**Action Requested and Recommendation** Approval by the Board of Education of Memorandum of Understanding between the District and YMCA of the East Bay, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for West Oakland Middle School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$69,663.00.

## Background

*(Why do we need these services? Why have you selected this vendor?)*

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with YMCA of the East Bay ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 204/West Oakland Middle School under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21<sup>st</sup> CCLC funds.
  - Private grants
2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for YMCA of the East Bay is \$ 69,663.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21<sup>st</sup> CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21<sup>st</sup> CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21<sup>st</sup> Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21<sup>st</sup> Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21<sup>st</sup> CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21<sup>st</sup> CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21<sup>st</sup> CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 69,663.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21<sup>st</sup> CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

**4.7. Program Fees.** The intent of the ASEP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. ## SECTION 2: PROGRAM OPERATIONS

### Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

**Projected daily attendance for 2019-20 school year program.**

67

**Program Operations for the 2019-2020 school year.**

First Day: **August 12, 2019**

Last Day: **May 28, 2020**

CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

**List the three days (if any) your program plans to close this year for PD. The program must be open every other day of the school year.**

Date: September 28, 2019

Date: **May 28, 2020**

Date: **May 27, 2020**

**Minimum Days.** When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

**Projected Number of Minimum Days for School Year 2019-2020: 16 additional days**

*\*School should provide lead agency with a calendar of minimum days for the 1st day of school.*

☐ **School-day bell schedule attached**

**Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?**

We have added into the budget additional funds for 16 additional days; The YMCA of the East Bay will cover cost for additional programming on added additional minimum days.

**SECTION 3a: PROGRAM MODEL.**

Average Daily Attendance, Program Dates, Minimum Days & Enrollment

**For 2019-2020, your site will operate the following program model:**

**Which grade levels will be served in this program? (check all that apply.)**

TK ☐ K ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☐ 6 ☒ 7 ☒ 8 ☒ 9 ☐ 10 ☐ 11 ☐ 12 ☐

**ENROLLMENT PROCESS & TIMELINE** ☐ **Attach your enrollment timeline to this document**

*Important dates to include in your timeline:*

- Families will be notified of 2019-20 after school enrollment before the **last day of school**, May 30, 2019.
- After school programs begin on the **first day of school** when enrollment is at a minimum 75% capacity.
- **August - September:** new school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by **September 30, 2019**, except for slots reserved for transitional students (i.e., Homeless, foster youth; Newcomers) entering the program for the first time and/or mid-year
- All programs must maintain **waitlists** after program slots are filled.

**\*\*This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to you schedule and recruitment process.**

**Describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.**

Starting April 8, 2019, all school families will be informed through PA announcements that applications are now available. Currently enrolled students will have the application packet and letter sent home with them during sign out.

During the month of April, a meeting will be held with the ASP Site Coordinator and Principal Neha Ummat

to determine school and agency enrollment priorities targeting certain students. On May 10 2019, families will be notified via letter and email if they are enrolled in the program.

In August during new student enrollment week (prior to the first day of school), a registration table will be set up and applications for new families will be accepted until the program has been enrolled to capacity.

### **SECTION 3b: PROGRAM MODEL. (Continued)**

#### **Average Daily Attendance, Program Dates, Minimum Days & Enrollment**

##### **Who can receive the Golden Ticket?**

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ***\*McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ***\*Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
  - *Establishes the definition of homeless used by schools*
  - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
  - *Provides for educational access, stability, and support to promote school success*
  - *Needed to address the unique barriers faced by many homeless students*

##### **How does your program support students and their families who submit a “Golden Ticket?”**

Once the program is aware of the families McKinney-Vento Status, the Site Coordinator will arrange to meet with the family as soon as possible to provide the following: enrollment forms, program orientation, and the start date for their child. Students will be enrolled as soon as possible. The Site Coordinator will check in with the family frequently to ensure a smooth transition and introduction to the program.

##### **How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?**

Students with Golden Tickets will be enrolled as soon as possible and will be exempt from all waitlist policies and procedures. Additionally, the Site Coordinator will obtain information from the family and the student about the child to determine the group and group leader that will be best for the student at the time of enrollment. If additional modifications are needed, all special circumstances will be documented (such as Early Release Policies) and the program will make the appropriate accommodations for the family.

