Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Andrea Bustamante, Executive Director, Community Schools & Student Services
Martha Pena, Coordinator, After School Programs

Board Meeting Date June 26, 2019

Subject Memorandum of Understanding
Contractor: Citizen Schools
Services For: Westlake Middle School

Action Requested and Recommendation

Approval by the Board of Education of Memorandum of Understanding between the District and Citizen Schools, Redwood City, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Westlake Middle School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$78,987.00.

Background

(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

After School Template for Elementary and Middle Schools
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
Citizen Schools

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Citizen Schools ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 213/Westlake Middle School under the following grants:
- After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
- a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
- b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for** Citizen Schools **is \$** 78,987.00 **.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 78,987.00 in accordance with Exhibit B. Exhibit B ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.

5. **Scope of Work.** AGENCY will serve as lead agency at 213/Westlake Middle School, will be responsible for operations and management of the ASEP, 21st CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2019-2020. This shall include the following required activities:

5.1. **Student Outcomes.** AGENCY shall achieve the student outcomes as described in the grant application narrative and articulated in documents from the program evaluation team. AGENCY agrees to develop school specific outcomes, as defined in partnership with the principal. AGENCY recognizes that the principal is the chief decision maker for after school and summer programs, and ensures that school site objectives are met.

5.1.1. **Alignment with Single Plan for Student Achievement ("Site Plan").** AGENCY will ensure the after school program aligns with OUSD and 213/Westlake Middle School and objectives to ensure the success of students as articulated in the Site Plan. AGENCY will work in partnership with the school principal to ensure that the program components are aligned with and complement OUSD standards and school site curriculum.

5.1.2. **Continuous Quality Improvement (CQI).** AGENCY must fully engage in continuous quality improvement (CQI) processes and complete the following steps of the CQI cycle each year, and timely submit corresponding CQI deliverables to the After School Programs Office:

- beginning of year self-assessment using YPQA/SAPQA tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with SMART goals for program improvement
- progress check for program quality e.g. quality coaching

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

SECTION 2: PROGRAM OPERATIONS

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Projected daily attendance for 2019-20 school year program.

120

Program Operations for the 2019-2020 school year.

First Day: August 12, 2019

Last Day: May 28, 2020

CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

List the three days (if any) your program plans to close this year for PD. The program must open every other day of the school year.

Date: 11/21/19

Date: 2/7/2020

Date: 5/17/19

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020:

**School should provide lead agency with a calendar of minimum days for the 1st day of school.*

X School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

Citizen Schools' staffing model is budgeted to allow for uninterrupted coverage of the additional Extended Learning Time hours on minimum days without the need for additional school resources. We will also collaborate with the school day to align our staffing and program to meet the needs of minimum days.

Citizen Schools' AmeriCorps' staffing model is budgeted to allow for uninterrupted coverage of the additional Extended Learning Time hours on minimum days without the need for additional school resources. We will also collaborate with the school day to align our staffing and program to meet the needs of minimum days.

Notes: purpose: Program Operations: planning the every day, projected hours, projected students attending for ASP. Allowed 3days of closure for PD training, on top of school-PDs, minimum days (& week-long early release) increase the contact hours of after school program, need coordination explicit communication with school admin/principal, & how school and lead agency will hold extra hours
Surprising: question about additional funds outside of CDE grants, good/necessary, OFCY grant+ other \$
Challenge: communicating with school site, prioritizing detailed real calendar with upcoming events

SECTION 3a: PROGRAM MODEL

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

For 2019-2020, my site will operate the following program model:

- ☐ **Traditional After School:** *voluntary program, open to all students, with enrollment priorities targeting certain students*
- ☐ **Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)*
- ☒ **Blended/Hybrid:** *a combination of some extended day and some traditional after-school programming (If you are conducting a blended/hybrid program, please use the section below to explain your program model type.)*

Citizen Schools will provide an extended school day for all 6th graders and opt-in after-school programming for 7th and 8th graders.

