Design Process Narrative

Please describe your schools and pathway's overall design process. This should be a narrative that describes your school communities overall process. Please keep in mind the Design Criteria mentioned below, your design process narrative should demonstrate the Design Criteria.

Design Criteria

Design Teams have included a wide range of activities that allow the school community to engage in the design process. Evidence exists in the form of site visits, literature review, and design meetings that document best practices and areas of growth. Research process includes feedback from and involvement of key stakeholders including students, families, industry partners, etc. The resulting Design articulates how it was developed based on the research, deeper learning, and strategies developed by the team.

Focus Areas We Want To Shift

Please list/name the specific areas you are focusing on and how you want to shift them. (Example: attendance, college and career readiness, suspension rates, teacher turnover, etc.)

These areas are what you dive deeper into and identify the root causes and goals for that are on the next slide.