#### SECTION 4: PROGRAM COMPONENTS

\*CDE requires that programs must provide a safe environment and include an **educational component** that provides tutoring and/or homework assistance; and an **educational enrichment** component, which may include, but not limited to STEAM, recreation, prevention and other Social Emotional Learning (SEL) activities (EC Section 8482.6); and provide opportunities for **physical activity**. (EC Section 8483.3[c][7])

**List 2-3 program goals which will support meeting these CDE program requirements.**

1. **Social Emotional Learning (SEL):** This school year, the YMCA of the East Bay plans to focus (SEL) through creating leadership opportunities for students. We plan to accomplish this by developing a Youth Advisory Committee designed to give students a platform for Youth Voice, Choice, and Leadership in the after school program.

We instituted this starting in February and have had positive response from the students and staff.

Monday, Tuesday and Thursday, students are given 45 minutes for homework. During this time, staff will float throughout the room to check in on students, see if they need assistance, and offer learning support. If 3 or more students need help on an assignment, the group leader will gather the students together and lead the students through the assignment to work on it as a group allowing students to share their thoughts with each other and learn from one another.

On Wednesdays, students participate in "academic focused clubs" led by the YMCA staff, including options like: book club, debate club, creative writing club. Students are able to choose the club they will participate in on Wednesdays for each semester.

The YMCA led enrichments fall into 3 categories: (1) Art, including visual or performing art, (2) science, which could range from cooking, to robotics to STEM experiments, and (3) sports.</p> <p>Additional enrichments are offered at WOMS through our community partners (subcontractors) such as Lacrosse ( through Oakland Lacrosse), Art Esteem and Tech Bridge.</p>

### Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

### MIDDLE\_ OUSD Strategic Targets

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to **prepare all students to be college, career, and community ready.** To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.*

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

YMCA staff will collaborate with the school site principal to determine what college and career readiness efforts are in progress at the site. Once that is determined, the after school program will utilize the enrichment designated block (2-3 times quarterly) to have conversations and host activities around college and careers. The after school program will support college and career fairs that take place after school, as well as take students on a tour of 2 campuses per school year.

### High School OUSD Strategic Strategies

***Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.***

### SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education's (CDE) After School Division and the California After School Network (CAN) Quality Committee.

**Staff will intentionally create a climate where students are safe, supported, and encouraged to practice emotional safety as well as self management.**

- Staff will hold community building circles everyday for the first month of programming, and on Fridays for the remainder of the year for intentional culture building.
- Staff will implement warm welcome routines, and hold weekly meetings with student advisory/leadership committee.

### PROGRAM SELF-ASSESSMENT

**What are some key discoveries you made doing the program self-assessment?**  
(Strengths, areas of improvement)

A key discovery we made during our self-assessment was that our current strength is in creating a safe environment. Although we still have room to grow in this area, the fact that our team provides a safe space for students without an SSO was a positive discovery.

<b>2019 - 2020 school year?</b>	
<b>Describe how the program will address the improvement in this area? (please include program structures, staffing practices and partnerships.)</b>	<ol style="list-style-type: none"><li><b>1. Supportive Environment:</b> Next year we will focus on building community through more positive and intentional warm welcome activities. We will work to train the staff on executing community building activities and implement them each day from the start of program. Community building activities will take place everyday from 3:45-4 as well as during the designated enrichment time for the month of August to build rapport and trust with staff and students alike.</li><li><b>2. Engagement:</b> To address student engagement, we will focus on multiple planning strategies and reflection. One way we will seek to improve in planning strategies is to create more opportunities for students to plan activities. We want to accomplish this through student run special events. We hope to create a student advisory committee for the events the students want to have (carnival, dance, showcase) so they can participate in the process. We also seek to include more intentional reflection time correlated to homework and academics: providing more activities for students to organize and plan what they want to accomplish during academic/homework time, and then reflect back on if they met their goal or not. Also offer incentives when students meet their goal.</li></ol>
<b>What is one key data point from your program profile that will be a focus for the upcoming school year? (Please include a summary of the data you are responding to.)</b>	One key data point that will be a focus for our team next year is: using multiple reflection strategies. We scored a 1 in this focus area. We will train staff on new ways to initiate reflection with middle school students specifically, and how to integrate reflection into homework and enrichment time.

## Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis. (This process is in review and tools will be updated throughout the year.)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement

QAP: Quality action plan

SAPQA: School Age Program Quality Assessment

YPQA: Youth Program Quality Assessment

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

**Waiver and Release of Liability.** In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

**Assumption of Risk.** I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

**Indemnity Agreement.** In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees.

**Severability.** I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

**Minor Participants.** If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Participant and/or parent/guardian agree to pay all costs associated with medical care and transportation for the participant as provided by law.
3. As parent/guardian, I have reviewed the schedule(s) for Middle School Sports League activities and understand that weather permitting the Middle School Sports League activities generally run after school and on designated weekend days of each month as scheduled. Parent/Guardians understand that they are responsible for transporting their child/children and picking up their children promptly at the end of the program and that there is no OUSD or \_\_\_\_\_ supervision for children after the Middle School Sports League program ends.

