Subject: District Submitting Grant Application - California Department of Education - ASES After School Education and Safety Grant Program - Grant ID 01-23939-6125-EZ

ACTION REQUESTED:

Approval and acceptance by the Board of Education of District applicant submitting grant award for 57 OUSD Elementary and Middle Schools for the period July 1, 2020 through June 30, 2023, to accept same, if granted, in whole or in part, pursuant to the terms and conditions thereof and to submit amendments thereto, for the grant years, if any.

BACKGROUND:

Grant proposal for OUSD schools for the period July 1, 2020 through June 30, 2023 was submitted for funding as indicated in the chart below. The Grant Face Sheet and grant application packets are attached.

File ID #	Backup Document Included	Type	Recipient	Grant's Purpose	Time Period	Funding Source	Grant Amount
20-0376	Yes	Grant	57 OUSD Elementary and Middle School sites as listed in attached Grant Management Face Sheet	To support after school programs for students in grades K-8	July 1, 2020 - June 30, 2023	California Department of Education After School Education and Safety (ASES) Grant	\$8,670,008.12 annually, totalling \$26,010,024.36

DISCUSSION:

The district created a Grant Face sheet process to:

- Review proposed grant projects at OUSD sites and assess their contribution to sustained student achievement
- Identify OUSD resources required for program success

OUSD received a Grant Face Sheet and a completed grant application for the program listed in the chart by the school.

FISCAL IMPACT:

The total amount of grants will be provided to OUSD schools from the funders.

- Grants valued at: \$26,010,024.36

RECOMMENDATION:

Approval and acceptance by the Board of Education of District applicant submitting a grant award for OUSD schools for period July 1, 2020 through June 30, 2023, to accept same, if granted, in whole or in part, pursuant to the terms and conditions thereof and to submit amendments thereto, for the grant year, if any.

Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	After school programs provide opportunities to extend student learning outside of the regular school day, and to reinforce and complement classroom learning. Programs provide academic and enrichment activities that are aligned with school and district goals, and are based on content standards. After school programs work in alignment with the regular elementary and middle school program to provide additional supports for students, including academic support, enrichment activities, and structured physical activity. These extended learning activities ultimately support the district's goals of high school graduation and college/career readiness for all students. Additionally, after school programs provide a variety of enrichment and health & wellness programming that support students' physical and social-emotional health, and foster increased student engagement that can support improved school day attendance.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of	The After School Programs Office conducts an annual external evaluation of all ASES and 21st Century after school programs in OUSD. This fee should be included in the grant's budget for evaluation.)	programming on students' academic performance, social-emotional development, school attendance and school engagement. Formal site visits will be conducted to monitor program quality.
Does the grant require any resources from the school(s) or district? If so, describe.	Yes. This grant will be supported by the After School Programs Office and Family, Schools, and Community Partnerships Dept.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 5.59% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	Yes. This grant will augment the school district's current ASES after school grants at multiple elementary and middle school sites.
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	No
Who is the contact managing and assuring grant compliance? (Include contact's name, address, phone number, email address.) School District Approval

The local educational agency (LEA) superintendent must be in agreement with the intent of this application. The LEA superintendent assures that all schools in this application meet eligibility requirements for funding pursuant to the terms and conditions described in the request for application. **Original "wet" signatures must be made using blue ink.**

If the LEA superintendent is already a signatory on this application, then signature below is not required.

Direct funded charter schools applying for grant funding are not required to obtain the superintendent's signature for approval.
