MISSION

COVAH's mission is to make the extraordinary benefits of music and a high-quality academic education available to students in grades 9 – 12 from the greater Oakland Area and surrounding communities. COVAH provides:

- ◆ high quality music instruction
- ◆ performing arts
- ◆ Engineering/technology instruction
- ◆ high academics
- ◆ College/High school model program allowing students to earn college credits while in high school preparing students to succeed in colleges, universities, or technical careers.

VISION

- To prepare students for high school graduation and success in college by attending college classes while in high school where they can receive the support necessary to enter and complete college coursework successfully;
- To prepare students with necessary skills to enter advanced music and arts training and/or careers in the arts;
- To prepare students to graduate with the essential life skills of perseverance, discipline, confidence, and community awareness;
- To prepare COVAH students to be assets to the Oakland community through public service by their participation in public performance and community music enrichment activities.

PROGRAM HIGHLIGHTS

- Music training for ALL students
- Concurrent College Enrollment Program with Merritt College
- Differentiation and Flexible Scheduling for College attendance
- Varied options for credit recovery for failing students
- Over 1500 online A – G courses including Honors and AP
- Performance Tours: Catalina Island, Quebec Canada, New York, Hawaii.
- Amazon Future Engineers.

Measures of Success

- 100% of COVAH students complete A – Gs qualifying them to enter a 4 year University.
- 100% of COVAH graduates take at least one College Class.
- 75% of COVAH graduates complete 20+ college units.
- 93% of COVAH students receive A's and B's in College Classes.
- 65% of COVAH graduates qualify for direct transfer as a sophomore in 4 year colleges.
- For 2020, 4 graduates will have completed 2 years of college when they graduate from high school.