## YMCA of the East Bay

The mission of the YMCA of the East Bay is to empower youth, advance health, and strengthen communities. While striving to meet the health and wellness needs of the diverse population of the East Bay communities, the YMCA of the East Bay prioritizes serving the underserved communities, with a special focus on underserved youth.

For over a century, the YMCA of the East Bay has remained a stable influence; a safe, healthy, and enriching community space for youth and families in the East Bay communities. Our organization is composed of a teen center, 5 health & wellness centers, 44 school-based program sites, 17 early childhood program sites, and 2 overnight camps. Our core programs focus on three areas: early childhood impact, youth development, and healthy living for all. From cradle to career, the Y provides all youth with the tools and resources they need to succeed in life.

**Early Childhood Impact** With the belief that every child deserves a head start in life, we facilitate high-quality early childhood impact programs that focus on long-term academic success and wellness of each child we serve. Overwhelming evidence shows that early childhood education for disadvantaged children has the highest return public investment in the world today. According to research, 60-70% of the achievement gap between rich and poor kids is already evident by kindergarten. Our Early Childhood Impact Program offers 17 sites serving infants and children from ages 0 to 5 across the Bay Area. Our strategy is to ensure all children are ready for kindergarten by age 5 so they are in a warm, caring environment of academic and noncognitive stimulation and grow up with the curiosity and confidence to succeed in school and life.

**Youth Development** When school doors close, ours open. In over 40 afterschool sites, 6 community day camps, and 2 residential camps, we are supporting youth, especially those from underserved communities, in developing academic, physical, and social skills. We strive to prepare and support the youth in our community to become their best selves and grow up to be the leaders of our communities. The programming includes school-based STEM and wellness enrichment programs, camps, childcare, a college-readiness program for low-income first-generation college-bound students, and youth leadership and workforce development programs.

**Healthy Living for All** The YMCA of the East Bay is committed to improving the health of our communities by offering people of all ages ways to manage, maintain, and regain their health. We offer health & wellness centers that include caring, professional staff, state of the art equipment, swimming pools, and a wide range of group exercise classes and youth sports programs. Our unique variety of programs for the community addresses healthy living and disease prevention, including diabetes prevention programs, healthy values-based competitive sports programs

for all ages, and essential swim and water safety lessons for the community. Our strategy is to meet the health and fitness needs of the large and diverse population in our communities. We offer financial assistance for low- to moderate-income individuals and families to access our resources and facilities to maintain and regain their health.

### *Financial Responsibility, Management, & Infrastructure*

Our financial integrity and sound fiscal management are made possible by our finance department. The finance department's central infrastructure consists of 2 Senior VP's of Finance, 2 Payroll Accountants, 1 Payroll Coordinator, 1 Accounting Manager, 1 Contract Compliance Specialist, and 1 Accounts Payable Specialist.

Under supervision of Cheri Mezzapelle, the Senior VP of Finance, the Accounting Manager, Contract Compliance Specialist, and Accounts Payable Specialist ensure that our organization is compliant with grant and other financial contracts and that grant funds, including the funds from OUSD are allocated to the appropriate program. This team works inter-departmentally with program staffs and other departments for accuracy in our finances and program budgets. Under the supervision of Larry Gayden, the other Senior VP of Finance, the Payroll Coordinator and two Payroll Accountants ensure payroll is processed and employees are paid by the deadline each period.

In order to ensure sound fiscal management, the finance department holds staff training and supervision, segregation of duties, defined and clear controls over vendors, cash, capital assets, business-related expenses, corporate credit cards, investments, and monthly reconciliation of all bank accounts and balance sheet accounts. Our data systems track and report transactions and are secured to avoid risks of loss or breach of privacy.

We accurately portray and report our financial status to the board, staff, donors, financial institutions, YMCA of the USA (Y-USA), and the public at all times. Staff provide accurate documentation and timely reports on fiscal activities, including reports to the board. Board members and committees review and approve all formal reports prior to submission/disclosure, including the IRS Form 990, annual reports, and audit. We conduct financial audits each fiscal year by hiring a third-party independent contractor, in order to obtain an "unqualified opinion" on the accuracy of our financial statements.