Citizen Schools programming supplements Westlake's initiatives by increasing students' access to caring adults, providing additional academic programming, connecting with the greater community through apprenticeships with local volunteers, and involving students' families in school-based experiences, activities, and events.

The CS campus leader works closely with Westlake administrative team to align goals, priorities, and initiatives. CS staff participate in school-and district-based PD events to extend OUSD programming into the ELT space.

Which grade levels will you serve in this program? (check all that apply.)

ENROLLMENT PROCESS & TIMELINE

☒ **Attach your enrollment timeline to this document**

Important dates to include in your timeline:

- **April - June:** Spring enrollment for 2019-20 programs.
- Families will be notified of 2019-20 after school enrollment before the **last day of school, May 30, 2019.**
- After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.

- **August - September:** new school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2019**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
- All programs must maintain **waitlists** after program slots are filled.

Specify your program enrollment process and describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.

Westlake administrators will include program information in any communication being sent out to families, and include Citizen Schools' in events and info sessions as scheduled across spring, summer, and fall. School and program are aligned in orientation and attendance guidelines for all Westlake 6th graders, and will support one another to hold this as norm. Citizen Schools will also partner with the community manager to connect with potential incoming 6th graders and local feeder schools

SECTION 3b: PROGRAM MODEL. (Continued)

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a "Golden Ticket?"

The Citizen Schools' program at Westlake is staffed such that it can accommodate changes in the school's enrollment. The program components are designed to scaffold individualized placement. The Campus Director works closely with school administrator to ensure mid-year additions are placed in a way that optimizes their learning and social integration.

Students who meet one or more of these high-need categories will be immediately enrolled into program. Should this enrollment impact the 20:1 program student:staff ratio, additional support will be provided by agency director, and attendance review will be used to maintain compliance.

How will you modify your enrollment and attendance policies to ensure compliance with the "Golden Ticket" policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

SECTION 4: PROGRAM COMPONENTS

*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. Academic Alignment with School Day and District Priorities	

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

- Collaborate with your school administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

MIDDLE_ OUSD Strategic Targets

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready.** To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.*

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

- CS takes high school/career readiness very seriously with regards to the students we serve. Programming is designed to offer a mix of opportunities to reinforce concepts learned during the school day as well as expand students' learning beyond that gained in a traditional core classroom environment. Time and space for academic work is given during AIM time, where students bring classwork and homework to complete alongside small groups of peers with the support of a staff member who spends time each day pushing into students' classrooms in order to gain insight into the concepts that need to be taught. On alternating days we
- Through Citizen Schools, students' final middle school year is spent in Eighth Grade Academy (8GA), a capstone program focused on helping students navigate the transition from middle school to high school. Students receive 1:1 tutoring in the Writing Program, develop 21st century skills in the Apprenticeship program, navigate a rigorous high school choice process, and attend weekend college visits. Every element of 8GA is focused on providing students with access to a variety of college and career pathways and building students' academic and professional skills to ensure they are prepared for high school, college, and career.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed. high schools:

- College and career readiness activities

Safe Environment-The school have many exits and entrances. If after school was allowed to have all after school program classes either all on the blacktop or all in the main building, this will help eliminate outsiders getting on campus and exiting that allow others to get back on campus. This can help with smoother transitions/dismissal, less students wandering in areas where staff can’t see them, and lockdowns will be more secure and easier to contain due to the close proximity of all the classes.

Collaborative Partnerships- to intentionally build and support collaborative relationships among internal and external stakeholders to achieve program goals with student, families and community voices. Maintain 2018-2019 partnerships and bring in new partnerships when necessary.

