project work, and digital, multimedia, visual, and performing arts programming that all offer opportunities for skill-building and youth-driven projects. Youth voice and choice are

	built into all aspects of the program, including the E-Team of peer leaders and peer health educators who support the after-school program and work to improve peer health and wellbeing.
Physical Activity other than recess that is structured and supervised with a warm-up, structured physical activities and a cool down. (This should happen for all students in program.)	<p>Describe how your after-school program will provide <u>structured physical activity</u> for all participants. Healthy eating will be emphasized through healthy snacks.</p>
Family Literacy Component that includes literacy activities and other educational services that adult family of students.	<p>Describe how your after-school program provides opportunities to promote literacy and/or other educational services to adult family members of students?</p> <p>HIFY will provide Parent/Caregiver workshops every other month and coordinate 3-4 family celebrations/events that provide opportunities to promote literacy and/or other educational services to adult family members of students.</p>
Academic Alignment with School Day and District Priorities	
<p>Please provide a short narrative that identifies how you will support school goals aligned with district priorities.</p> <ul style="list-style-type: none"> • Collaborate with your school administrator and consult the School Site Plan to align with the school day. • Consult the descriptions below for the District's priorities for elementary, middle and high school. 	
<p>Elementary OUSD Strategic Strategies</p> <p><i>In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure students are reading at or above grade level and English learners are reaching English fluency.</i></p> <p>Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.</p>	
MIDDLE_ OUSD Strategic Targets	

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready**. To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.*

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed, high schools:

- College and career readiness activities

The after-school program at McClymonds will include 45-60 minutes daily of tutoring and homework help for all students. Through coordination with the COST team and other daytime school staff, HIFY and our tutoring contractor AED will identify students most in need of assistance and ensure that supports are in place to increase student success. AED's presence both in-school and after-school will help to ensure consistent mentoring support from school-day to after-school. HIFY and AED will reach out to classroom teachers in April/May 2019 to introduce this plan for collaboration, surveying teachers about how best to plan to support school-day goals and combine after-school program incentives, tutoring, homework help, and school-day/extended day extra credit opportunities to keep students on track for success. We will follow-up in August/September 2019 to coordinate from the start of the school year.

Academic enrichment activities will support school goals regarding Pathways enrollment. HIFY will maintain the Best Buy Teen Tech Center that supports STEAM learning through youth-driven projects and opportunities for mentorship from community volunteers.

Enrichment activities will also support social emotional learning and behavioral health, with programs emphasizing healthy relationships, healthy boundaries, respect for differences, and conflict resolution skills, all of which support a positive school environment that is better able to foster learning and manage conflict, contributing to reductions in the out-of-school suspension rate.

CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California After School Network (CAN) Quality Committee.

process.	
What are some key discoveries you made doing the program self-assessment? (Strengths, areas of improvement)	<p>Relationships between student and staff are strong, however, expectations of students as supported by staff are blurred.</p> <p>Campus size makes it difficult to ensure visibility of all students on campus between staff and SSO.</p> <p>Staff need intensive support in developing in curriculum development and implementation for programs.</p> <p>Strong partnership with community based organizations, local and large business, and other community stakeholders (Best Buy, Intel, Lincoln, Youth Together, YR Media, etc.) that has yielded to additional community opportunities.</p>
Which Quality Standards will you focus on for improvement for the 2019 - 2020 school year?	<p>Safe and supportive environment- BIC curriculum should be used to deepen practices of community. BIC along with other approaches will create space for a SEL based foundation. With the transitioning of agency, this focus will aid in the success of the partnership.</p> <p>Skill building - We recommend expansion of Youth Leadership and Voice state quality standard by leaning into and expanding MYFC's existing Executive Team youth leadership group at a capacity aligned with new lead agency and school leadership plan for program moving forward.</p>
Describe how you will address the improvement in this area? (please include program structures, staffing practices and partnerships.)	<p>At discretion of new lead agency and school administration. Would recommend leaning deeply into program structures and building strong alignment with school supports.</p> <p>Would also encourage a heavy lean into professional development opportunities for staff.</p>
What is one key data point from your program profile that you are going to focus on in the upcoming school year. (Please include a summary	<p>Behavioral management. Strengths-based youth development practices, Restorative Justice practices - building system and rhythm to program expectations.</p> <p>Youth have very strong and important relationships with staff, but these relationships have yet to be leveraged in a way that is intentional toward youth development and growth. This has showed in inconsistent and unclear expectations of youth in program. Bringing scaffold to youth development practices would be incredibly beneficial to bring shift to this in the 19-20 school year and beyond.</p>

Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. Agency Statement of Qualifications Health Initiatives for Youth (HIFY)

Organizational Overview

HIFY's mission is to improve the health and well-being of underserved young people through innovative youth leadership, popular education, and advocacy in the pursuit of multi-level social change. We work to build youth knowledge, skills, self-care, and leadership in ways that help them make a healthy and successful transition to adulthood, using positive youth development and anti-oppression approaches. Youth enjoy our participatory learning strategies and rate our programs highly in evaluations.

HIFY was founded in 1992 in San Francisco, and has been delivering programs in Oakland for 12+ years, including peer health educator trainings; implementation of multiple SAMHSA-funded grants addressing HIV, STI and substance abuse prevention; OFCY-funded programs addressing LGBTQ and ally youth empowerment; mental and behavioral health career exploration; and Alameda County Behavioral Health Care Services innovation grant-funded work challenging mental health stigma. As part of our work in Oakland, we collaborated with La Clínica de la Raza to create a Spanish-language version of our acclaimed Young Women's Health Guide (with federal Office of Minority Health funding) and opened the first West Oakland LGBTQ youth safe space with a combination of SAMHSA and OFCY funding.

Over the years, HIFY has provided after-school programming at OUSD sites including Castlemont, Claremont, Coliseum College Prep Academy, Dewey, Fremont, Life Academy, McClymonds, MetWest, Oakland High, Oakland Tech, Ruidsdale, and Street Academy, as well as providing some workshops at Skyline. HIFY is currently providing after-school programming at six OUSD middle and high schools.

HIFY's Expertise

Curriculum: HIFY has developed curricula addressing:

- health career exploration (high school and middle school);
- health education and peer health education (substance abuse and sexual risk prevention, healthy body image, emotional health);
- leadership development/project-based learning;
- identity, community & self-care (LGBTQ, young men, young women, African American, Latinx);
- digital storytelling.

Program and grants management: HIFY has experience managing six-figure federal and local grants and subgrants (SAMHSA, OMH, CDC, Alameda County Behavioral Health Care Services, OFCY, San Francisco Department for Children, Youth & Their Families). Our program and grant management systems have been praised by grant makers during site visits and program reviews. HIFY has a long history of clean audits with no findings.

Areas of staff experience: HIFY staff who work directly with youth have experience in positive youth development, health education, curriculum development, recruitment and retention, and program evaluation. Some staff bring additional expertise in workforce development, arts education, and tutoring.

Evaluation & CQI: HIFY has successfully implemented multiple grants with rigorous data collection and evaluation requirements. Staff also have systems in place to identify challenges and make program changes as needed to strengthen recruitment, retention, and program success.
