California CTE Industry Sector

Description of how and why the school is focusing on this industry area.

Grounded: Root-Cause Analysis

School should highlight the challenges and root-causes that they have been working on addressing in Implementation Year 1 and that will be continued to work on Year 2, and Year 3.

If the root-cause analysis has further developed please highlight as well.

Implementation Successes

- Please address the following questions and demonstrate the connection to the root-cause analysis:
 - What are some implementation successes that you'd like to lift up and share with others? How are some of your strategies working to address the root causes?
 - How do you know you were successful (evidence, data)?

Implementation Challenges

- Please address the following questions and demonstrate the connection to the root-cause analysis:
 - What are some implementation challenges you encountered this first year of implementation?
 - How do you know these were challenges (evidence, data)?

Learning from Implementation Year 1

**Special Callout
Space.

What did you learn through this past year?

Moving forward

**Special Callout
Space.
This text should
support the text
to the right.**

Please address the following questions and demonstrate the connection to the root-cause analysis:

How are you revising your strategies and pathway development work going forward based on what you learned from your successes and challenges?

2017-18 Measure N Budget Allocations

Expense	Description	Rationale

Implementation Year 2

Please address the following question:

How do you imagine you will reflect periodically on your progress as you continue to implement your plan next year?

How will you create a continuous cycle of improvement around your key questions and root causes?

EVERY STUDENT THRIVES!