Quality Staff/Active Engaged Learning- The program recruits and retains high quality staff and volunteers who are focused on creating a positive learning environment, and provides ongoing professional development based on assessed staff needs. Specifically, allocating more time and resources to support staff how they can provides opportunities for all youth to choose among content alternatives and not where their choices are limited to discrete choices presented by the mentor. This can support the interest of the student when they’re allow to decide how they want to participate in their own way they know best verses restricting them to just one option of a specific choice.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis. (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

Review and mark all commitments:

Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:

-  Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
-  Site coordinator will participate in CQI trainings to develop her/his leadership in leading continuous quality improvement processes.
-  Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
-  Site coordinator will share CQI data with Site Administrator and school staff.
-  Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Citizen Schools California Activities & Supporting Services

Mission: Citizen Schools seeks to ensure that every adolescent has the skills, access and beliefs required to thrive as students and chart their future pathways

Vision: Citizen Schools envisions a world in which schools, companies, and families partner to provide students with a set of real-world learning experiences that prepares them for the future of work. By 2015, 1 million high need adolescents will have access to hands-on real world learning, delivered by educators in partnership with experts through our Catalyst, ELT and US2020 networks.

About Citizen Schools California: Since its founding in 1995, Citizen Schools has worked with young people growing up in low-income communities to develop their skills, confidence, and motivation through hands-on learning. Over the past two decades we've partnered with high-need middle schools and districts across eight states to expand opportunities for students and demonstrate impact. By focusing on middle school, we capitalize on this critical developmental period and inflection point, effectively setting students' sights on high school graduation and college matriculation, while building their social-emotional skills and networks so that they can realize and achieve their goals.

Citizen Schools launched its first programs in the Bay Area in 2002, and since then has partnered with schools in East Palo Alto, Daly City, Campbell, Redwood City, Oakland, and East San Jose to serve more than 10,600 students and engage 2,500 volunteers. Citizen Schools California has a track record of impact, growth, and innovation.

According to the Education Equality Index (EEI), students from Oakland's low-income families are far less likely to attend schools that provide equal educational opportunities than those in most American cities. Only two in 10 students from low-income families in Oakland attend schools that are closing the achievement gap. Oakland earns an EEI score of 33.2, indicating it is home to an achievement gap that is bigger than 50 percent of major U.S. cities (Education Equality Index, 2016)

Across our Oakland school sites, 97% of students are non-white, 88% are eligible for free or reduced price lunch, 45% are categorized as English Language Learners, 21% are categorized as having disabilities, and only about 32% are currently proficient in math. Many of our schools have high mobility rates, which correlates with lower academic achievement. Moreover, students have to overcome challenges including instability in housing and access to health care.

Our Approach: Expanded Learning Time: We pioneered our ELT model, in which we partner with traditional public middle schools/K-8s to expand the learning day by 3 hours for all students. The core components of this model are:

Career Exploration & Enrichment through Apprenticeships:

(including Physical Recreation and Student Leadership Development): In apprenticeships, community volunteers called "Citizen Teachers" team with our staff to mentor students while teaching their passion or profession, introducing new concepts and connecting with students. Students choose 4 apprenticeships annually (2 per semester), with topics ranging from video game programming to marketing, theater, healthy living, sports, music production, leadership, and law. The apprenticeships run for 90 minutes over the 10 week semester. At the end of each apprenticeship, students demonstrate their learning at a community celebration called a WOW! Our asset-based approach to communities recognizes that all communities are populated with thousands of "citizens" who can teach from their own experience and

directly impact their community. We strive to ensure our apprentices and volunteer Citizen Teachers reflect Oakland's diverse culture and history and portray available local careers. Public schools alone lack the infrastructure to support these critical volunteer experiences. Citizen Schools not only recruits and trains volunteers, but develops the semester-long curriculum. Very few organizations are addressing the opportunity gap in this manner and many of our students have never met a professional in the Citizen Teacher's field.

CS prioritizes partnerships with local organizations including: Tools for Peace, WeThrive, Habitat for Humanity, Girls Who Code, Youth Alive, Women's Audio Mission, 18 Reasons, BAWT, Urban Youth Ambassadors and the Alameda County Superior Court. Non-profit partnerships bring innovative curriculum into Citizen Schools apprenticeships, enhance elements of existing programs and allow cross collaboration in reaching common goals

Guided Homework Support & Academic Remediation, will occur daily for all students enrolled. Students are scheduled into homogenous small groups, led by designated line staff. All 3 schools, have dual purpose, to complete daily assignment and to receive remedial support in math or ELA. Throughout the school year, our staff members work with classroom teachers to provide "push-in" and "pull-out" supplemental instruction in small groups, helping all students meet and exceed proficiency standards in literacy and/or math. Citizen Schools staff are in constant communication with the school's instructional leadership, students work according to school-sanctioned personalized learning plans, which may include additional review and repetition, strategic skill preview, and/or blended/computer-assisted learning experiences.

Citizen Schools Staff: Our current campus staffing model is 1 Campus Director and 6 AmeriCorps Teaching Fellow serving 120 students. All staff have culturally responsive and social justice teaching training as well as continued professional development during the school year.

Diversity is a very important element of our organization. At our core is equity and there is no equity without diversity. As an organization that is striving to bring equal opportunities to our youth, it is vital that our youth see themselves in those future opportunities. We work to create a diverse workforce on our campuses, our regional team and our board of advisors. More than half of our campus staff identify as people of color - 30% are first-time graduates, and 50% are bilingual and fluent in Spanish, the language besides English that is heavily spoken in our schools' communities.

Student Participation: Our program is offered free of cost to families. Enrollment in Citizen Schools is open to all students of eligible grades and recruitment is multi-faceted: conducted through presentations in classrooms, distribution of information to students and families, prominent posting of opportunities in the school buildings, lunchtime events, peer referrals, and announcements made at events such as Parent Night and parent-teacher conferences. In addition, our staff work with families of rising 6th grade students who come from feeder elementary schools.

Accomplishments: Citizen Schools is meeting student and school needs by extending the typical school day by about 40% -- adding more relevant learning activities and increasing the number of caring adults and connections to community resources. Our program is designed to focus on the skills, beliefs, and access points that are proven to impact student success, including: hands-on learning and exposure to diverse careers; academic skill building; high school readiness; and college awareness and access - 70% of our students report a mastery of a 21st century skill(s). Students who participate in Citizen Schools are:

- 2.5 times more likely to express interest in STEM careers than students nationally 2x more likely to select a college-track high school than matched peers
- Graduating from high school on time at a rate that is 20% higher than matched peers
- Enrolling in college at a rate that is 40% higher than national rate for low-income students Earning a postsecondary degree or certificate in STEM at rate 30% higher than students at all income levels

Dear Ms. Pena,

This letter explains Citizen Schools policy for Tuberculosis testing, fingerprinting, and child abuse and neglect reporting in accordance to the Department of Justice.

All offers of employment or service with Citizen Schools are contingent on the successful completion of the appropriate background checks. Citizen Schools staff and volunteers are not permitted to work in an capacity with OUSD students until the following checks are performed and cleared:

1. A nation wide name-based check of the National Sex Offender Public Website (NSOPW), which consists of a web-based check of a centralized system (NSOPW.gov) which identifies individuals who are registered as sex offenders in States, territories or with many federally recognized Tribes.
2. Negative testing for tuberculosis certified by a medical professional
3. Either a name- or fingerprint-based search of the statewide criminal history register in the candidate's State of Residence AND in the State where the individual will serve or work.
4. A fingerprint-based FBI check
 - a. An FBI record check reports on all activity that is reported to the FBI by state and local law enforcement agencies. This includes information about any time that an individual has been arrested or fingerprinted. Fines and citations may or may not show up on the report, and is dependent on whether or not the jurisdiction in which the offense occurred reported that to the Bureau.

Furthermore, Citizen Schools employees must fully comply with California's Child Abuse & Neglect Reporting Act guidelines to report suspicions of potential child abuse and neglect to the appropriate reporting policies

Sincerely,

Sheree West
